Industrial Training arranged

UG students of JSS College of Pharmacy, Ooty

The industrial training was organized for 1 day towards the B.Pharm students at Ganesh Eucalyptus Oil Ooty The Nilgiris, a prominent player in the herbal oil and distilleries. The purpose of the training was to provide students with a practical understanding of the operations, processes and technologies employed in the industry towards the Gas Chromatography. UG students visited the above company had the opportunity to witness the company's production, quality control and Research development process. It was fascinating to see the various stages involved, from raw material acquisition to the final product assembly. This visit served as a bridge between theoretical knowledge and practical implementation, reinforcing for understanding of the industry and inspiring them for future career endeavours.
