INITIATIVES UNDER THIS GOAL

- JSS Medical College is committed to supporting those from lower socioeconomic backgrounds overcome the financial burden of high health care costs associated with a range of medical conditions.
- To keep families out of poverty because of exorbitant out-of-pocket medical expenses, the College has made several initiatives. These include,
 - Creating a fund for the poor children and elderly
 - Making an impact to the care of the elderly
 - Encouraging medical students to take part in acts of social responsibility.
- Additionally, the college has put in place a number of government health insurance programs and offers urban slum inhabitants with economical healthcare services through the JSS Urban Health program.
- The establishment of hospitals with 100 beds and discounted diagnostic services has made a major contribution to serving those in need in Chamarajanagar with excellent medical services.
- With the goal to broaden healthcare services further, the organization is transforming the local population of Suttur into a model health village program and offering medical care there. The inhabitants of Suttur will be able to get superior medical care and almost free treatment.
- Home care visits by Geriatrics Department for all elderly and aged population at Mysuru at affordable cost and with free transport facilities.
- JSS Urban Health Centre situated at Medar's block, Bamboo bazar, Mysuru and rural health training centre situated at Suttur are providing much-needed medical care to the people in urban slums and rural communities.
- Apart from this JSS Medical College, has joined hands with government of Karnataka in providing health care to the people in rural areas by adapting primary health centres.
- JSS Medical college encourages medical students to donate supplies / stationaries/learning resources to the kids in Anganwadi centres and primary schools as a social responsibility under medical students' social responsibility initiative.
- Employees of JSS Medical College extend help to the poor through Poor Patient's Fund and elderly fund.
- All of the government of India's welfare programmes, including Ayushman Bharath, Yashawini, ESI, and Vajpayee Aarogysree are being implemented in the hospital.

To help the needy and poor, JSS Medical College conducts

- Regular health education programmes on prevention and control of common ailments
- Free health check-up camps for people in rural, urban and tribal areas.
- Cataract and eye health campus
- Screening programmes for hypertension, diabetes, cancer etc.
- School health appraisal programme covering more than 20000 children annually.

JSSDCH

Initiatives taken in this regard

JSS Dental College & Hospital is helping people from low socio-economic strata by providing treatments at reduced cost. Initiatives like poor patients' fund, dantabhagya yogana, social responsibility initiatives, implementation of various government health insurance schemes and subsidized health care to the people residing in urban slums through JSS Urban Health Centre etc, are implemented by JSS Dental College & Hospital. Tertiary health care is established at Chamarajanagara which provides treatment at subsidized rates which is definitely helping in providing quality health care to the needy poor and middle-class patients. Creating health care provision for medical and dental illnesses at Suttur and adoption of Suttur village for model healthvillage program will enable all the people of Suttur with almost free treatment and help the people to get quality health care and additionally promotes wellness by various preventive interventions and initiatives, like training of children with special health care needs, creating awareness about oral cancer, gifting beautiful smile programme for underprivileged, serving poor children by meeting their oral health needs at JSS Free Residential school, Suttur.

Oral Cancer Awareness Month Celebration by SIG Oral Precancer & Cancer

L to R: Dr. S Meenakshi, Reader, Dr Sathyaprakash, District Dental Officer, Dr Chandan Deputy Dean Research, Dr. Dhakshaini M R, Principal, JSS Dental College & Hospital, Dr. H P Jai Shankar, Vice Principal & Professor.

On Oral Cancer Awareness Month, SIG on “Oral Precancer & Cancer” organized Multiple events throughout the month. Public camps emphasizing oral cancer health education and screening for oral precancer and cancer were conducted at Manjunathaura, KSRTC depots at Sathagalli, and Kuvempunagar in association with Public Health Dentistry, JSSDCH. Around 180 participants benefited from the camp. People with habits and clinical lesions were counselled one to one and were referred to JSSDCH for further management.

National level scientific competitive events such as E-poster, Reelz making, and Video making were conducted for undergraduate and postgraduate students. A total of 75 teams participated. Students from Coorg Institute of Dental Sciences, Indira Gandhi Institute of Dental Science, JSS Dental College and Hospital, SDM College Of Dental Sciences & Hospital, Sri Siddhartha Dental Collage, Priyadarshini Dental College and Hospital, College of Dental Sciences, Davangere, Geetanjali Dental & Research Institute, Government Dental College, Jaipur, RV Dental College and Hospital, Vivekananda Dental College for Women, M.R Ambedkar Dental College and Hospital and Dr Harvansh Singh Judge Institute of Dental Sciences and Hospital won the prizes.

The closing ceremony of the events was conducted on May 5th at JSS Dental College & Hospital, Mysuru. Dr Sathyaprakash, District Dental Officer, was the Chief guest. Dr Chandan Deputy Dean Research was the guest of honor. Dr Dhakshaini MR, Principal, JSSDC&H and Dr. Jaishankar HP, Vice Principal, JSSDC&H presided over the program.

Oral health education and oral cancer awareness programs to be conducted from the SIGs “Oral Precancer & Cancer” and “Oral Microbiome, Dysbiosis & Diseases” at the Department of Oral Pathology and Microbiology and at Public Health Dentistry were inaugurated by Dr Chandan, Dr Jaishankar HP, and Dr Vidya GD Prof and Head, Department of Oral Pathology and Microbiology

Dr Sathyaprakash and Dr Dhakshaini MR in their address to the gathering lauded the efforts of the SIG and spoke on the significance of such awareness programs in preventing and seeking timely interventions among population prone to tobacco habits and its hazards. SIG team leaders and members Dr Usha Hegde, Dr Bharathi MB, Dr Sreeshyla HS, Dr Sushma R, Dr Meenakshi S and Dr Prasanna Deshpande Coordinated all the events of the Oral Cancer Awareness Month and the Closing ceremony.

Dental health check-up camp and guest lecture at Pragati Elite Public School

Dr. Chanchala HP, Assistant Professor, JSS Dental College and Hospital on Doctor's Day was invited as a guest of honor to mark this significant day, celebrating the invaluable contributions of doctors to society on July 8th at Pragati Elite Public School. The event featured a guest lecture and an oral health check-up camp for young children. The key points of the lecture focused on the importance of oral health and covered various aspects such as:

- The significance of maintaining good oral hygiene.
- Common oral health issues and their prevention.
- The impact of diet and lifestyle on oral health.
- The importance of regular dental check-ups.

The lecture aimed to educate and empower the audience with the knowledge to maintain optimal oral health, emphasizing its critical role in overall well-being.

Following the guest lecture, an oral health check-up camp was conducted for the young children at the school. Thorough oral examinations for the children were done and the personalized school health cards detailing each child's oral health status was mentioned. Children requiring additional dental care were referred to JSS Dental College for follow-up treatments. This initiative ensured that the students received immediate attention to their oral health needs and provided a pathway for continuous care.

This program aligns with the United Nations Sustainable Development Goals (SDGs), specifically SDG 3: Good Health and Well-Being. The event directly contributed to ensuring healthy lives and promoting well-being for all at all ages. By focusing on oral health education and providing immediate dental care, the program helped improve the health outcomes of the young students, laying a foundation for long-term health benefits.

Oral hygiene day Celebrations

Department of Periodontology, JSS Dental College and Hospital celebrated Oral Hygiene Day on 1st of August with the Oral Hygiene awareness Walkathon. The event was organised in collaboration with Indian Society of Periodontology and Young Indians. Dr Nandini BN, Additional Superintendent of Police, Mysore District was the Chief Guest. The guests of honour Dr H Basavana Gowdappa, in-charge Vice Chancellor JSS Academy of Higher Education and Research, Dr Manjunatha B, Registrar JSS Academy of Higher Education and Research, Dr Dhakshaini MR, Principal JSS Dental College and Hospital and Dr Suman Basavaraju Head, Department of Periodontology JSS Dental College and Hospital were present. More than 100 students and faculty participated in the Walkathon. The Walkathon was flagged off by the chief guest Dr Nandini. The entire program was co-ordinated by Dr Aruna G from the Department of Periodontology along with Dr Sharath and Dr Sheetal. This was an initiative to create and spread Oral Hygiene Awareness among the Public.

Further in the department of Periodontology JSS Dental College and Hospital, outpatients were educated about the importance of oral hygiene. Free toothpaste and toothbrush samples were distributed to patients visiting the department.

Webinar on Polishing Soft Skills Effective Communication and Interview Preparation

Dr. Ispita Das along with PG Students

The Training and Placement Cell of JSS Dental College and Hospital successfully organized a webinar titled “Polishing Soft Skills: Effective Communication and Interview Preparation” on August 27, 2024. The session was led by Dr. Animesh Jain, an expert in soft skills and communication.

Dr. Jain emphasized the crucial role of soft skills in the healthcare sector, explaining how they complement technical expertise to ensure overall career success. The webinar covered essential communication techniques such as active listening, clear articulation, and non-verbal cues, supported by practical examples and engaging interactive activities.

A key highlight of the event was a mock interview conducted by Dr. Jain with one of the interns, offering participants a real-time demonstration of effective interview strategies. This hands-on approach allowed attendees to observe the practical application of concepts discussed during the session. The event witnessed enthusiastic participation from interns and received overwhelmingly positive feedback. Participants appreciated the actionable insights and found the content highly relevant to their career advancement.

The Training and Placement Cell remains committed to organizing similar programs to continuously support the professional growth and holistic development of our students.

Induction program

This report outlines the induction program conducted for students joining the Dental Course at [JSS DENTAL COLLEGE & HOSPITAL] on [7-10-2024]. The program aimed to provide new students with essential information, resources, and a welcoming atmosphere to facilitate their transition into the dental program.

The program agenda included the following components for a span of seven days:

1. Welcome Address: An opening ceremony with welcoming remarks by Dr Bhagyalakshmi. Chief guest addressing from the Principal of JSSMCH Dr.Basavana Gowdappa. Introduction of JSSAHER & JSSDCH by Principal of JSSDCH Dr.Dakshaini M.R.
2. Orientation Sessions: Detailed presentations on the dental curriculum, academic policies, and student support services.
3. Campus Tour: A guided tour of the campus to acquaint students with the facilities, laboratories, JSS Hospital and Suttur mutt with rich tradition of the Institute and philanthropic work was undertaken.
4. Meet and Greet: A social gathering for students to interact with their peers, faculty, and senior students.
5. Q&A Sessions: Opportunities for students to ask questions and clarify doubts.

Decennial Celebration of Baby Oral Health Promotion Clinic

Baby Oral Health Promotion Clinic's 10th-year celebration was conducted at JSS Hospital on 21.11.2024. Program chief guest was Dr. Mallika Deputy Director, Health and Family Welfare Services, Divisional Joint Director Office, Mysore and Dr. Mothi S N President, Indian Academy of Pediatrics, Karnataka was guest of honour along with Dr. Basavana Gowdappa H Vice Chancellor, JSSAHER, Principal, JSS Medical College, Dr. Dhakshaini M R, Principal, JSS Dental College & Hospital, Dr. Prashanth SN, HOD Dr. Nandlal, Dr. Indira MD and Dr Raghavendra Shanbhog, Pediatric Dentists at JSS Dental College & Hospital, inaugurated the program by lighting the lamp.

Dr Prashant SN welcomed the gathering. Dr Indira MD briefed the audience on the decennial journey of the Baby Oral Health Promotion Clinic. Dr Mallika appreciated the work undertaken at the center and invited the team to educate child health care professionals in government health sectors about oral health. Dr Mothi opined that oral health to be included in 'Thai Bhagya' card of government scheme. Dr. Basavana Gowdappa applauded this as an unique program and suggested that such centers should be established at all medical college hospitals for the benefit of the children. An oral health awareness flip book was released on this occasion, and oral hygiene kits were distributed to young mothers.

International OMFS Day 2025

The Department of Oral and Maxillofacial Surgery (OMFS) at JSS Dental College and Hospital celebrated International Oral and Maxillofacial Surgery Day on February 13, 2025, with a thoughtfully curated program at the Sri Gowri Shankara auditorium.

Dr. Dhakshaini M.R. symbolizes the dispelling of darkness and the celebration of enlightenment. Dr. Saikrishna Degala, Head of the Department of OMFS, delivered a warm welcome address, setting the tone for the event. This was followed by an inspiring address from Dr. Dhakshaini M.R., Principal of JSS Dental College, who reiterated the institution's continued support for departmental activities

A significant highlight of the program was the virtual webinar conducted by Dr. Rahul R. Singh, an accomplished and distinguished alumnus of JSS Dental College and Hospital (Class of 2012). Currently serving in the Department of Surgical Oncology at Apex Super speciality Hospital, Varanasi. Dr. Rahul Singh brings extensive expertise through his multiple fellowships in Head and Neck and Oral Oncology

from prestigious centres across Bangalore, Kerala, and Belgaum. His credentials are further distinguished by a Global Oral Oncology Diploma from the International Academy of Oral Oncology, Switzerland. Dr. Singh shared valuable insights on early detection strategies and preventative measures for oral cancer, aligning perfectly with this year's theme to all the Post graduates and Interns

To further enhance engagement and bring to light some more aspects of our specialisation, a quiz was organized for undergraduate students. The Quiz was conducted by postgraduates from the Department of OMFS, and the winning team was awarded. The event successfully concluded with a Vote of thanks, refreshments, marking a meaningful celebration that effectively combined professional development, academic engagement, and departmental camaraderie while highlighting the crucial importance of early oral cancer detection and prevention.

Oral and Maxillofacial Surgery Day - Community Health Camp in Government Higher Primary School, Jawa factory housing colony, Mysuru, Karnataka

As part of the International Oral and Maxillofacial Surgery Day celebrations, the Department of Oral and Maxillofacial Surgery at JSS Dental College and Hospital participated in a community health camp conducted by JSS Medical College and the Department of Public Health Dentistry. The initiative was conducted on February 19, 2025, at the Government Higher Primary School, Hale Kesare, Mysuru, Karnataka and February 20th 2025 at Government Higher Primary School, Jawa factory housing colony, Mysuru, Karnataka

The Faculty Dr.Chandan SN and Postgraduate students from the Department of Oral and Maxillofacial Surgery, JSS Dental College, participated in providing oral cancer screening and awareness services

In alignment with this year's OMFS Day theme, special attention was given to screening adults and elderly individuals for deleterious oral habits and early signs of oral cancer or premalignant lesions. Patient education was a key component of the camp, facilitated through informative flyers and educational banners. This approach helped raise awareness about oral cancer prevention and early detection among the community members. Patients requiring follow-up care were referred to JSS Dental College, ensuring continuity of care and comprehensive treatment planning

This community health initiative exemplifies the institution's commitment to public health and preventive care, while effectively extending the reach of the OMFS Day celebrations beyond the confines of the college campus.

Oral Health Awareness Visit as Part of Cons Endo Day

As part of **Cons Endo Day 2025**, the Department of Conservative Dentistry and Endodontics, JSS Dental College and Hospital, Mysuru, conducted a community outreach program at an old-age daycare center in Mysore on March 6th. Led by Dr. Annapoorna B.M., along with MDS students Dr. Supreeth, Dr. Rachana, and Dr. Shreya, the initiative emphasized the vital link between oral health and overall well-being in the elderly.

The session was attended by 20 senior citizens, who were educated on proper oral hygiene, denture care, and the connection between oral health and systemic diseases like diabetes and heart disease. Using models and visual aids, the team demonstrated brushing techniques and preventive care, while also addressing individual dental concerns in an interactive discussion.

This initiative fostered awareness, trust, and engagement, leaving a meaningful impact on the participants. Many expressed gratitude for the guidance provided, making the program a valuable part of Cons Endo Day 2025, reinforcing the department's commitment to preventive dentistry and social responsibility.

International Women's Day Celebration Walkathon 2025

On March 8, 2025, JSSDCH and JSSAHER, in association with the Women's Dental Council (WDC) of the Indian Dental Association (IDA) Mysore Branch, successfully organized the "Her Walk, Her Health" walkathon to celebrate International Women's Day. The event began at Mysore Town Hall and concluded at JSSDCH, with around 80 participants, including IDA life members, teaching and non-teaching staff, and maintenance personnel from JSSDCH.

The walkathon was inaugurated by Dr. Dhakshaini M.R., Principal of JSSDCH, in the presence of IDA Mysore Branch office bearers, WDC convenors Dr. Brinda Godhi and Dr. Meenakshi, President Dr. Pramod, Treasurer Dr. Raghunath N., and Continuing Dental Education (CDE) convenor Dr. Ravi Kiran, who also joined the walkathon.

World health and World oral health day

The Department of Public Health Dentistry organized World Health Day and World Oral Health Day on 5th April 2025. On this occasion, **Dr. Mamatha S.** presented a guest lecture on the theme **“Healthy Beginnings, Hopeful Futures,”** and she highlighted the importance of maternal and child health. The event was preceded by Principal Dr. Dhakshaini MR, MDS (Department of Prosthodontics), and Vice Principal Dr. Jaishankar (Department of Oral Medicine & Radiology). Dr. Thippeswamy HM (HOD, Department of Public Health Dentistry) welcomed the gatherings.

Activities Conducted:

As part of the World Health Day and World Oral Health Day celebrations, a series of interactive and educational events was conducted to encourage student creativity, critical thinking, and teamwork. Events included a Reel-Making Competition on the theme “A Happy Mouth is a Happy Mind,” where students created impactful videos to promote oral health awareness. In the Health Research Presentation, participants shared evidence-based insights on public health topics, enhancing academic curiosity and communication skills. The Health Talk Competition allowed students to raise awareness through informative and persuasive speeches. At the same time, the Dumb Charades—Health Edition added a fun twist by reinforcing health vocabulary through a game format. The events met with enthusiastic participation, making the celebration both meaningful and enjoyable. Winners were felicitated during a prize distribution ceremony.

Oral Cancer Awareness Month Celebration by SIG – “Oral Precancer & Cancer”

The SIG on “Oral Precancer & Cancer” at JSS Dental College & Hospital, Mysuru, in collaboration with the Department of Public Health Dentistry, organized a series of impactful events during Oral Cancer Awareness Month. Public screening and education camps were held at Manjunathapura and KSRTC depots in Sathagalli and Kuvempunagar, benefiting around 180 individuals. High-risk participants were counselled and referred for further care at JSSDCH.

National-level competitions—including e-poster, reel-making, and video-making—saw enthusiastic participation from 75 student teams across top dental colleges in India, with winners from institutions like Coorg, SDM, RV, and JSSDCH.

The month concluded with a closing ceremony on May 5th at JSSDCH. Dr. Sathyaprakash, District Dental Officer, was the Chief Guest, and Dr. Chandan, Deputy Dean (Research), was the Guest of Honour. The event was presided over by Dr. Dhakshaini M.R. and Dr. Jaishankar H.P. New oral health initiatives under the SIGs were also inaugurated.

The entire month's activities were efficiently coordinated by Dr. Usha Hegde, Dr. Bharathi M.B., Dr. Shreeshyla H.S., Dr. Sushma R., Dr. Meenakshi S., and Dr. Prasanna Deshpande. The program was well-received and highlighted the importance of awareness, early detection, and timely intervention in oral cancer prevention.

World No Tobacco Day 31st May 2025

World No Tobacco Day was observed by JSS Dental College & Hospital on 31st May 2025. This year the Theme for World No Tobacco Day 2025 is “Unmasking the Appeal: Exposing Industry Tactics on Tobacco and Nicotine Products”.

A guest lecture series was organised by the Department of Public Health Dentistry & Tobacco Control & Cessation Centre (TCC). The guest speakers were Dr. Praveen Kulkarni, Vice Principal & Professor, Community Medicine, JSS Medical College, who delivered a lecture on “Anti-Tobacco interventions at National and Global Levels” and Dr. M.C. Smitha, Associate Professor, Community Medicine, JSS Medical College, on “Tobacco Threats!”. The guest speakers were introduced by Dr. S. Sunitha and Dr. R. Sushma, Reader, Department of Public Health Dentistry. Various activities were conducted, like Reel making and Essay Writing Competitions for the undergraduates and postgraduates. Prizes were distributed for the same at this event. The chief guest for this event was Dr. B. Manjunatha, Registrar, JSS Academy of Higher Education & Research. The guests of honour were Dr. H.P. Jaishankar, Vice Principal, JSS Dental College & Hospital, and Dr. M.R.Dhakshaini, Principal, JSS Dental College & Hospital. The report of Events was presented by Dr. M. Maurya, Reader, Department of Public Health Dentistry.

Dental Screening Camp at Sharada Public School, Mysuru

A dental screening camp was organized on 23rd July 2025 at Sharada Public School, Rajarajeshwari Nagar, Mysuru, by the Department of Pediatric and Preventive Dentistry in collaboration with the Department of Periodontology, JSS Dental College & Hospital, JSS Academy of Higher Education & Research (JSSAHER)

The objective of the camp was to assess the oral health status of school children and promote oral hygiene awareness.

From the Department of Pediatric and Preventive Dentistry, the camp was attended by Dr. Priyanka Talwade, Lecturer, along with postgraduate students Dr. Yashi Rastogi, Dr. T. Sharanya, and Dr. Kochuthresi C, and house surgeons Dr. Vinayaka and Dr. Najim

A total of 700 students, from playgroup to Class 10, were screened for dental caries, gingival health, and other oral conditions. The team demonstrated proper brushing techniques using interactive models and visual aids, emphasizing age-appropriate oral hygiene practices. Additionally, dietary counseling was provided to the students

Children requiring further care were referred to JSS Dental College & Hospital for evaluation and treatment.

Oral Screening Camp at Sri Sharada Public School: Promoting Oral Health Awareness

On July 23, 2025, an Oral Screening Camp was successfully organized at Sri Sharada Public School, Rajarajeshwari Nagar, Mysuru, by the Department of Periodontology in collaboration with the Department of Pedodontics, JSS Dental College & Hospital, Mysuru

The camp aimed to assess the oral health status of school children, raise awareness about periodontal health, and provide early intervention guidance. Approximately 600 students underwent comprehensive oral examinations focusing on periodontal conditions, dental caries, and oral hygiene practices, using standardized diagnostic protocols

Following the screenings, educational sessions were conducted for students and teachers, emphasizing proper brushing techniques, the importance of regular dental check-ups, and preventive measures for periodontal and other oral diseases.

Students requiring further treatment were referred to JSS Dental College & Hospital to ensure timely follow-up care. The initiative, aligned with the college's commitment to community outreach and public health dentistry, not only contributed to the prevention and early detection of dental issues among children but also provided valuable clinical exposure for postgraduate students and interns, under the supervision of experienced faculty members. This community engagement reflects the mission of JSS Dental College & Hospital and JSSAHER to advance oral health, train exemplary dental professionals, and promote public health outcomes.

1. NO POVERTY (SDG 1)

Details Related to SDGs	Evidence with documents	Weblink to support the details
1.1 Research supporting SDG1 No-Poverty: 1.1.1 Publications (<i>Provide the list of Publications supporting SDG1 No-Poverty in Vancouver style</i>) 1.1.2 Proportion of publications <i>supporting SDG1 No-Poverty</i> co-authored with low-income countries. <i>(Total no. of publications and the no. of publications with low-income countries)</i> <i>Both attached in Annexure I</i>		
1.2 Proportion of students receiving financial aid to attend College & University because of poverty. <i>(All the scholarships, fee waivers from institution and from other state/central organizations, NGOs, Private organizations, and individual sponsorships shall be included)</i> ➤ Total Number of students in the institution ➤ Number of low-income students receiving financial aid (as per the norms of Central Govt./State Govt) ➤ Proportion of students receiving financial aid <i>(Total number of students receiving the financial aid inclusive of both low-income students and others including merit and general category):</i>		
Evidence (<i>web link/scanned copies of the documents reflecting the number of students receiving scholarships/free waivers</i>). <i>Attached in Annexure I. The documents reflecting the number of students receiving scholarships are listed in Table 1,2,3 & 4</i>		
1.3 College & University anti-poverty Programmes		
1.3.1 Does your College & University have strategies/targets/guidelines/schemes in support of admitting students who fall into the lower household income group in the country?	Explain and attach evidence /documents	
Evidence: (<i>Weblink/documents supporting the admission policy/strategy/guidelines/schemes of the college highlighting the reservations for the lower income students</i>) Admission policy: https://jssuni.edu.in/JSSWeb/WebShowFromDB.aspx?MID=14009&CID=0&PID=10005 Admission and fee policy: https://jssaherdatalake.blob.core.windows.net/jssaher-webportal/sdg-1-3-4-admission-policy.pdf		
Any other Comments: Yes, web link for the admission policy of the college is attached. JSS AHER is committed to ensure its admission policies and procedures are fair, transparent, ethical, and timely, making study accessible to a diverse range of prospective students. This policy outlines admissions processes and		

requirements for the various programs offered by JSS AHER are as per the policies framed from time to time. The overall aim of this policy is to ensure an effective, efficient and coordinated admissions process that upholds the values of equality, inclusion and maximizing the potential and employability of our current and future students.	
1.3.2 Does your College & University have graduation/completion targets for students who fall into the lower household income group in the country? <i>Provide the details of the number of students graduated who are from lower income family</i>	Explain and attach evidence /documents
Evidence: <i>Weblink/documents supporting the above details and list of students graduated from the lower income family</i>	
Any other Comments: <i>Yes. The list of students graduated from the lower income family is attached in annexure 1 in the table.no 5</i>	
1.3.3. Does your College & University provide support for students from low-income families to enable them to complete their education in University / College? (e.g. food, housing, transportation, legal services) <i>Students receiving fee waiver, financial and other assistance including accommodation, transport, books, and other essential requirements provided shall be included</i>	Explain and attach evidence /documents supporting your explanation
Evidence: <i>(web link/scanned copies of the documents supporting the number of students receiving fee waiver, financial and other assistance including accommodation, transport, books, and other essential requirements)</i>	
Any other Comments: <i>Attached in annexure 1. Research scholars are motivated to get JSSAHER Seed money which supports them to complete their research activities. Table no 6</i>	
1.3.4 Does your College & University have Programmes /initiatives/strategies/schemes to assist students who fall into the lower household income group in the country to successfully complete their studies? <i>Mentor system/students counseling, health insurance, Health cards for JSS Hospital and other health benefits provided including free health camps for students, community pharmacy services, financial support through donation of books and Poor child education funds/and support etc</i>	Explain and attach evidence /documents

Evidence: (weblink/scanned copies of documents supporting Mentor system (Mentor dairy)/students counseling, health insurance, Health cards for JSS Hospital and other health benefits provided including free health camps for students, community pharmacy services, financial support through donation of books and Poor child education funds/and support) Health card Attached in annexure 1 as 1.3.4, Schemes to assist students in <i>Table no 7</i> and poor child education funds in <i>Table no 8</i>	
Any other Comments: Health card complete Medical insurance for students	
1.3.5 Does your College & University have schemes to support poor students from low or lower-middle income countries (e.g., offering free education, grants)? (MENA -Middle East and North Africa, BRICS, African and Asian students, Ethiopian, Nigerian, Namibian students supporting admissions and other educational programs including training programs, workshops, and seminars to students of those countries)	Explain and attach evidence /documents
Evidence (Weblink and documents supporting MoUs/MoAs/letters to Embassy for VISA/Invitation letters etc with those countries and the details of the educational programs conducted- Kindly avoid inaugural function details and photographs with high resolution) Attached in the annexure 1 <i>Table no.9</i>	
Any other Comments:	
1.4 Community anti-poverty Programmes	
1.4.1 Does your College & University provides assistance in the local community supporting the start-up of financially and socially sustainable businesses through relevant educational and learning resources? (e.g. mentorship programmes, training, workshops, Knowledge transfer access to College & University facilities)?	Explain and attach evidence /documents supporting your explanation
Evidence: (Weblink and documents supporting the activities, and brief report explaining the educational and learning resources provided with the Photographs with high resolution-Kindly avoid inaugural function with lamp lighting ceremony details and photographs with high resolution)	

https://jssaherstoragenew.blob.core.windows.net/jss/Notices/NEM006077a.pdf	
Any other Comments: Conducted conference on 1st Quality Conclave 4.0, a two-day national conference with the theme “Quality Redefined: Assurance and Compliance in Pharmaceuticals.	
1.4.2 Does your College & University provide financial assistance to the local community assisting the start-up of financially and socially sustainable businesses? <i>(Any activities/training programs/workshop related to sustainability with the local startups or any products developed with local people, research activities etc.)</i>	Explain and attach evidence /documents
Evidence: <i>(Weblink and documents supporting the activities, and brief report explaining the financial assistance provided with the Photographs with high resolution-Kindly avoid inaugural function with lamp lighting ceremony details and photographs with high resolution)</i> https://jssaherstoragenew.blob.core.windows.net/jss/Notices/NEM005932a.pdf	
Any other Comments: National Level Medical Device Hackathon (MEDHA) 2024 was organized by JSS Academy of Higher Education and Research (JSS AHER), Mysuru, under the mentorship of Biomedical Engineering and Technology Innovation Centre (BETIC), IIT Bombay (IITB), Mumbai. MEDHA 2024 Stage-I was held on 21st and 28th September 2024 at JSS College of Pharmacy (JSSCP), JSS AHER, Mysuru in collaboration with SPARKLE CINE (Centre for Innovation and Entrepreneurship), Mysuru. The event was hosted in association with JSS Medical College (JSSMC) & JSS Hospital, JSS Dental College & Hospital (JSSDC), School of Life Sciences, JSS Science and Technology University, and Sri Jayachamarajendra College of Engineering (SJCE), Mysuru.	
1.4.3 Does your College & University organize trainings/ Programmes/workshops/awareness programs/Camp activities like NSS, Rotary and Red cross etc. to improve access to basic services for all? <i>(eg: empowerment programs for tribal population, women, school children, sanitary worker, police etc.)</i>	Explain and attach evidence /documents supporting your explanation
Evidence: <i>(Weblink and documents supporting the activities, and brief report of the programs conducted to support above activities with the Photographs with high resolution-Kindly avoid inaugural function with lamp lighting ceremony details and photographs with high resolution)</i> https://jssuni.edu.in/jssaher/activities-and-events/ActivityAndEventList.aspx?CATCODE=NSS&OPTION=0	
Any other Comments: <i>The NSS Unit of JSS College of Pharmacy, Mysuru In association with JSS Hospital and College organized a Medical Camp on 21st Feb 2024 at Bidarahalli village, Sri Rangapatna Taluk, Mandya district Overall the medical camp benefited 250 villagers.</i>	
1.4.4 Does your members of your College & University participate in policy making	Local/ regional/ national/ global Explain and attach evidence /documents supporting your explanation

individually or in association with organizations at local, regional, national and/or global level to implement Programmes and policies to end poverty in all its dimensions? <i>(eg: members representing the IHA, IDA, IMA, Medicinal plants promoting society, APTI, KDP trust, IPA, and other bodies local, regional, or national, global which aims towards ending poverty)</i>	
Evidence: <i>(weblink/Proof of the copy of the committee members and their designation and role supporting the policy aiming to end poverty)</i> <i>Attached in the annexure 1 as Table no. 10</i>	
Any other Comments:	

1.1 Research supporting SDG1 No-Poverty:

1.1.1 Publications *(Provide the list of Publications supporting SDG1 No-Poverty in Vancouver style)*

Publication aligned with SDG1 as per the impact of Scalable innovation, Health literacy, Chronic disease management, Patient centered care and Community pharmacy. The list are as follows

1. Jyothi SL, Johnson AP, Sathishbabu P, Meghana GS, Pramod K, Krishna KL, Osmani RA, Kumar DS, Gangadharappa HV. Cubosome-dissolving microneedle system enhances the anti-psoriatic efficacy of a synergistic combination of methotrexate and cyclosporine. International Journal of Pharmaceutics. 2025 Jun 24;125893.
2. Dittakavi SN, Savitha RS, Kumar SK, Kumari P. Assessing the Knowledge, Attitudes, and Practices of Key Stakeholders in Anaemia Management among Adolescent Girls in Social Welfare Schools.
3. Thomas J, Jose M, Rajmohan P, Fathima FN, Moosan H, Jose NK, Anish TS, Bairwa M, Mahanta TG, Apte A, Cherian JJ. Development and Validation of a Novel Tool to Measure Medication Adherence for Noncommunicable Diseases in India: Protocol for an Exploratory Sequential Mixed Methods Multicentric Study. JMIR Research Protocols. 2024 Dec 3;13(1):e60805.
4. Puvvada RK, Marcucci J, Tang C, Thomas J, Higgs P, Madhan R, Gupta S. Patient and Carer Understandings and Experiences of Living With Type 2 Diabetes in India. Health Expectations. 2025 Apr;28(2):e70229.
5. Rakshith UR. Alwin Anto, K Prathyusha Reddy, Mohammad Favas TT UR Rakshith Srikanth MS 1a. Journal of Informetrics (ISSN 1875-5879).;19(2).

1.2.1 Proportion of publications *supporting SDG1 No-Poverty* co-authored with low-income countries.

Total no. of publications and the no. of publications with low-income countries is 5

1.2. Proportion of students receiving financial aid to attend College & University because of poverty.

- Total Number of students in the institution

1.3.4 Does your College & University have Programmes /initiatives/strategies/schemes to assist students who fall into the lower household incomegroup in the country to **successfully complete their studies**?

Mentor system/students counseling, health insurance, Health cards for JSS Hospital and other health benefits provided including free health camps for students, community pharmacy services, financial support through donation of books and Poor child education funds/and support etc

As a part of Mentorship & Emotional Support providing to the student following activities were held at College.

Training on “EBSCO Clinical Suite

The Library at JSS College of Pharmacy, Mysuru, held a training session on the “EBSCO Clinical Suite” on 2nd May 2025, led by Mr. M. S. Srinivas. The session enhanced awareness of EBSCO’s clinical tools through live demonstrations, a quiz, and interactive discussions, promoting evidence-based research practices.

- **workshop on 'Enhancing Academic Writing Skills with AI Tools and Managing Academic Accounts**
- Librarian served as the Program Coordinator for a 3-day workshop on 'Enhancing Academic Writing Skills with AI Tools and Managing Academic Accounts,' held from 19th to 21st December 2024. This event was

organized by **JSS Science and Technology University, Mysuru**, and aimed to equip participants with advanced skills in academic writing and effective management of academic profiles. The workshop witnessed active participation and was a significant contribution to fostering research and academic excellence."

1.3.4. Health cards for JSS Hospital and other health benefits

Health screening camp

As a part of World Pharmacist Day Celebrations. Indian Pharmaceutical Association, Mysuru local Branch in association with Department of Pharmacy Practice & NSS Unit of JSS College of Pharmacy, Mysuru Organized health screening camp at Kurubara Halli, Siddhartha Layout, Mysuru on 21st September 2024 at 10.00 am to 12.30 pm. The aim of the health screening camp was to sensitize publics on importance of regular monitoring of health and safe use of medications to Improve the health-related quality of life among Mysuru publics. A Total of 52 general publics were monitored for their blood pressure & blood glucose levels. At the time of monitoring around 12 general publics were found to have elevated blood glucose levels & 5 of them were having elevated blood pressure. General publics who identified with the elevated blood pressure and blood glucose levels were advised Non- Pharmacological Management & suggest consulting the physician for future diagnosis and management.

Awareness & Sensitization Program on 'Importance of Reporting of Adverse Drug Reaction' – In Community Settings.

As a part of celebration of 'National Pharmacovigilance Week 2024', The Regional Training Centre for South Zone – PvPI located at Department of Clinical Pharmacy, JSS Hospital, Mysuru in association with National Coordination Centre, Pharmacovigilance Program of India (PvPI), Indian Pharmacopeia Commission, Ghaziabad AND Special

Interest Group (SIG) – Quality & Safe Use of Medicine conducted an Sensitization & Awareness Program on ‘Importance of Reporting of Adverse Drug Reaction’ on 20th September 2024 for the benefit of Community Pharmacists and Consumers / Public of Mysuru city. The program was organized to create awareness and inculcate ADR reporting culture amongst community pharmacists and consumers /public.

The program began with sensitizing and creating awareness to the community pharmacist along with Dr Jaidev Kumar & Dr Rakshith U R, Lecturer, Dept. of Pharmacy Practice, JSS College of Pharmacy, JSS AHER, Mysuru. The information materials, both in Kannada & English, depicting the importance of ADR reporting, ways and means of reporting ADRs were displayed at the community pharmacies and also circulated among the patients who visited the community pharmacies, and also to general public who were there in the vicinity in order to sensitize and create an awareness amongst them on the importance of reporting of adverse drug reaction.

Swachhata Hi Seva (SHS)

NSS Unit JSS College of Pharmacy, Mysuru organized Swachhta cleaning activities within the institutional premises and in public place near the college campus on 30th September 2024. The main aim of this program is to create awareness on Swachhata Hi Seva with the theme of swabhav Swachhata- Sanskar Swachhta. To carry out this activity Ministry of youth Affairs & Sports, Government of India has sanctioned rupees twenty-five thousand (25,000). The NSS Volunteers, Program officer, non-teaching staff of JSS College of Pharmacy, Mysuru were actively involved in campus cleaning drive at 6.30am. During the activity the NSS Volunteers took part in cleaning the garden area followed by parking space and campus road. NSS Volunteers were able to collect and disposed single use plastic materials and water bottle.

District- Level Marathon:

As part of its Annual Action Plan 2024-25 Yuvajantsava Programme, District-level Marathon Contest was organised by the District AIDS Prevention & Control Unit of Mysuru on 27th September 2024. The aim of this Marathon was to create awareness about HIV/AIDS, prevention of discrimination, HIV and AIDS (Prevention & Control). The NSS Unit JSS College of Pharmacy, Mysuru student volunteer participated in this awareness program. The Marathon will begin at JSS College for Women in Saraswathipuram and pass through Fire Brigade, Ramaswamy Circle, Maharani's Science College, Old DC's Office, Oval Grounds, Kukkarahalli Road and culminate at the starting point.

Blood donation Camp

NSS Unit JSS College of Pharmacy in association The Indian Pharmaceutical association (IPA), Mysuru local branch, Mysuru in association with JSS College of Pharmacy, Mysuru organized a Blood donation camp on 63rd National Pharmacy Week Celebrations on **05th November 2024**. The program was inaugurated by Dr Pallavi Associate professor in Blood Bank and transfusion services, department of Pathology, JSS Hospital, Dr TM Pramod Kumar Principal and Dean, JSS College of Pharmacy, GV Pujar Vice principal JSS College of Pharmacy, Mysuru and all the heads of the department were present during the program .More than 100 students and staff registered and screened for their eligibility to donate the blood through their blood pressure, weight, blood group matching and other procedures. The eligible volunteers were selected for blood donation and a total of 32units of blood were collected from the students and staff volunteers.

1.4 Community anti-poverty Programmes

1.4.1 Does your College & University provides assistance in the local community supporting the start-up of financially and socially sustainable businesses **through relevant educational and learning resources?** (e.g. mentorship programmes, training, workshops, Knowledge transfer access to College & University facilities)?

1.4.1. Activities: Department of Pharmaceutics, JSS College of Pharmacy, Mysuru, organised the 1st Quality Conclave 4.0, a two-day national conference with the theme “Quality Redefined: Assurance and Compliance in Pharmaceuticals.” The event provided a dynamic platform for professionals, researchers, and students to explore advancements in pharmaceutical quality assurance, compliance, and industry best practices. Through practical insights and case studies, the session aimed to equip attendees with the technical expertise needed for effective validation processes in compliance with industry standards.

1.4.2 Does your College & University provide **financial assistance to the local community assisting the start-up** of financially and socially sustainable businesses? *(Any activities/training programs/workshop related to sustainability with the local startups or any products developed with local people, research activities etc.)*

Evidence: *(Weblink and documents supporting the activities, and brief report explaining the financial assistance provided with the Photographs with high resolution-Kindly avoid inaugural function with lamp lighting ceremony details and photographs with high resolution)*

<https://jssaherstoragenew.blob.core.windows.net/jss/Notices/NEM005932a.pdf>

Any other Comments: National Level Medical Device Hackathon (MEDHA) 2024 was organized by JSS Academy of Higher Education and Research (JSS AHER), Mysuru, under the mentorship of Biomedical Engineering and Technology Innovation Centre (BETIC), IIT Bombay (IITB), Mumbai. MEDHA 2024 Stage-I was held on 21st and 28th September 2024 at JSS College of Pharmacy (JSSCP), JSS AHER, Mysuru in collaboration with SPARKLE

CINE (Centre for Innovation and Entrepreneurship), Mysuru. The event was hosted in association with JSS Medical College (JSSMC) & JSS Hospital, JSS Dental College & Hospital (JSSDC), School of Life Sciences, JSS Science and Technology University, and Sri Jayachamarajendra College of Engineering (SJCE), Mysuru.

1.4.3 Does your College & University organize trainings/ Programmes/workshops/awareness programs/Camp activities like NSS, Rotary and Red cross etc. **to improve access to basic services for all?**

(eg: empowerment programs for tribal population, women, school children, sanitary worker, police etc.)

Evidence: *(Weblink and documents supporting the activities, and brief report of the programs conducted to support above activities with the Photographs with high resolution-Kindly avoid inaugural function with lamp lighting ceremony details and photographs with high resolution)*

<https://jssuni.edu.in/jssaher/activities-and-events/ActivityAndEventList.aspx?CATCODE=NSS&OPTION=0>

Any other Comments: *The NSS Unit of JSS College of Pharmacy, Mysuru In association with JSS Hospital and College organized a Medical Camp on **21st Feb 2024** at Bidarahalli village, Sri Rangapatna Taluk, Mandya district Overall the medical camp benefited 250 villagers.*

1.4.3. Activities:

Street Play: The NSS Unit, JSS College of Pharmacy, Mysuru in association with the Department of Pharmaceutics organized a street play on Sustainable Development Goal-1(SDG-1) No Poverty by Thanushree and team (III B.Pharm), aimed at eradicating poverty, for the villagers of Bidarahalli village, Sri Rangapatna Taluk, Mandya district on 21st Feb 2024 at Gurumalleshwara Mata.

The street play portrayed a poor village family, who aspires to educate their children, but due to financial constraints they are unable to educate and feed them, despite the hardships they put their children's needs above theirs and secure their children's future by making sure they receive education.

1.4.4 Does your members of your College & University participate in **policy making individually or in association with organizations at local, regional, national and/or global level** to implement Programmes and policies to end poverty in all its dimensions?

1.4.4. Table.no.13 Committee members for IPA Mysuru

revolution and crime”
-Aristotle*

About the Goal 1 – No Poverty

Eradicating extreme poverty for all people everywhere by 2030 is a pivotal goal of the 2030 Agenda for Sustainable Development. Poverty Alleviation is the set of steps taken in an economic and humanitarian way for eradicating poverty from a country. According to the World Bank, if a person is living on \$1.90 a day or less, then he/she is living in extreme poverty, and currently, 767 million people of the world fall under that category. In India, Schemes like Pradhan Mantri Awas Yojana and Housing for All by 2022 were developed to provide housing to the rural and urban poor. The latest government schemes like Start-Up India and Stand Up India focuses on empowering people to earn their livelihood. Together, we can feed the hungry, wipe out disease and give everyone in the world a chance to prosper and live a productive and rich life.

TARGETS UNDER THE GOAL

OUR INITIATIVES

Supporting and Encouraging middle class and lower middle class students to avail for National, State and Institutional fellowship to carry out their research activities.

List of students receiving fellowships from various organization

Free Medical Health Check-up Camp

JSS College of Pharmacy, Ooty, organized a Free Medical Health Check-up Camp for students and faculties as part of its extension activities on 21.09.2024. The camp, led by Dr. Bhavesh (Government Hospital, Coonoor), offered essential health screenings including blood pressure, blood sugar, hemoglobin, thyroid, lipid profile, and ECG. Free medicines for minor ailments were dispensed, and students received medical advice with referrals for further care when required. Such camps play a vital role in promoting early diagnosis, health awareness, and preventive care among students, ensuring their overall well-being.

Medical examining by the doctor Dr. Bhavesh, MBBS., MD., Government Hospital, Coonoor.

The Lions Club of Otacamund Kings, in association with JSSCP, Ooty and IPA NLB, organized a special Diabetes Screening Camp at the ATC bus stand in Ooty town on 22 Nov, 2024, to commemorate World Diabetes Day. The camp provided free screenings and health checks, benefiting around 318 members of the public.

1. Our college implements a structured Mentor-Mentee System aimed at supporting students from economically weaker sections, particularly those in the bottom 20% income group.

1. Each student is assigned a faculty mentor who provides academic guidance, personal counseling, and career support.
2. Mentors identify at-risk students early and connect them to financial aid, book donations, poor child education funds, and other institutional support programs.
3. Students also receive health benefits such as health cards for JSS Hospital, free health camps, and health insurance coverage.
4. These measures collectively improve student retention and enable successful completion of studies, directly addressing on supporting low-income groups for equitable education access.

Health Walkathon

A group of 50 students from JSSCPO actively participated in a 5 km Health Walkathon, held in the early hours of the day, in collaboration with Thiru Ma. Subramaniam, Hon'ble Health Minister, Government of Tamil Nadu. The event aimed to promote public health awareness and community well-being. The walkathon also saw the participation of other prominent dignitaries including Sri N. Ram, Director, The Hindu, the Deputy Director of Health, and several district-level health officials. The event provided a platform for encouraging healthier lifestyles and underscored the importance of collective efforts in fostering community health.

World Immunization Week – 2025 (26th April 2025)

As part of World Immunization Week, JSS College of Pharmacy, Ooty, organized an outreach program led by Dr. Deepalakshmi M and Dr. Arun KP to promote health awareness among the community. Guests of honor, including Mr. Faisal and Rose Garden officials, were felicitated for their support in public welfare. The event featured talks on the importance of vaccination, preventive healthcare, and collective responsibility in building healthier communities. Free health screenings, including blood pressure, height, and weight checks, were provided to 35 participants, ensuring access to basic healthcare without financial burden. This initiative aligns with SDG Goal 1: No Poverty, supporting equitable healthcare access.

DHSMS

Brief of activities:

Curriculum enriched
with managerial
concepts and training

Hospital postings to help students to develop the skills for being work ready and understand its operations

Undertake various skill development training programs to enhance the skill set amongst students

Table 02: Activities conducted aligning to Goal 1

Table 02: Activities conducted aligning to Goal 1	
Curriculum	The curriculum is designed by incorporating subjects that focus on the full range of managerial roles, tasks and activities that are required by a new manager at work. The students are trained in the various concepts of management and the theories informing the practices. Students are also trained in managing both the resources and the staff that they responsible for the organization. It encourages the students to understand organizational development and change. Key management processes are

	explained in detail, including managing time, managing self, managing resources, staff development, budgeting and monitoring expenditure, managing communication as well as information technology.
Teaching & Learning	Hospital postings being an integral component of curriculum helps students to get a real exposure to health care delivery systems. Students have the benefit of hands-on-experiential learning by solving real-time problems and issues in healthcare facilities. The department also organizes visits to various hospitals and industries for enhanced hands-on learning about the advancements in their respective areas.
Activities related to the goal	Department of Health System Management Studies have undertaken several initiatives and worked towards addressing 'No Poverty'. Few of the initiatives included conducting entrepreneurship development workshop to facilitate start-up's, personality development and resume writing workshops to make the students job ready for corporate organizations, internship, and placement initiatives. <u>Entrepreneurship development program</u> Three-day Entrepreneurship Development Program (EDP), for two distinct batches of students of III semester of MBA (Hospital Administration), MBA (Pharmacy Administration), MSc (Nutrition & Dietetics) and MBA (Information Technology) was conducted from 2nd to 4 th December 2024 and 5th to 7th December 2024 respectively at SPARKLE CINE, Centre of Excellence in Entrepreneurship Development (CEED) in collaboration with the Department of Health System Management Studies of JSS Academy of Higher Education & Research, Mysuru. A total of 104 students participated from the two batches. The importance of entrepreneurship in present-day

	education cannot be overstated. In an era where innovation drives personal and national progress, cultivating an entrepreneurial mindset among students in higher education systems, is crucial and determines the outcome of educational institutions in preparing Job Providers rather than being a factory producing mere Job Seekers. The uniqueness of this program lies in the approach to fostering entrepreneurial spirit among students through hands-on, interactive sessions led by real-life entrepreneurs who engaged students in a dynamic learning model, guiding them in identifying societal problem statements and leveraging their formal education to innovate and develop product prototypes. This program aimed to instill within students the attributes necessary for entrepreneurial success. A key highlight of the program was the encouragement for students to create business model canvases for their innovations based on identifies problem statements. This not only allowed them to conceptualize their ideas thoroughly but also provided a platform for them to exhibit their soft skills in professional communication. The students were given the invaluable opportunity to pitch their startup prototypes, honing their ability to articulate ideas effectively and persuasively. 50 This hands-on, team-driven, and participative teaching methodology served as one of the effective modern education practices as the program not only immersed students in real-life challenges but also empowered them to apply theoretical knowledge in practical scenarios. Such an approach not only fosters innovation but also prepares students for the dynamic and competitive landscape of the professional world providing students with an education that goes beyond textbooks.
--	---

Personality Development Workshop

Soft skills are essential for personal and interpersonal abilities that shape how individuals communicate, collaborate, and adapt in various environments. They include communication, teamwork, problem-solving, and emotional intelligence, "each of which plays "a crucial role both in professional and personal success. As workplaces continue to advance,

	mastering soft skills enhances relationships, strengthens leadership, and improves overall effectiveness, making them vital for career growth and organizational success. The Department of Health System Management Studies organized a Workshop on Personality Development and Communicational Skills for 10 days from Dec 4, 2024, to January 8, 2025, for the students of the 1st-year MBA in Hospital administration, MBA in Pharmacy administration, and MBA in Information Technology. Mr. H.V. VISHVESH, 'ARIVU' Founder Director, conducted the workshop. 'ARIVU' follows the pedagogy of active learning i.e., experiential learning, and has the following ideas. ▪ Equip the participants with the desired 'Knowledge & wisdom' to face the challenges of competitive employability. ▪ Activity-based learning with proven methods to impart the desired skills. ▪ Rediscovering the joy of learning The workshop was conducted for 132 students on 1. Communication skills- Active listening, Effective speaking and Nonverbal communication 2. Teamwork - Collaboration, Conflict Resolution, and Empathy 3. Time Management - Prioritising tasks, Avoiding procrastination, and Managing deadlines 4. Leadership - Decision-making, Problem-solving, and Motivation
--	---

5. Presentation skills - Body language, tone of voice, and PowerPoint presentation.

The interactions were helpful to the students, they enjoyed the sessions. Students actively participated in all 10 days and showed interest in this learning opportunity. All were engaged in teams rather than individually to emphasize the importance of teamwork in any given setting.

At the end of the workshop, students were trained to carry away three things teamwork, assertiveness, & an attitude in behavioral management to use proper words & appropriate body language with the right tone.

The Dept. of Health System Management Studies organized a workshop on Communication & Behavioral Skills for 8 days from 16th May 2024 to 21st June 2024, (8 days) for the students of BBA Hospital & Health System Management.

The workshop was conducted by Mr. H.V. VISHVESH, 'ARIVU' Founder Director.

'ARIVU' follows the pedagogy of active learning i.e., experiential learning, and has the following ideas.

- Equip the participants with the desired 'Knowledge & wisdom' to face the challenges of competitive employability.
- Activity-based learning with proven methods to impart the desired skills.
- Rediscovering the joy of learning

The workshop was conducted for 28 students on

- Business Communication
- Body Language Listening Skills
- Presentation Skills
- Presentation Skills Questioning Techniques
- Decision making & Leadership skills.
- Assertiveness
- Time management
- Team Skills

The interactions were helpful to the students, they enjoyed the sessions. Students actively participated on all 8 days and showed their interest in this learning opportunity. All were engaged in teams rather than on an individual basis to emphasize the importance of teamwork in any given setting.

Student Career Orientation, Internships and Placement Drives

1. Novo Nordisk

We were honored to welcome the esteemed team from Novo Nordisk to our campus at DHSMS, JSSAHER in Mysore. The engaging discussions centered around potential collaborations and future opportunities, further strengthening the bridge between industry and academia.

Amit Kumar Das, Member of the India Board of Directors at Novo Nordisk, along with Sudeepta Mandal and Nitish from the HR Department, had insightful interactions with our students, providing valuable guidance on career preparedness and the evolving trends in the healthcare sector. Additionally, they engaged with the Dean and Placement Coordinator of DHSMS, exploring ways to enhance student placement and career growth opportunities. Their input is sure to inspire and empower our students as they gear up for successful careers in the industry.

This visit is a significant step towards fostering industry-academia partnerships, and we look forward to the exciting synergies that will unfold from this collaboration.

2. Realgliz Pharma

Realgliz Pharma, a reputed pharmaceutical company known for its innovation and quality, visited DHSMS, JSS Academy of Higher Education and Research (JSSAHER) for an engaging Career Orientation Program.

The event was organized to guide students on various career opportunities in the pharmaceutical industry. Eminent professionals from Realgliz Pharma interacted with the students, shedding light on current industry trends, emerging roles in regulatory affairs, pharmacovigilance, quality control, research & development, and sales & marketing.

During the session, the speakers emphasized the importance of skill development, continuous learning, and adaptability in the evolving healthcare and pharma landscape. They also shared valuable insights on how students can prepare for interviews, enhance their resumes, and make informed decisions regarding higher education and job roles.

The session concluded with a Q&A round where students actively participated and clarified their doubts about career paths, internships, and industry expectations.

The visit by Realgliz Pharma was highly motivating and informative, leaving students better equipped to plan their professional journeys in the pharmaceutical sector. JSSAHER extends heartfelt thanks to Realgliz Pharma for their time and contribution to student development.
