

JSS Academy of Higher Education & Research
(Deemed to be University) (Accredited A+ Grade by NAAC)

COMPENDIUM ON SDG-10

REDUCED INEQUALITIES

**Compendium of Activities in Achieving UN Sustainable
Development Goals**

2024-25

Programmes conducted / attended
(Guest lectures, CME, Seminar, Conferences)

1. Social Entrepreneurship Bootcamp by School of Public Health on 30th to 31st Jul.2024

2. Youth for Governance: My City Governance Conclave : 2024 by department of School of Public Health on 16-11-2024.

3. Prioritizing self-care! Empowering women, empowering minds by department of psychiatry on 23rd to 24th Nov.2024.

4. Screen time exposure in children: parental knowledge, attitude & digital practices by Clinical Psychology & Pediatrics on 28-08-2024.

5. Workshop on Role of Self-Care in Women's Mental Health by department of Clinical Psychology & Psychiatry on 22nd & 23rd Nov.2024.

6. CME ON Adult vaccination - Need for the day by department of Rheumatology on 30-06-2024.

7. Geriatric Nursing Assistant Certification Training Program for the housekeeping staff of JSSH by department of Geriatrics on 16-03-2025.

8. Continuing Nursing Education workshop for Nurses by department of Paediatrics on 24-04-2025.

9. Walkathon in connection with World Hearing Day. Theme for this year's World Hearing Day is "Changing Mindsets: Empower yourself to make Ear and Hearing care a reality for all" by department of ENT on 02-03-2025.

10. Interdepartmental program on Suicide prevention among mothers on occasion of Mother's day by department of psychiatry on 10-05-2025.

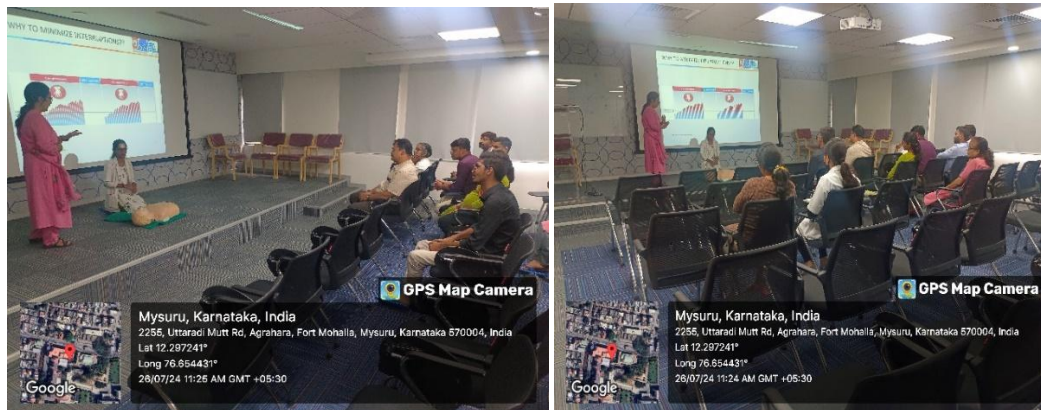

JSS Skill & Simulation Centre Activities report -

BLS Training for JSS School of Nursing students.- BLS Training for JSS School of Nursing students was conducted in the month of July 2024. 78 students attended the course.- 22-07-2024 to 25-07-2024

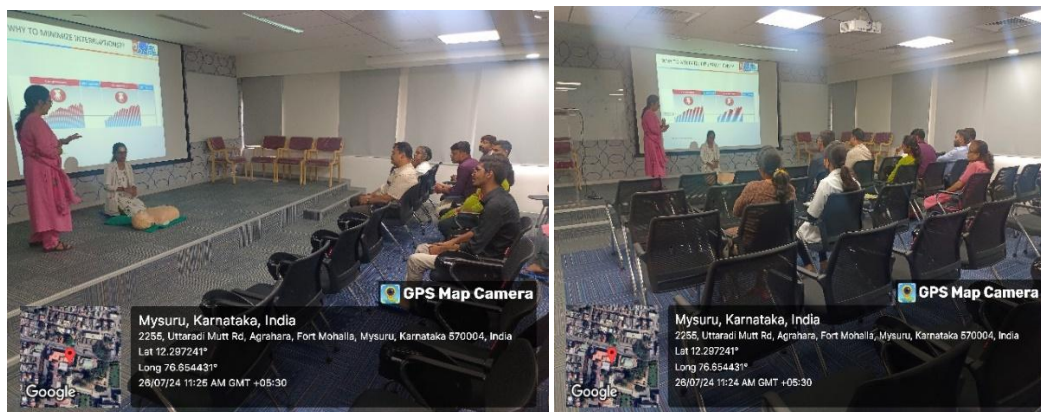

BLS class for Physical Medicine & Rehabilitation staff. - 26-07-2024

As a part of ongoing faculty training programme, first aid and BLS training was conducted. 11 staffs attended the course.

BLS class for Physical Medicine & Rehabilitation staff. - 18-10-2024

As a part of ongoing faculty training programme, first aid and BLS training was conducted. 11 staffs attended the course.

Paediatric procedural training workshop. - As a part of KARPEDICON, essential clinical skill training workshop was conducted by Paediatric team. 30 students across various medical colleges attended the course. - 18-10-2024

CPR Training for School children & Teachers. - 13.01.2025

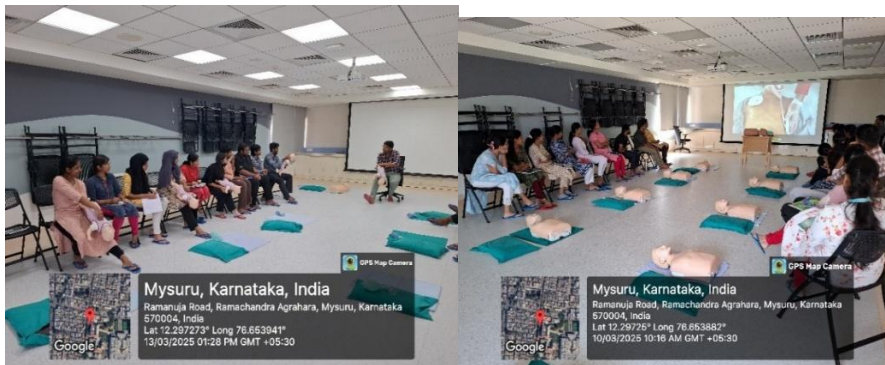

As a part of social responsibility JSS AHER Skill & Simulation center conducted CPR training to school teachers and high school children of police public school @ Nazarbad Mysuru on 13.01.2025.

The program was organized by rotary Mysuru through their school organization. Dr. Anil Kumar M R prof. Anaesthesia and Dr. Archana S chief coordinator skill lab and technical staff from simulation center participated in the CPR training program to give students & teachers hands – on training.

20 teachers and 50 students participated in the interactive training, and it was highly appreciated.

BLS Training for JSS college of Physiotherapy students. - BLS Training for JSS college of Physiotherapy BPT & MPT students was conducted in the month of March 2025. 76 students attended the course - 10.03.2025 to 13.03.2025

Awards, Achievements & Institution Accomplishments

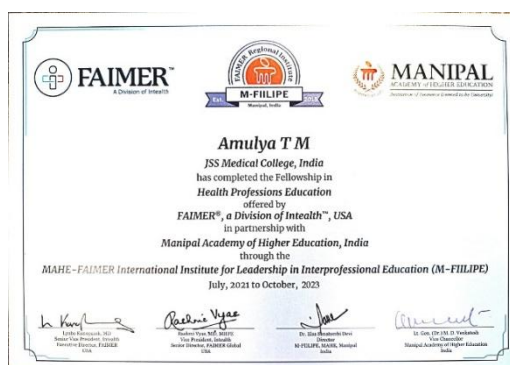

Dr. Divya P. Kumar, Associate Professor, Department of Biochemistry, JSS Medical College has been awarded the “Young Investigator Award” at the 32nd Annual Scientific Meeting of the Indian National Association for Study of the Liver (INASL), Le Meridien, Kochi, Kerala during 7th to 10th August 2024.

Dr. Rajesh Kumar T., Professor, Department of Biochemistry awarded Sir C.V. Raman State Award for “Young Scientists” for the year 2022 in appreciation and recognition of his outstanding contribution in the field of Medical Sciences, award issued by Karnataka State Council for Science and Technology, Bangalore on 26th September 2024.

Dr. Lakshmi Nagendra, Associate Professor of Endocrinology received Novartis “Young Investigator” Award issued by Research Society for Study of Diabetes in India, New Delhi on 15th November 2024.

Dr. Amulya T.M., Assistant Professor, Department of E.N.T. has completed the Fellowship in Health Professions Education offered by FAIMER® a division of Intealth™, USA in partnership with MAHE, India through the MAHE-FAIMER International Institute for Leadership in Interprofessional Education (M-FILIPE) from July 2021 to October 2023.

Bharathwaaj Gunaseelan, Ph.D. Scholar, Department of Biochemistry has been awarded the Young Scientists Junior Award in Experimental Nutrition Category at the 56th Annual Conference of the Nutrition Society of India Theme : Transdisciplinary approaches in addressing Nutrition Challenges held at the Symbiosis School of Culinary Arts & Nutritional Sciences (SSCANS), Constituent of Symbiosis International (Deemed University), Pune on 14th & 15th November 2024.

Medha Karnik S R, Ph.D. Scholar, Dept. Of Biochemistry has secured “Young Researcher” Award 2024 for excellence in research work presented at Fifth Science conclave-cum-NBRCOM 2024 held from 1st to 3rd December 2024 organized by AIIMS, New Delhi Special Centre for Molecular Medicine (SCMM), JNU, New Delhi.

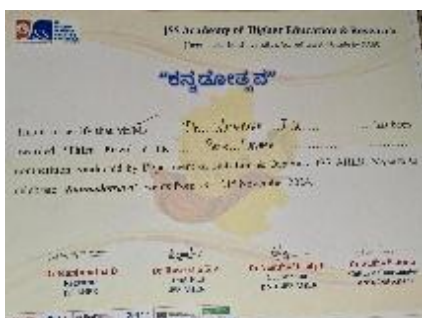

Dr.Ancu R.Nath, PG Student Dept. f Community Medicine has won second prize in oral – II research paper session titled Nourishing recovery: a comprehensive assessment of dietary practices and nutritional status in tuberculosis patients at the dots centre in Mysuru, India in Second Online National Conference Nutrition and Health 2024 held on 30th Sept.2024 & 1st Oct.2024 organized by Centre for Nutritional Health, Department

of Community and Family Medicine, AIIMS Mangalagiri, Andrapradesh.

Dr.Shivani A., School of Public Health received First Prize in Classical Solo Singing and Bhavageethe singing at Kannadotsava event at Nutrition and Dietetics Department, JSS AHER, Mysuru on 19th November 2024

Dr. Niharika TJ, 1st sem, School of Public Health received Third Prize in Book Review, at Kannadotsava event at Nutrition and Dietetics Department, JSS AHER, Mysuru on 19th November 2024

Ms.Likitha VK, 1st sem, School of Public Health received Second Prize in Pick & Speak at Kannadotsava event at Nutrition and Dietetics Department, JSS AHER, Mysuru on 19th November 2024

Reaching the tribal communities

Dr.Deepa Bhat, Professor of Anatomy and Certified Genetic Counsellor, JSS Medical College, Mysuru is co-authored in the Lancet Regional Health – Southeast Asia.

This pioneering work introduces the first validated stigma scale from India for individuals living with sickle cell disease (SCD) and their caregivers — a timely and much-needed tool to inform inclusive public health policies and community engagement.

Developed under the leadership of Dr. Bontha V. Babu and supported by the ICMR National Task Force Project (Socio-Behavioural Research Division), the ICMR-SCD Stigma Scale for India (ISSSI) was built through rigorous fieldwork across six tribal regions, with JSS Medical College contributing as one of the core institutions.

Dr.Deepa Bhat, Professor of Anatomy and Certified Genetic Counsellor, JSS Medical College, Mysuru was felicitated by His Highness Yaduveer Krishnadatta Chamaraja Wadiyar, Member of the Lok Sabha for her contribution towards persons with blood disorders during the Regional workshop conducted by the Hemophilia Federation of India (HFI) on 28-12-2024.

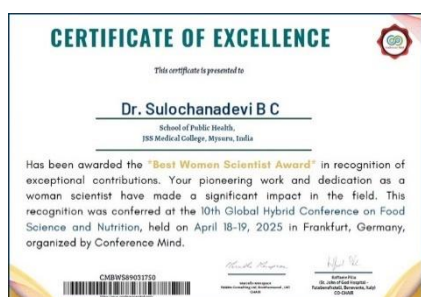

Dr.Deepa Bhat, Professor, Department of Anatomy has been awarded as Women Achiever on 8th March 2025 at JSS Medical College, Mysuru on occasion of Women's Day for her extensive contributions towards sickle cell disease in tribal population.

Dr.Divya P.Kumar, Associate Professor, Department of Biochemistry has been awarded as Women Achiever on 8th March 2025 at JSS Medical College, for her dedicated contributions towards research and publications on occasion of Women's Day.

Dr.Preethi S.P., Professor of General Surgery Felicitation on the occasion of International Women's Day at Indian Medical Association, K.R.Nagar on 22nd March 2025

Dr.Sulochanadevi B.C., Asst. Prof. of School of Public Health has been awarded the Best Women Scientist Award in recognition of exceptional contribution. This recognition was conferred at the 10th Global Hybrid Conference on Food Science and Nutrition., held on 18th & 19th April 2025 in Frankfurt, Germany, organized by Conference Mind.

Dr.Anchu R.Nath, Postgraduate, Dept. of Community Medicine, JSS Medical College, Mysuru, Awarded Best Oral Paper of the session Title: "Prevalence and Determinants of Acute Respiratory Infection in Children Under Five in Rural Mysuru: Insights from a Cross-sectional Study is recognised as an Outstanding article in the Global Journal of Medicine and Public Health" award issued by Global Journal of Medicine and Public Health at Aligarh on 15th February 2025 (Online)

New Infrastructure Facilities Created for reducing inequalities

1. The 'JSS - Vayah Vikas Nodal Centre'

'JSS - Vayah Vikas Nodal Centre' (Activity centre for elderly) was inaugurated by the His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji in the Department of Geriatrics, JSS Hospital on 26th November 2024. Dr.C.G.Betsurmamath, Executive Secretary, Sri S P Manjunath, Secretary 1, JSSMVP, Dr.H.Basavana Gowdappa, VC- JSSAHER , DME

Mr.Mahesh, Medical Superintendent, Dr.Madhu C.P., Chief Engineer Sri Bennur, Dr.Naveen, Deputy Medical Superintendent were present during the inauguration. Vayah Vikas operational Head Mr Shankar and advisor Mr Srinivas were present. Dr.Pratibha Pereira, HOD of Dept. of Geriatrics is the team lead. Dr.Shilpa Avarebeel, Associate Professor, co ordinated and briefed the activities held at the centre. Dr.Tejaswini C.J., Dr.Kshama, Dr.Ajay Sharma, Postgraduates of the Dept. of Geriatrics Dr.Charan, Dr.Rajath, Dr.Abhilasha, Dr.Greshma, Dr.Ashritha and Dr.Ramprasad extended their Support for the initiative. This facility of counselling, educating & activity centre can be availed by all the elderly.

Activities of Academic Society

1. A cross sectional study of evaluating sexual dysfunction in females with SLE by Dr. Dr.Monisha I.N., Dept. of Pharmacy Practice on 14-03-2025.
2. Artificial Intelligence (AI) in Medicine and Health care inequalities by Prof. Tonny Veenith, Professor of Anaesthesia and Intensive Care Medicine, University of Wolverhampton, U.K on 21-03-2025.

OUTREACH & EXTENSION ACTIVITIES

“TOBACCO ADDICTION, CHILD LABOUR AND CHILD MARRIAGAE” : YOUTH CAMPAIGN – 10-08-2024

To make our 78th Independence Day Celebrations more meaningful, the Ministry of Health and Family Welfare insisted on a series of awareness programs titled **“Tobacco Free Youth Campaign 2.0”** to educate and empower the young generation of India to resist or quit tobacco usage in any form. India is the second largest consumer of tobacco globally, and accounts for approximately one-sixth of the world's tobacco-related deaths. The tobacco problem in India is peculiar, with the consumption of a variety of smokeless and smoking forms. In this regard, the NSS unit, JSS Medical College, AHER Mysuru organized community outreach camps at local government high schools.

The day one program was conducted in the Govt. High School, Udbur village, HD Kote Road, Mysuru, was held on the 9th Friday, August 2024 and on second day programme was held on the 10th Saturday, August 2024. The program was organized in Govt High School Kuvempunagar, Mysuru. The main topics of the awareness campaign covered during these events included, **“Awareness Against Tobacco and Alcohol.”**

“Awareness Against Child Labours’ and ‘Awareness Against Child Marriage.’ Mr. Sourav. Ms. Sanya Sathish, Ms. Gopika, Mr. Adwaith, Ms. Evana, Mr. Veeresh, Mr. Chiranth, Ms. Aishwarya, Mr. Rahul, Ms. Ananya, Mr. Aayush, Mr. Dipayan Saha, and Mr. Vishnu, all second-year B.Sc. NSS student volunteers from the division of Allied Health Science took active and enthusiastic participation in organizing, conducting, and coordinating the whole event successfully. High school students who were our target population of the program took an active participation in the whole program.

Both events started with an introductory remark about the motto of NSS activities and, the importance of social awareness among youth was followed by welcoming the Headmistress, the other teachers, and students of the school. NSS volunteers, Sowrav, Sanya, Veeresh, and Chiranth addressed the gathering with each concept; they highlighted the consequence of the use of “Tobacco, Alcohol, and Drugs,” and its impact on society and the responsibility of their parents was very much stressed. They discussed how to fight the

odds and how to help others to overcome those addictions.

To sensitize the students’ self-consciousness and not to attract them towards such menace, the students were administered the oath by the physical education teacher was one of the main highlights of the events.

Mr. Veeresh spoke about the pervasive issue of child labour, including its impact on physical health, education, and prospects. He highlighted global and local statistics and the legal frameworks combating child labour. NSS volunteers stressed about child labour and its legal consequences. Subsequently, it was followed by an awareness speech about child marriage.

Volunteers used various charts and visual aids to present key statistics, facts, slogans, and pictorial representations of the topics being discussed. These aids helped in visualizing the severe effects of the issues at hand. As we concluded the two-day NSS camp, we were filled with a sense of accomplishment and hope. By engaging with the students of different schools, a small but a significant step towards creating a healthier, safer, and more equitable society was initiated.

Democracy Day – 15-09-2024

Democracy is a system of government where citizens directly or indirectly decide on laws, policies, leadership, and major undertakings. Essential elements of democracy include freedom, respect for human rights, and periodic elections. To underscore our democratic values, with the vital support from the district administrative office, Mysuru, on September 15, 2024, JSS Medical College, celebrated the “**Democracy Day**” by creating Human Chain near Manipal Hospital in Mysore. This was a memorable event involving the citizens of whole Karnataka staring from Bidar district to Chamarajanagar district. Volunteers from the National Service Scheme (NSS) along with the Vice-Principal Dr Suma M.N. JSS Medical College participated in the program in association with the government officials, Mysuru, Karnataka. They formed a human chain to demonstrate their commitment towards understanding the Indian democratic values and sensitizing the public in this regard. The event commenced at 9:00 AM and was attended by the Deputy Commissioner (DC) and other various officials of Govt. of Karnataka and programme ended at 10 AM.

The human chain formation was captured by a drone camera, offering a comprehensive aerial view of the human chain. To further commemorate the occasion, participants sang the state song of Mysore, which added a regional cultural dimension to the event. This initiative effectively highlighted the university’s dedication to democratic principles and engaged the community in celebrating and reinforcing democratic values.

Oath taking on voluntary blood donation day – 01-10-2024

On October 1st 2024, as part of National Voluntary blood donation day, NSS JSS Medical College, Mysore, organized an Oath taking ceremony for the II phase MBBS students at Gallery 6 at 8:30 am. Around 200 medical students participated and took oath voluntarily to donate blood for the needy. The students were made aware about the importance of blood donation and also encouraged to contribute to the health and well-being of millions of people around the world and to promote a culture of regular blood donation among the Youth to increase the diversity and sustainability of the blood donor pool. The programme was coordinated by Dr Manu G, NSS Programme Officer, JSS Medical College, Mysore.

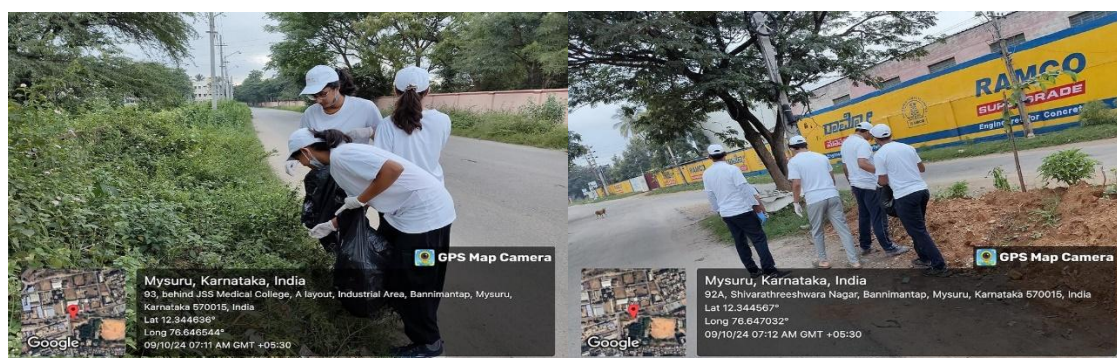

Swachhata Hi Seva – 09-10-2024

NSS organized a Swachh Bharat cleanliness drive, aimed at promoting hygiene and environmental awareness with the students at JSS Medical College on October 9, 2024. The event commenced at 6:30 AM and witnessed enthusiastic participation from 30 students, who were eager to contribute to this noble cause.

Equipped with T-shirts, caps, and gloves provided by the college, the participants gathered behind the college premises, extremely enthusiastic. Under the guidance of esteemed faculty members - Dr.Manu G, Mr.Manjunath and Mr.Venkatesh, the students divided into groups, efficiently cleaning the area. The enthusiasm was palpable as everyone worked together, fostering a sense of teamwork and responsibility towards the environment.

Throughout the morning, the students collected and filled numerous garbage bags, clearing the area of plastic waste, wrappers, and other debris within the JSS Hostel campus and also outside the campus. This hands-on experience not only enhanced the students' understanding of the importance of cleanliness but also highlighted the significant impact collective action can have on maintaining a sustainable environment.

The drive concluded with a brief reflection session, where participants shared their experiences and discussed the need for continued efforts in promoting cleanliness. This initiative by NSS aligns with the broader goals of the Swachh Bharat mission, inspiring future generations to prioritize cleanliness and environmental stewardship. The event was a resounding success, leaving a lasting impression on both the students and the community.

CONSTITUTION DAY - 26-11-2024

The Constitution Day (*Samvidhāna Divasa*), also known as "National Law Day", is celebrated in [India](#) on 26th day of November every year to commemorate the adoption of the [Constitution of India](#). On 26 November 1949, the [Constituent Assembly of India](#) adopted to the Constitution of India, and it came into effect on 26 January 1950.

The "75th Constitution Day" was observed in JSS Medical College, on 26th November 2024 to commemorate the adoption of the [Constitution of India](#). The event was witnessed and supported by the principal Dr. Basavana Gowdappa, vice-principal Dr Praveen Kulkarni, JSS Medical College, Mysuru and Assistant administrative officer of JSS Medical College Ms. Shilpa. Dr Praveen Kulkarni, Vice Principal addressed the gathering by emphasising the importance of Constitution day. He mentioned that celebrating National Constitution Day keeps us connected and pays tribute to the father of the Indian Constitution, Later, the "Constitution Day" oath was administered by NSS Programme Officer, Dr Manu G during the event. We would like to thank all authorities of JSS Medical College and all teaching and non-teaching faculty for their cooperation and participation in this event.

Oath taking on National Voter's Day – 25-01-2025

January 25th is celebrated as National Voter's Day and this time is the 15th National Voter's Day on 25th January 2025. The theme of NVD celebrations for this year is "NOTHING LIKE VOTING, I VOTE FOR SURE". In commemoration of National Voter's Day, NSS wing JSS Medical College, Mysuru, organized oath taking ceremony for the II phase MBBS students at Gallery 4 at 3pm. Voter's pledge is taken by the voters in favour of ethical voting upholding the democratic traditions of the country and the dignity of free, fair & peaceful elections. Around 200 medical students participated and took the voter's pledge voluntarily. The programme was coordinated by Dr Manu G, NSS Programme Officer, JSS Medical College, Mysuru.

Pledge in the support of "Operation Sindoor" by Mysuru Doctors

As a part to support "**Operation Sindoor**", Mysuru Doctors stand with Bharat Defence Forces & Government of India by taking pledge on 14th May 2025 at Kote Anjaneya Swamy Temple, Opp Mysuru Palace. This event was organized by JSS Academy of Higher Education & Mysore, Gopal Gowda Shantha Memorable Hospital, Mysuru and Cauvery Heart and Multi-Speciality Hospital, Mysuru. The event was presided by His Highness Yaduveer Krishnadatta Chamaraja Wadiyar, member of the Lok Sabha, Mysuru-Kodagu, Dr.Basavana Gowdappa H., Vice-Chancellor, JSSAHER, Mysuru, Dr.Praveen Kulkarni, Vice Principal (Para clinical), JSSMC, Mysuru along with Doctors from various Hospitals of Mysuru. The event was supported by NSS wing of JSS Medical College with NSS volunteers and faculties. The programme was co-ordinated by Dr.Manu G., NSS Programme Officer, Mr.Manjunath H.N. and Mr.Venkatesha, Assistant NSS Programme Officers, JSS Medical College, Mysore.

World Environmental Day – 05-06-2025

A healthier environment is the need of the hour and we must not make any more delays. World Environment Day (WED) is celebrated to encourage and create awareness and to take appropriate action for the protection of the environment. In this regard to NSS unit JSS Medical College, Mysuru, conducted the sapling plantation program on 5th June 2025 in the JSSMC campus garden. Faculty and NSS student volunteers actively participated and witnessed the event.

Dr. Narayanappa D, Principal of JSS Medical College, Dr. Suma M.N., and Dr. Praveen Kulkarni, Vice-Principals of JSS Medical College, and Mr. Sathish Chandra, Administrative officer, Mrs Shilpa, Assistant Administrative Officer of JSS Medical College, Sports director Mr Lokeshappa H, planted Jackfruit saplings in the garden to mark this event. This program was coordinated by Dr Manu G, NSS Program Officer, JSS Medical College, Mysuru.

World Blood Donors Day 2025 – 13-06-2025

"Give blood, give hope, together we save lives"

"World Blood Donor Day" is celebrated on the 14th of June every year. This day focuses on drawing the public attention towards the importance of donating the blood for a noble cause. The programme was first initiated in 2004 by the World Health Organisation (WHO). The event serves to raise awareness of the need for safe blood donation and encourage and thank voluntary blood donors for their life-saving gifts to others. Every year, a new slogan/theme is associated with WBDD to encourage blood donors worldwide. **"Give blood, give hope, together we save lives"** is the slogan for WBDD for the year 2025.

In this connection, the NSS Unit of JSS Medical College, Mysuru, jointly with Blood Bank, Department of Pathology JSS Hospital Mysuru organized the **"World Blood Donors Day 2025"**

on 13th June 2025 in the Clinical Physiology Lab. The program was inaugurated by Dr Narayanappa D, Principal JSSMC, Mr. Satish Chandra, Administrative Officer, JSSMC. Other dignitaries of the event were Dr. Pallavi Prakash, Blood Bank Officer, JSS Blood Bank. Dr Narayanappa D and Mr. Sathish Chandra motivated our student fraternity by reiterating the importance of blood donation as a noble social service to save the lives worldwide.

More than 70 student volunteers registered for the blood donation drive. They underwent initial screening for fitness; among them, 43 students were found eligible for blood donation event. Dr Shivaprakash, Associate Professor, Department of Anatomy encouraged students by donating blood.

Sixteen NSS volunteers from JSS Medical College coordinated the event. The overall program was coordinated by Dr. Manu G (NSS Programme Officer, JSS Medical College) and Mr Manjunath H N and Mr Venkatesha (Assistant NSS Programme Officer, JSS Medical College).

National/International Days Celebrated:

Observation of Leprosy day – 17-01-2025

Department of Community Medicine, JSSAHER, conducted an awareness programme on the occasion of World Leprosy Day- 2025 on theme “Unite. Act. Eliminate” at Manjunathpura. Dr.H.V. Rama, LMO, JSS UHC delivered a talk on Leprosy, causes, mode of spread, treatment and prevention. The talk was followed by interactive session.

Smt. Girija, Training Faculty, 18 women beneficiaries of Tailoring course participated.

Sri. Santhosh, JHI, coordinated the event.

HEALTH DAY OBSERVATION – 24-01-2025 (Cervical Cancer Awareness Month)

As a part of the health day observation, during the month of January, the students from I and III Semester of Masters of Public Health, under the guidance of Ms. Sheeba B, Assistant Professor, were able to visit the JSS Radio Station FM 91.2 and deliver awareness on cervical cancer and about HPV vaccination, through a script that was prepared and recorded for telecasting through means of mass media communication with the help of JSS radio station.

On the 24th of January 2025 from 12:30 PM to 3:30 PM we were given an opportunity to visit the JSS community radio station at JSS College of Arts, Commerce and Science to record the script for delivering awareness for cervical cancer day awareness month. Overall this visit was a very good experience where we got the opportunity to observe the health day for cervical cancer awareness month and understand the importance of mass media communication. It provided

valuable insights into the impactful work being done by the media for the health and well-being of the community.

National Girl Child Day – 24-01-2025

The School of Public Health, JSS Medical College, JSSAHER, observed National Girl Child Day on 24th January 2025 at Government Primary and Secondary School, K R Mill Colony, Siddalingapura, Mysuru. An awareness session along with interactive activities was organized to promote education, rights, and the overall well-being of the girl child. The event also aimed to raise awareness about issues such as gender inequality, limited access to education, and social discrimination.

Activities Conducted

The session began with a talk highlighting the significance of gender equality, focusing on how everyone can contribute to a more inclusive and fair society. Discussions included the importance of education, health, equal opportunities, and the critical role of

community support in empowering girls. An interactive quiz on women achievers was conducted to inspire students and engage them in a fun, educational manner. This sparked thoughtful participation and motivated students to dream big and break barriers. The event ended with a pledge to promote respect and equality for girls, followed by a vote of thanks from Dr. Pavan KH, acknowledging the team's efforts and the students' enthusiasm. An information booth was also set up for community queries, and the event concluded with a group photo to commemorate the spirit of the day.

World Cancer Day Guest Talk – 04-02-2025 Theme : united by Unique

To commemorate World Cancer Day 2025, the School of Public Health hosted a guest talk titled “The Power of Early Detection: Advances in Cancer Screening and Prevention.” The session aimed to raise awareness about the significance of early cancer detection, prevention strategies, and recent advancements in screening technologies.

Dr. Srinidhi, Assistant Professor, Department of Surgical Oncology, Mysore Medical College and Research Institute, highlighted the importance of a people-centered approach to cancer care. He emphasized the role of early detection and lifestyle changes in reducing cancer risk. Key prevention strategies discussed including maintaining a balanced diet, regular physical activity, avoiding tobacco and excess red meat, and receiving vaccines like HPV and Hepatitis B.

Screening Advances Covered:

Breast Cancer: Mammography and self-examination

Prostate Cancer: PSA testing

Lung Cancer: Low-dose CT for high-risk groups

Dr. Srinidhi also stressed that cancer is influenced by both lifestyle and genetic/environmental factors. His presentation underlined the need for proactive healthcare, timely interventions, and greater public awareness to combat cancer effectively. The session was insightful and underscored the critical role of prevention and early diagnosis in cancer care. It resonated with the global call for collective action and reaffirmed the significance of accessible, patient-focused screening innovations.

World Cancer Day – 04-02-2025

‘**World Cancer Day**’ the Department of Oncology organized on 04.02.2025(Tuesday) at 10AM in the Main Lobby of the JSS Hospital, Mysuru.

Programme was inaugurated by Maduri Thathachari, the following dignitaries were present Dr.H.Basavana Gowdappa Vice Chancellor, Dr.C.P.Madhu Director, Dr.Manjunath, Dr.Ravi Krishnappa, Dr.Kiran P.K., Dr.Sumith S.Deep. Around 25 Cancer Survivors were felicitated, and 5-10 Cancer Survivors spoke about their experience of Survivorship.

Health Day Observation – 14-02-2025

As part of the Health Day observation on 14th February 2025, students from Group 5 of the Master of Public Health program, under the guidance of Dr. Divya K. L., Assistant Professor, visited the Government Blind School in Tilak Nagar. The visit aimed to promote awareness on inclusivity, provide information on relevant government schemes and programs, and engage students and staff in interactive activities.

World Braille Day is an international day observed on 4th January and express awareness of the importance of braille as a means of communication in the full realization of the human rights for blind and visually impaired people. The date for the event was chosen by the United Nations General Assembly via a proclamation in November 2018, and marks the birthday of Louis Braille, creator of this writing system.

The theme of this year braille day is “**celebrating accessibility and inclusion for the visually impaired**”. The initiative aimed to create an engaging and enriching experience by incorporating interactive activities designed to enhance cognitive and social skills.

The session included stimulating activities to encourage participation and learning in a fun, supportive environment. Additionally, the department conducted an informative session on various government schemes and welfare programs available for visually impaired individuals under **Rights of persons with disabilities (RPwD) act**. They provided insights into policies that support accessibility, education, and employment opportunities, fostering awareness and empowerment among the participants.

The program emphasized inclusivity, cognitive and social skill development of the visually impaired students and staffs of the respective school.

Race for 7 – 10th Edition | Mysuru – 23-02-2025

Uniting for Rare Diseases Awareness at JSS Medical College

The 10th edition of ORDI’s Race for 7 was successfully conducted at JSS Medical College, Mysuru, marking a decade of impactful efforts in raising awareness for rare diseases. This annual event serves as a beacon of hope, unity, and advocacy, symbolizing the 7,000+ rare diseases affecting millions worldwide. With 340 participants, the event was a testament to the collective commitment toward early diagnosis, accessible treatment, and policy support for individuals and families battling rare conditions.

A Gathering of Experts & Advocates

The event was graced by esteemed dignitaries from academia, healthcare, and policy sectors, demonstrating their unwavering support for the rare disease community:

- Dr. B. Manjunatha, Registrar, JSS Academy of Higher Education & Research (JSS AHER)
- Mr. Jayaram Pranada, President, GSSS Mysore
- Dr. Mallika, Deputy Director, Department of Health & Family Welfare (DHFV)
- Dr. Prashant Vishwanath, Dean, Research, JSS AHER
- Dr. Akila Prashanth, Head of Genetics, ORDI
- Dr. Praveen Kulkarni, Vice Principal, JSS Medical College
- Dr. Deepa Bhat, Genetic Counselor, JSS Medical College & ORDI

Their presence underscored the growing collaboration between medical institutions, advocacy groups, and government bodies in addressing the challenges faced by rare disease patients in India.

The Race That Stands for Rare

The event kicked off in the early morning at JSS Medical College, Bannimantap, with enthusiastic participants, including students, healthcare professionals, rare disease advocates, and members of the general public. The 7 km run, symbolic of the 7,000+ rare diseases worldwide, saw individuals from diverse backgrounds come together to spread awareness, support patient advocacy, and inspire inclusivity in healthcare.

One of the most heartwarming moments was the participation of rare disease warriors, particularly individuals battling Spinal Muscular Atrophy (SMA) and Amyotrophic Lateral Sclerosis (ALS). Their resilience and determination served as a powerful reminder of the need for continued research, treatment accessibility, and community support.

The success of Race for 7 in Mysuru would not have been possible without the dedicated efforts of volunteers, organizers, and supporters. A special mention goes to:

- Volunteers from Mahajana College & Decathlon, whose commitment to community service made event coordination seamless.
- Radiant Sports & ORDI Team Members (including Nisha Madhura, Narasimha Murthy, Mithra, and others) for their tireless efforts in logistics, awareness campaigns, and participant engagement.
- Medical & Support Teams, ensuring the safety and well-being of all participants.

Their combined efforts reflected the true spirit of solidarity and empowerment, key to the rare disease movement.

World Hearing Day – 02-03-2025

The Department of ENT, Head and Neck Surgery, JSS Hospital, Mysuru in association with Association of Otolaryngologists of India, Mysore branch, Indian Speech Language and Audiology Association, Mysuru chapter, MMCRI, Manipal Hospitals, Apollo Hospitals, JSSISH and AIISH together organised a Walkathon on 2nd March 2025 from Kote Anjaneya Swamy Temple, Mysuru Palace in connection with World Hearing Day. This program will unfold in Chamaraajanagar and Mysuru districts in collaboration with JSS College of Nursing and JSS School of Nursing. Underprivileged women will be provided education about menstrual hygiene and free access to menstrual cups that is environment friendly, cost-effective and can be utilised for 5yrs to 8 yrs.The program is funded by Minds United Trust and Infosys Foundation. The research aspects related to the program will be lead by multidisciplinary team coordinated by Dr M Kishor, MBBS MD, Prof & HOD, Psychiatry Department, JSSMC, JSSAHER. More than 40 women will benefit from 1st phase of Program that began on 11th March 2025.

International Women's Day – 08-03-2025

International Women's Day, March 8th, gives opportunities to highlight and engage women in all fields of science and society. As the society advances, lack of social bonding in joint families

break and more women in urban areas in their 70s are entering institutional care, where new bonds develop and more focused approach to quality of life emerges. Elderly muscle strength, Cognitive function and oral health are linked in complex way for optimal mental and physical health. Dr.M Kishor, MBBS MD Professor of Psychiatry & Head of Department, JSS Medical College, JSSAHER. Dr Sowmya S, Dept of

Prosthodontics, JSS Dental College, Dr Surabhi, PG Resident in Biochemistry under guidance of Dr Kusuma KS, MBBS MD Associate Prof of Biochemistry, JSS MC, jointly worked with Sevayanaya Trust, Mysuru to conduct meaningful health awareness interactive program for exclusively elderly women. More than 70 women participated on 8th March 2025.

International Women's Day Celebration – 08-03-2025

Women's Day was Celebrated on 8th March 2025 in Department of radiology Seminar room. The Department of Radiology celebrated International Women's Day on March 8th 2025 with enthusiasm and pride. The event aimed to honor the strength, resilience and achievements of women in the field of radiology. A special welcome address by the Head of the Department emphasized the importance of gender equality and inclusion. Inspiring speeches by women faculty members highlighted their journeys and contributions. All women staff members not just doctors but also our nursing staff, radiology technicians, typists, clerks and porters were recognized and appreciated with tokens of

gratitude. The atmosphere was filled with positivity, unity, and inspiration. The event concluded with a group photo and refreshments, leaving everyone with cherished memories.

World Kidney Day – 13-03-2025

Celebrated World Kidney Day with Walkathon creating awareness regarding renal disease on 13/3/2025, in association with Mysore Nephrology Association at JK Ground, Mysuru

Autism Awareness Day – 02-04-2025

On 2nd April 2025, the Faculty of Occupational Therapy organized an Autism Awareness Day program to mark World Autism Awareness Day. The event was designed to educate and raise awareness about autism spectrum disorder (ASD) among parents, staff, and interns. The program aimed to inform parents about autism, offer them resources and strategies to support their children and provide an interactive environment for learning. The program was attended staff members, interns, and parents along with their children, creating a collaborative atmosphere for both learning and sharing experiences.

The event began with a **welcome address**, coordinated by one of the interns. The intern warmly greeted all attendees, thanking them for their participation in the Autism Awareness Day program. The intern briefly explained the significance of the day, a short video on autism awareness was played and highlighted the goal of raising awareness about autism spectrum disorder. **Dr.Amitabh Kishor Dwivedi** explained the crucial role in supporting children with autism and their families. He emphasized the department's commitment to providing specialized support to children with autism through occupational therapy. He also spoke about the various signs and symptoms of autism, stressing the importance of early detection and intervention. He encouraged parents to be proactive in seeking therapy and support.

A short autism awareness video was shown to the attendees which aimed to educate parents and the wider audience about autism spectrum disorder, highlighting the challenges faced by children with ASD, the importance of early diagnosis, and the role of therapy in helping these children lead fulfilling lives. The video also featured inspiring stories of families who shared their experiences of raising children with autism, demonstrating the positive impact of intervention and community support. After the video, the attendees engaged in a series of interactive activities that were designed to promote sensory awareness, fine and gross motor development, and social

interaction. These activities were tailored to both children and parents, fostering a supportive environment for learning through play.

This was followed by **Interactive Activities like musical sensory mat**, where children were encouraged to walk or jump on the different textured sensory mats which it provided parents with an understanding of how sensory experiences can impact children with autism, **Hand Print on Banner:** were children and parents worked together to create a handprint banner to foster a sense of belonging and unity among the parents, children, and faculty. **Fun Gross Motor Games:** To promote physical activity and gross motor skills, the attendees participated in a series of fun gross motor games which helped children with autism develop coordination and physical strength.

INTERNATIONAL STUDENT CELL COMMITTEE

Objective of International Student Cell Committee

- a) The International Student Cell Committee is constituted with the purpose to take utmost care of international students during their stay, from the time of their admission to completion of their study
- b) To promote cordial student-student and student-teacher relationships.
- c) The committee would work to ensure support and integrate international students into various events of the institution.

Standard Operating Procedure

The Committee shall,

- i. Refer to the updated UGC guidelines for Admission of International Students periodically.
- ii. Shall get the details of international students admitted to B Sc, M Sc and MBBS Courses every year and coordinate with the related departments.
- iii. Shall sensitize the newly enrolled international students on the existence, functioning and role of the cell and also share with them the mode of contact in case of grievance.
- iv. Conduct two/three meeting in a year in the presence of the Student Representatives to cater to their grievances.
- v. Integrate International Students into the college premises and activities without any obstacles.
- vi. Address the grievance of International students with respect to Academics, Accommodation, Admission, Evaluation or any other issues during their stay.
- vii. To provide the Students with information about the local customs, language and civic facilities.

Mode of Contact

- i. Drop boxes have been installed at various places in the campus and hospital to facilitate the students report complaints, grievances as well as their suggestions.
- ii. International students are provided with contact numbers of the committee members to facilitate 24/7 assistance in case of emergency and also encouraged to directly contact the Member Secretary in case of grievance.
- iii. Once the grievance is received the issue will be resolved under the guidance of Principal and if necessary, relevant committees would also be involved. On redressal of the issue, the information will be communicated to the concerned student and University.

OPEN AND DISTANCE LEARNING (ODL)

ODL has had a global impact as an effective instrument for educational empowerment of diverse learners deprived of the formal 'face-to-face' education for a variety of reasons. By utilizing cutting-edge technology, ODL has the potential to provide education to anyone, anywhere. This is a blessing for those who reside in terrains that are difficult for instructors to reach. The JSS AHER ODL was established in 2017 to provide health sciences-related courses.

with a Master of Science in Environmental Sciences program, two Postgraduate Diploma programs, and one certificate program. The purpose of JSS AHER ODL is to provide health sciences programs to meet the requirements of individuals interested in the environment and healthcare. The JSS AHER ODL employs a variety of technological methods for effective curriculum delivery and efficient student learning. It has established two study facilities, one in Bengaluru and the other in Ooty, to enhance student learning and provide additional support. It also collaborates with other organizations whose goal is to empower students through distance learning.

STUDENT SUPPORT CELL

Student Support Center (SSC) is formed at JSS AHER, Mysuru with the support of the Department of Psychiatry and the Department of Clinical Psychology.

Student Support Center (SSC) provides free and confidential direct individual counseling services for a variety of concerns including, stress, burnout, time management, relationship problems, anxiety, depression, and other matters related to a student's overall mental well-being. The Center also provides resource information on wellness topics and is responsible for student outreach programming designed to reduce stress and improve overall well-being.

Aims to provide comprehensive services under one roof to the students/staff. JSS AHER is a university that is constantly striving to maintain international standards of excellence, certainly in academic output, but equally in the holistic emotional, mental, and physical well-being of its students/staff. The Student Support Centre has linked with the WHO campaign on raising awareness around mental health and aspires to contribute to public education about issues that affect young people, such as sexual abuse, suicide, and substance abuse. etc.

Free Education for Poor students at JSS free residential school, Suttur

Free dental treatment for children of JSS free residential school, Suttur at Sattelite Dental Health Centre, Suttur

Dental treatment at concessional cost to the residence of Suttur Village

Training and capacity building programs

Awareness campaign for Asha workers and Anganwadi teachers

Awareness campaign for about 52 Asha workers and 39 Anganwadi teachers at Suttur (A village located at 30 KM from Mysuru) was conducted. Pamphlets were issued to public and outpatients who visited the hospital by creating awareness on tobacco usage.

School based Tobacco control and cessation initiatives

A rally to raise awareness among the general population

A rally was organized by Department of Public Health Dentistry along with JSS Hospital, Suttur. 134 students from JSS Public School students participated in the rally with placards and signages related to tobacco and its ill effects.

Public events like Walkathon/Cyclic rally

In collaboration with the Indian Dental Association, Mysore branch, Vikram College of Nursing, and the Rotary Club of Vijaynagar, conducted World No Tobacco Day walkathon rally from Kote Anjaneya Swamy Temple to the DC office, Mysuru. Educational placards were displayed, informing the public about the dangers of tobacco use, its side effects, and related information. Around 100 participants actively took part in the rally.

Awareness campaign among truck drivers and cleaners

Awareness campaign among truck drivers and cleaners was conducted by the Tobacco Control and Cessation Centre (TCC) and Department of Public Health Dentistry, JSS Dental College & Hospital lead by faculty, House surgeons and students. 213 drivers and cleaners were sensitized about the usage of tobacco and its ill effects and were referred for oral screening and for dental care.

World International Museum Day - Dept. of Oral Pathology & Microbiology Oral Health Day 2025

The Department of Oral Pathology & Microbiology at JSS Dental College & Hospital, Mysuru, organized a National Webinar on June 19, 2024, in celebration of International Museum Day. The program was presided over by Dr. Dhakshaini MR, Principal of JSSDC&H, and Vice Principal Dr. Jaishankar HP, along with Dr. Vidya CS, Professor and Head of the Department of Anatomy, Dr. Vidya G. Doddawad, Professor and Head of the Department of Oral Pathology and Microbiology, and Dr. Usha Hegde, Professor in the Department of Oral Pathology and Microbiology

Dr. Jaishankar in his guest note emphasized the significance of museums at educational institutions. Dr. Vidya CS, Professor and Head, Department of Anatomy, JSS Medical College delivered a lecture on “ Museum Techniques – The Past, Present and Future”. The program began with an inaugural function, followed by an informative and interactive session with the resource person. The program was in hybrid mode and was attended by about 150 delegates on both offline and online modes

The program concluded with a vote of thanks and photo sessions, and feedback was collected about the program's content. All participants highly appreciated the program and expressed their interest in attending workshop programs in the future. The other organized committee members are Dr. Usha Hegde, Dr. Premalatha BR, Dr. Sreeshyla HS, and Dr. Priyanka

Oral Hygiene Day 2024

Department of Periodontology, JSS Dental College and Hospital celebrated Oral Hygiene Day on 1st of August with the Oral Hygiene awareness Walkathon. The event was organised in collaboration with Indian Society of Periodontology and Young Indians. Dr Nandini BN, Additional Superintendent of Police, Mysore District was the Chief Guest. The guests of honour Dr H Basavana Gowdappa, in-charge Vice Chancellor JSS Academy of Higher Education and Research, Dr Manjunatha B, Registrar JSS Academy of Higher Education and Research, Dr Dhakshaini MR, Principal JSS Dental College and Hospital and Dr Suman Basavaraju Head, Department of Periodontology JSS Dental College and Hospital were present. More than 100 students and faculty participated in the Walkathon. The Walkathon was flagged off by the chief guest Dr Nandini. The entire program was co-ordinated by Dr Aruna G from the Department of Periodontology along with Dr Sharath and Dr Sheetal. This was an initiative to create and spread Oral Hygiene Awareness among the Public. Further in the department of Periodontology JSS Dental College and Hospital, out patients were educated about the importance of oral hygiene. Free toothpaste and tooth brush samples were distributed to patients visiting the department.

Prosthodontist Day Celebration 2025

As part of the Indian Prosthodontic Society's initiative, the Department of Prosthodontics, JSS Dental College and Hospital, a constituent college of JSS Academy of Higher Education and Research, celebrated Prosthodontist Day on 23rd January 2025 with enthusiasm and a commitment to oral health awareness

The day's events focused on educating, motivating, and supporting patients regarding oral health and prosthetic care. Dr. Raghavendra Swamy K.N., Professor and Head of the Department of Prosthodontics, inaugurated the program with an insightful address highlighting the significance of Prosthodontist Day and the role Prosthodontics plays in restoring oral functionality and aesthetics. Dr. R. Sudheendra Bhat, COE JSSAHER, elaborated on the importance of teeth and dentures, emphasizing their benefits for patients

The program featured an educative session by Dr. Meenakshi S, who provided valuable insights into various types of dentures and emphasized the role of proper nutrition in maintaining oral health. Dr. Anupama Aradya followed with a practical demonstration, offering tips on using a denture cleansing kit effectively

Thirty-one patients were provided with denture maintenance and hygiene kits, sponsored by the department staffs in the presence of Dr. Anil Kumar Gujjari. To further engage patients, II BDS students created awareness by educating them about the significance of Prosthodontist Day, while interns organized games for the patients, fostering an atmosphere of fun and interaction. The winner of the games was recognized and awarded, adding to the celebratory spirit. Post graduate students with the help of interns conducted various games for the faculty as well to engage them in fun activities

The celebration extended to the Sevayana Old Age Home, where a visit was coordinated by Dr. Sowmya S and Dr. Kathayayani C.P. As part of the community outreach, the department donated a cot to the facility and conducted dental screenings for the residents. Patients requiring further treatment were referred to JSS Dental College and Hospital. Additionally, Dr. Sunila B delivered an informative talk on diabetes and its impact on oral and overall health, greatly benefiting the residents. Dr. Anupama and postgraduate students also contributed significantly to this community service initiative

The event concluded with a vote of thanks by Dr. Raghavendra Swamy K.N., who expressed gratitude to all the participants, faculty, students, and staff for their efforts in making the celebration a success. The day ended on a positive note with refreshments and snacks shared among patients, students, and staff, fostering a sense of unity and care

International OMFS Day 2025

The Department of Oral and Maxillofacial Surgery (OMFS) at JSS Dental College and Hospital celebrated International Oral and Maxillofacial Surgery Day on February 13, 2025, with a thoughtfully curated program at the Sri Gowri Shankara auditorium. The celebration, centered around this year's theme of 'Early Detection and Prevention of Oral Cancer' brought together faculty, postgraduate students, and interns

The ceremony started with the traditional lighting of the lamp by Principal

Dr.Dhakshaini M.R symbolizing the dispelling of darkness and the celebration of enlightenment. Dr. Saikrishna Degala, Head of the Department of OMFS, delivered a warm welcome address, setting the tone for the event. This was followed by an inspiring address from Dr.Dhakshaini M.R., Principal of JSS Dental College, who reiterated the institution's continued support for departmental activities

A significant highlight of the program was the virtual webinar conducted by Dr. Rahul R Singh, an accomplished distinguished alumnus of JSS Dental College and Hospital (Class of 2012). Currently serving in the Department of Surgical Oncology at Apex Superspeciality Hospital, Varanasi. Dr. Rahul Singh brings extensive expertise through his multiple fellowships in Head and Neck and Oral Oncology from prestigious centers across Bangalore, Kerala, and Belgaum. His credentials are further distinguished by a Global Oral Oncology Diploma from the International Academy of Oral Oncology, Switzerland. Dr. Singh shared valuable insights on early detection strategies and preventative measures for oral cancer, aligning perfectly with this year's theme to all the Post graduates and Interns

To further enhance engagement and bring to light some more aspects of our specialisation, a quiz was organized for undergraduate students. The Quiz was conducted by postgraduates from the Dept of OMFS, the winning team was awarded. The event successfully concluded with Vote of thanks, refreshments, marking a meaningful celebration that effectively combined professional development, academic engagement, and departmental camaraderie while highlighting the crucial importance of early oral cancer detection and prevention

Periodontists Day Celebration 2025

Periodontics successfully celebrated Periodontist Day on 24th February 2025, with a series of engaging academic and extracurricular activities. The event brought together faculty members, postgraduate students, interns, and staff to commemorate the significance of periodontics in modern dentistry

The day began with the inauguration of the program by the Vice Principal, Dr. Jaishankar, who highlighted the importance of periodontics and acknowledged the department's contributions to the field

This was followed by a welcome speech by the Head of the Department, Dr. Suman Basavaraju, who warmly greeted the gathering and expressed appreciation for the enthusiasm and participation of students and faculty members

An insightful session on the "Scope of Periodontics" was delivered by Dr. Aruna, who discussed the advancements in periodontal treatment, emerging technologies, and the crucial role of periodontists in the 21st century. A key highlight of the event was the distribution of Laser Course Completion Certificates by the Chief Guest, along with course coordinators Dr.

Sheela, Dr. Pratibha, and Dr. Anitha, recognizing the participants who successfully completed the specialized training

To make the celebration more interactive and engaging, various competitions were conducted Rangoli Competition with the theme 'Healthy Gums: Happy Life,' showcasing artistic representations of periodontal health.

Collage Competition on 'Periodontics in the 21st Century,' where participants creatively depicted modern trends and innovations in the field

Quiz Competition for staff and postgraduate students, featuring multiple engaging rounds that tested their knowledge

Treasure Hunt with perio-related puzzles, which drew an overwhelming response from enthusiastic participants.

The event concluded with a valedictory ceremony, where the Principal, Dr.Dakshaini MR, addressed the audience, appreciating the efforts of the organizing team and participants. She then presented prize for the winners, recognizing their talent and dedication

The event concluded with a vote of thanks by the Event Coordinator, Dr. Vidya Priyadarshini who expressed heartfelt gratitude to the University, faculty members, organizing team, administrative and technical staff, Sponsorer and all participants for their collective efforts in making the event a grand success

The Periodontist Day Celebration 2025 was a memorable event, fostering learning, teamwork, and enthusiasm among students and faculty alike.

National Oral Pathologist Day Celebration Dept. of Oral Pathology & Microbiology

February 25th of every year is celebrated as “National Oral Pathologist Day” in memory of the birth anniversary of Dr H.M. Dholakia, the first Oral Pathologist in India who started MDS programme in Oral Pathology in India

In view of the same, the Department of Oral Pathology & Microbiology, JSSDC&H, Mysuru, conducted various competitions for undergraduate students. The 1st BDS students created models themed on dentistry, while the 3rd BDS students participated in a rangoli competition

with a twist, depicting various pathologies in their designs. A total of 100 students from 1st BDS and 100 students from 3rd BDS participated in this event

The students and the staff members had a joyful learning experience, and the students' creativity came out in abundance. The esteemed judges identified the top four teams in the model-making and rangoli competitions, recognizing and commending their efforts. The judging panel included Dr. Sunitha S and Dr. Sushma R from the Department of Public Health Dentistry, Dr. Poonam from the Department of General Anatomy, and Dr. Nagausha from the Department of Prosthodontics

In continuation of the department's tradition, two students from 1st BDS were recognized and rewarded for the best wax tooth carving, two for the best H&E drawings from 3rd BDS, and the toppers in Dental Anatomy, Oral Histology, and Oral Pathology in University Examination

International Women's Day Celebration

On March 8, 2025, JSSDCH and JSSAHER, in association with the Women's Dental Council (WDC) of the Indian Dental Association (IDA) Mysore Branch, successfully organized the "Her Walk, Her Health" walkathon to celebrate International Women's Day. The event began at Mysore Town Hall and concluded at JSSDCH, with around 80 participants, including IDA life members, teaching and non-teaching staff, and maintenance personnel from JSSDCH

The walkathon was inaugurated by Dr. Dhakshaini M.R., Principal of JSSDCH, in the presence of IDA Mysore Branch office bearers, WDC convenors Dr. Brinda Godhi and Dr. Meenakshi, President Dr. Pramod, Treasurer Dr. Raghunath N., and Continuing Dental Education (CDE) convenor Dr. Ravi Kiran, who also joined the walkathon

World Health Day and World Oral Health Day

The Department of Public Health Dentistry organized World Health Day and World Oral Health Day on 5th April 2025. On this occasion, Dr. Mamatha S. presented a guest lecture on the theme "Healthy Beginnings, Hopeful Futures," and she highlighted the importance of maternal and child health. The event was preceded by Principal Dr. Dhakshaini MR, MDS (Department of Prosthodontics), and Vice Principal Dr.

Jaishankar (Department of Oral Medicine & Radiology). Dr. Thippeswamy HM (HOD, Department of Public Health Dentistry) welcomed the gatherings

Dr. Sushma R. introduced the chief guest. Dr. Sunitha coordinated the prize distribution. Dr. Maurya M. presented a vote of thanks.

Report of Activities Conducted

As part of World Health Day and World Oral Health Day celebrations, a series of engaging and intellectually stimulating events were organized to encourage student creativity, critical thinking, and teamwork. The following is a report of the events conducted

1. Reel-Making Competition: This event focused on promoting health awareness using social media. Students created short and impactful video reels on the theme “A Happy Mouth is a Happy Mind,” demonstrating creativity, technical skill, and the ability to communicate important messages within a limited time

2. Health Research Topic Presentation: Students presented well-researched topics related to public health. This competition encouraged evidence-based thinking and effective communication of complex health data, fostering academic curiosity and awareness

3. Health Talk Competition: A platform for participants to raise awareness on various health issues through public speaking. Competitors delivered informative and persuasive health talks, showcasing their oratory skills and depth of knowledge on health promotion topics

4. Dumb Charades—Health Edition: An entertaining and educational twist on the classic game, where participants enacted health-related words and concepts. The event promoted teamwork and quick thinking and helped reinforce health vocabulary in an interactive format

All events were met with enthusiasm and high levels of student engagement, making the celebration both fun and informative. The winners were felicitated during the prize distribution ceremony

World No Tobacco Day

World No Tobacco Day was observed by JSS Dental College & Hospital on 31st May 2025. This year the Theme for World No Tobacco Day 2025 is “Unmasking the Appeal: Exposing Industry Tactics on Tobacco and Nicotine Products

A guest lecture series was organised by Department of Public Health Dentistry & Tobacco Control & Cessation Centre (TCC). The guest speakers were Dr. Praveen Kulkarni, Vice Principal & Professor, Community Medicine, JSS Medical College who delivered a lecture on “Anti-Tobacco interventions at National and Global Levels” and Dr. M.C. Smitha, Associate Professor, Community Medicine, JSS Medical College on “Tobacco Threats!”. The guest speakers were introduced by Dr. S. Sunitha and Dr.R. Sushma, Readers, Department of Public Health Dentistry. Various activities were conducted like Reels making and Essay Writing Competitions for the Undergraduates and Post graduates and prizes were distributed for the same on this event. The chief guest for this event was Dr. B. Manjunatha, Registrar, JSS Academy of Higher Education & Research. The guests of honour were Dr.H.P. Jaishankar, Vice Principal, JSS Dental College & Hospital and Dr.M.R. Dhakshaini, Principal, JSS Dental College & Hospital. The report of Events was presented by Dr. M. Maurya, Reader, Department of Public Health Dentistry. The vote of thanks was proposed by Dr. H.M. Thippeswamy, Head of Department, Department of Public Health Dentistry

Student and Faculty Exchange program to various Universities

This initiative provides better exposure to the students of our institution to participate in the learning process of other universities across the globe.

On the approval from JSSAHER and AMIST University 20 dental students for the GIP student exchange program from 18th JULY to 5th AUG 2024. The visiting Delegates were welcomed by the Associate Professor Dr. Jegarajan Pillay, a Dental Public Health Specialist and currently the Deputy Dean (Management and Research) at the Faculty of Dentistry AIMST University and briefed on the program schedule for the GIP.

Besides attending to the exclusively arranged academic training of preclinical workshops and clinical observation which were UK based teaching learning system utilisation of simulation skill Labs well planned and in regular practice for all subjects of dentistry at AIMST. Students had a great learning in areas of Surgical simulation lab for suturing methods, Rotary endodontics, maxillofacial eye prosthesis, root planing and periodontal pack applications, Facebow transfers. Diagnostic aids (IOTN) in orthodontics using British system and pedodontics using international recording system (ICDAS) of IAPD.

Had individual meetings with the Prof ChM Dr Kathiresan V Sathasivam, Vice Chancellor, Prof Dr Kerron Reddy Chief Operating Officer and academic advisor, Prof Dr Yu Chye Wah Dean Faculty of Health professions, Ms Veni a/p R Chandrakasan Deputy Dean Nursing and to explore further collaborations in addition to student exchange had interactions with the Dean and faculty of dentistry and have identified areas.

1. To submit Joint **short studies** related to Dental Assistants Quality of Life at AMIST University a Interprofessional collaborative study with the JSSDCH and Dept of Health administration, JSSAHER.
2. To introduce training on **oral health program through nurses** - at Faculty of nursing, AIMST as part of the regular course (regular program) and Home caretakers (3 month short program) - to act as a remote trainer as resource faculty from JSSDCH , JSSAHER for 2 modules have been agreed upon and draft of the program on possible clearance from JSSAHER .
3. To consider **adjunct faculty** positions in academics and research from both the Institution and the University in par with having others on board at AIMST.

To submit a joint research project on **training and monitoring oral health using QLF imaging** to the Government of Malaysia.

SDG 10 – REDUCED INEQUALITY

2024-25

10.1 Introduction

Sustainable Development Goal 10 aims to **reduce inequality within and among countries**. Inequality—whether based on income, gender, age, disability, ethnicity, migration status, or other factors—undermines social cohesion and hampers economic growth. Despite progress in some areas, disparities in access to education, healthcare, employment, and political representation persist worldwide. SDG 10 calls for the empowerment of all people, especially those who are marginalised or disadvantaged, through inclusive policies and equitable opportunities. By addressing both national and global dimensions of inequality, this goal strives to build more just, inclusive, and resilient societies. Reducing inequities is fundamental to building a fair and inclusive atmosphere in educational institutions. At JSS College of Pharmacy, this objective is treated as a top institutional priority. The JSSCPM is committed to:

1. **Ensuring Equal Opportunities:** Providing all students with fair access to academic, co-curricular, and support resources, irrespective of their socio-economic, cultural, or personal backgrounds.
2. **Promoting Diversity and Inclusion:** Actively fostering a campus culture that embraces diversity and promotes inclusivity across all levels of student and faculty engagement.
3. **Addressing Barriers to Learning:** Recognizing and mitigating the negative impacts of inequities on educational attainment and personal development.
4. **Implementing Supportive Measures:** Taking deliberate steps to create an enabling environment where every student feels valued, respected, and supported.

To achieve the goal of reducing inequities, JSS College of Pharmacy has undertaken several focused initiatives aimed at creating a more inclusive and supportive educational environment. The institution has implemented policies that ensure equal access to academic resources, scholarships, mentorship programs, and extracurricular activities for all students, especially those from underrepresented or disadvantaged backgrounds. Regular sensitisation and awareness programs are conducted to promote diversity, equity, and inclusion among students and staff. Additionally, the college actively supports students through counselling services, language assistance, and personalised academic support to bridge learning gaps.

10.2 Faculty and Students Details

First-generation students- First-generation students are those who are the first in their family to attend higher education, often facing unique social, economic, and academic challenges due to a lack of inherited guidance and support. Addressing their needs aligns with Sustainable Development Goal (SDG) 10 – Reduced Inequalities, which focuses on ensuring equal opportunities and reducing disparities in education and other areas, irrespective of socio-economic background. By implementing inclusive admission policies, offering financial assistance, providing

mentorship programs, and fostering supportive campus environments, institutions can empower first-generation students to overcome barriers, improve educational attainment, and contribute to breaking intergenerational cycles of poverty and inequality. This, in turn, promotes social mobility and supports the broader aim of SDG 10 to reduce inequality within and among countries.

10.3 Measures against discrimination, Policy, Guidelines and committees

1. Does your College & University as a body have an admissions policy which is non-discriminatory or which details and explains the logic for any appropriate positive discrimination policies in admissions, which is publicly posted?

Yes, JSS College of Pharmacy, under JSS Academy of Higher Education & Research (JSS AHER), follows a non-discriminatory admissions policy that ensures equal opportunity for all applicants, regardless of gender, caste, religion, socioeconomic status, disability, or background. The institution also adheres to positive discrimination (affirmative action) through reservations and relaxations for candidates belonging to Scheduled Castes (SC), Scheduled Tribes (ST), Other Backward Classes (OBC), Economically Weaker Sections (EWS), and Persons with Disabilities (PwD), as mandated by the Government of India and relevant regulatory authorities.

<https://jssschoolsuttur.org/wp-content/uploads/2025/03/Admission-2025.pdf>

Comment: JSS Academy of Higher Education & Research (JSSAHER) follows a non-discriminatory admission policy, ensuring that all applicants are evaluated fairly and equitably. The institution provides equal opportunities for students to choose their preferred departments and colleges based on their academic interests and career aspirations. **Policy reviewed (2024).**

Facilities and Policies

Comment: JSS Academy of Higher Education & Research (JSSAHER) is dedicated to fostering a safe, inclusive, and respectful environment that is free from victimization, assault, and prejudice. The institution maintains a firm non-discrimination policy and does not discriminate on the basis of race, color, national or ethnic origin, sex, disability, veteran status, genetic information, or age in the administration of its:

- Educational programs
- Admission policies
- Scholarship and loan programs
- Athletic and other institution-administered activities
- Employment practices

JSSAHER remains fully committed to upholding equity, dignity, and equal opportunity for all members of its academic and professional community.

2. Does your College & University as a body measure/track applications & admissions of underrepresented (and potentially underrepresented) groups including ethnic minorities, low income students, non- traditional students, women, LGBT students, disabled students, and newly settled refugee students?

Suttur JSS School and Free Hostel is committed to promoting educational equity by providing free education and accommodation to students from low-income backgrounds and racial or ethnic minority groups. In alignment with this mission, JSSAHER recognizes the importance of addressing the specific needs of students with disabilities and those identifying as Lesbian, Gay, Bisexual, and Transgender (LGBT).

Comments: JSS Academy of Higher Education & Research has announced a notable increase in applications to the Suttur JSS Free School and Hostel, which offer free education and accommodation under the JSS group of institutions. For the academic year 2025–26, the school is accepting applications for 1st to 8th standard, including English medium classes from 1st to 8th standard. Students from economically disadvantaged rural areas are eligible to apply. This initiative aims to provide equal educational opportunities and promote inclusive learning for underprivileged children.

3. Does your College & University as a body take planned actions to recruit students/staff/faculty from under-represented groups?

Yes, JSS Academy of Higher Education & Research (JSSAHER) is committed to fostering a diverse and inclusive academic environment. To support this mission, JSSAHER institutions actively engage in outreach and recruitment efforts aimed at attracting students from a wide range of backgrounds, including underrepresented communities and the university have Equal Opportunity Cell.

The institutions organize a variety of activities that promote diversity and equal opportunity, such as seminars, conferences, and public service programs that address the concerns and needs of marginalized groups. In addition, guest lectures and academic talks are regularly hosted to create awareness and dialogue around issues faced by culturally diverse populations. These initiatives reflect JSSAHER's ongoing commitment to equity, inclusion, and representation in higher education. <https://www.jssuni.edu.in/JSSWEB/UDHP.aspx?K=u105156240b539e18-d3ce-47f0-a026-8bbb6aa9d1ba>

JSS Academy of Higher Education & Research
(Deemed to be University)
Accredited "A" Grade by NAAC

No: REG/EOC/ /2024-25/ Date:05.02.2025

Notification :-

Sub: Re-Constitution of Equal Opportunity Cell (EOC).

The Equal Opportunity Cell of JSS Academy of Higher Education & Research (JSS AHER) is reconstituted with the following members :

Sl. No	Name	Designation
1.	Dr. Narayanappa .D Professor Department of Paediatrics JSS Medical College Mysuru.	Dean or Director of Equal Opportunity Cell nominated by the Head of the Higher Education Institutions (HEI) Chairman
2	Dr. Sunilkumar. D Professor Dept of Community Medicine JSS Medical College Mysuru.	A senior faculty member nominated by Vice-Chancellor/Principal- Member
3	Dr. Chandrashekar B.R Associate Dean (Academics) JSS AHER Mysuru.	Liaison Officer of Equal Opportunity Cell- Member
4	Dr.Suma M.N Professor Dept of Biochemistry JSS Medical College Mysuru.	In-Charge of Internal Complaints Committee- Member
5.	Dr. Madhusudhan Purohit Dean (IQAC) JSS AHER Mysuru.	Coordinator/Director IQAC- Member

	Dr. Bhagyalakshmi Reader, Department of Orthodontics JSS Dental College & Hospital, Mysuru.	Women Representative nominated by the Head of the HEI - Member
7.	Mr. Dhanush. M 3 rd Semester B.Sc., Biotechnology School of Life Sciences JSS AHER, Mysuru.	Students Representative nominated by the Head of the HEI - Member
8.	Ms.Sanober Mahek 2 nd Pharm.D JSS College of Pharmacy, Mysuru.	
9.	Mrs. Divyashree Asst Administrative Officer JSS AHER Mysuru.	Assistant Registrar /Administrative Officer nominated by HEI- Member Secretary

The objectives & functions of Equal Opportunity Cell is attached.

Copy to:

1. The Pro-Chancellor-JSS Academy of Higher Education & Research, Mysuru-For kind information.
2. The Vice-Chancellor- JSS Academy of Higher Education & Research, Mysuru- For kind information.

To

1. Dr. Narayanappa. D, Professor, Department of Paediatrics, JSS Medical College Mysuru.
2. Dr. Sunilkumar. D, Professor, Dept of Community Medicine, JSS Medical College Mysuru.

REGISTRAR

Comments: JSS Academy of Higher Education & Research (JSSAHER) is committed to fostering an environment where every individual feels a strong sense of belonging, inclusion, and value. In alignment with this vision, the School of Public Health, JSSAHER, Mysuru, in collaboration

with the Yale School of Public Health, the University of Arizona, and the Public Health Research Institute of India, is conducting the Global Health Leadership Initiative.

This initiative is a three-month hybrid, certificate-level capacity-building program titled “Building Mentorship and Leadership Capacity among Scholars from Historically Underrepresented Groups.” The program aims to strengthen leadership and mentorship skills among scholars from marginalised communities, promoting equity and representation in the global public health landscape.

4. Does your College & University as a body have anti-discrimination and anti- harassment policies?

Yes- JSS Academy of Higher Education & Research (JSSAHER) is committed to fostering a respectful, inclusive, and professional work environment where every individual is treated with dignity and fairness. The institution promotes equal employment opportunities and maintains a zero-tolerance policy toward unlawful discriminatory practices, including harassment. All workplace relationships are expected to remain business-like and free from bias, prejudice, or inappropriate conduct. JSSAHER recognizes and values the importance of diversity, which may be shaped by factors such as race, ethnicity, national origin, gender, sexual orientation, social and economic status, age, physical ability, political beliefs, and unique life experiences. By embracing diversity and encouraging equity, JSSAHER aims to cultivate a culture that supports personal and professional growth while advancing academic excellence.

<https://www.jssuni.edu.in/jssweb/UDHP.aspx?PID=515>

Evidence:

<https://jssuni.edu.in/JSSWeb/UDdata/Docs/Minutes%20of%208th%20SH.pdf>

Comment: The Anti-Ragging and Anti-Harassment Policy is designed to protect all officers and staff from any form of discrimination based on personal characteristics, including race, ethnicity, sex, age, sexual orientation, gender identity, and other such attributes. The policy also provides comprehensive protection against all forms of harassment, including sexual harassment, thereby ensuring a safe, respectful, and inclusive work environment. **Policy created (2020-2021).**

<https://jssuni.edu.in/JSSWeb/UDdata/Docs/Minutes%20of%208th%20SH.pdf>

<https://www.jssuni.edu.in/JSSWEB/WebShowFromDB.aspx?K=m08074469637be1ff-cf16-4556-9bd8-18c545acfc8e>

Comment: This policy has been established to ensure that all employees and students of JSSAHER are able to work and study in an environment free from unlawful harassment, discrimination, and retaliation. The institution is fully committed to promoting awareness of these policies across the community and will make every reasonable effort to ensure that all individuals are informed of their rights and responsibilities. JSSAHER also affirms that any complaints related to violations of this policy will be promptly investigated and addressed through appropriate and fair resolution procedures. **Policy reviewed (2024-25).**

Comment: In order to safeguard employee dignity, the Anti-Harassment Policy has been comprehensively reviewed. The policy addresses both single and recurring instances of misconduct, including bullying, intimidation, derogatory comments, and other negative verbal, nonverbal, or physical actions directed at individuals or groups. It aims to promote a safe, respectful, and professional work environment for all members of the institution.

5. Does your College & University as a body have a diversity and equality committee, office and/or officer (or the equivalent) tasked by the administration or governing body to advise on and implement policies, programmes, and trainings related to diversity, equity, inclusion and human rights on campus?

Yes, JSSAHER has introduced Diversity, Equity, and Inclusion (DEI) training programs to help employees at all levels recognize and address biases that may affect the recruitment and advancement of individuals from underrepresented groups. These programs offer practical strategies to promote respectful, inclusive, and discrimination-free workplace interactions across dimensions such as gender, ethnicity, race, age, religion, sexual orientation, ability, and socioeconomic status. Additionally, a structured 10-day student induction program is conducted to orient new students on key topics including diversity, soft skills, counseling, anti-ragging, nutrition, yoga, physical activity, and time management.

<https://jssaherdatalake.blob.core.windows.net/web-jssaher/EOC.pdf>

Evidence:

Comments: JSSAHER is committed to recruiting and retaining outstanding faculty, staff, and students who align with its diversity and inclusion goals. The institution actively seeks to enroll and graduate talented individuals at both undergraduate and postgraduate levels who contribute to building an inclusive and supportive campus environment.

6. Does your College & University as a body provide mentoring/counselling/peer support programmes to support students, staff, faculty from underrepresented groups?

Yes, the JSS College of Pharmacy, Mysuru organize the quality conclave for all the students, staff faculty from the underrepresented groups to “Building Mentorship and Leadership Capacity among Scholars from Historically Underrepresented Groups”.

Yes, The JSS College of Pharmacy, Mysuru organize the gender sensitisation and sexual harassment awareness program and a comprehensive understanding of gender issues and practical strategies to promote gender equity.

<https://jssaherstoragenew.blob.core.windows.net/jss/Notices/NEM006077a.pdf>

<https://jssuni.edu.in/jssaher/activities-and-events/ActivityAndEventDetail.aspx?NOTICESID=6077>

<https://jssaherstoragenew.blob.core.windows.net/jss/Notices/NEM006057a.pdf>

Department of Pharmaceutics, JSS College of Pharmacy, Mysuru, organised the 1st Quality Conclave 4.0, a two-day national conference with the theme “Quality Redefined: Assurance and Compliance in Pharmaceuticals.” The event provided a dynamic platform for professionals, researchers, and students to explore advancements in pharmaceutical quality assurance, compliance, and industry best practices.

Evidence:

Comments: JSSAHER believes that improving education quality starts with empowering confident and quality-driven leaders. To stay connected with its academic heads, a *Leadership Connect Masterclass* was organized ahead of the academic year. The theme, “*Good Ideas to Great Execution*,” focused on strengthening leadership among Heads of Departments. The session explored key areas such as COVID-19 lessons, student experiences, and academic quality assurance. It also addressed changes in the regulatory landscape and effective academic leadership responses. This initiative aimed to equip leaders with insights to navigate future educational challenges.

7. Does your College & University as a body provide accessible facilities for people with disabilities

JSS Academy of Higher Education & Research (JSSAHER) is committed to fostering an inclusive and accessible environment for individuals with disabilities. To support this commitment, the institution has implemented various facilities across its campuses, including the provision of wheelchairs to assist with mobility. Ramps with appropriate slopes and handrails are installed at key locations to ensure barrier-free access to buildings. Additionally, specially designed toilets are available, equipped with grab bars, non-slip flooring, and accessible fixtures to accommodate the needs of wheelchair users and individuals with physical impairments. These efforts reflect JSSAHER’s dedication to creating a safe, dignified, and inclusive space where everyone can participate fully in academic and campus life.

Evidence:

Comment: JSSAHER provides dedicated resources and services to support individuals with disabilities in leading independent and dignified daily lives. To meet their specific needs, the institution has incorporated inclusive infrastructure such as ramps, handrails, and specially designed restrooms. Accessibility considerations are thoughtfully integrated into the architectural design of all facilities, ensuring a barrier-free environment that promotes equal participation for all.

8. Does your College & University as a body provide support services for people with disabilities? (e.g. personal assistants, interpreters)

JSSAHER offers personal assistance and dedicated support services to ensure that individuals with disabilities receive the necessary help to navigate academic and daily activities with ease and independence

Comment

Wheel chairs, ramps, rails and special toilets have been equipped for accessibility of the physically abled person.

9. Does your College & University as a body provide access schemes for people with disabilities?

Yes, JSS Sahana is a unique institution catering to the needs of the specially challenged, it comprises of two main wings, an integrated school mainstreaming special children with their normal counterparts from Nursery to Secondary stream & a Special School for children with intellectual impairments.

Evidence:

<https://jssonline.org/jss-sahana-special-and-integrated-school-for-specially-challenged-children-jayanagar-bengaluru/>

Comment: The integrated school empowers children with disabilities to realize their full potential and actively participate in all aspects of everyday life. In parallel, the special school offers a supportive environment and tailored skill training for children who need additional assistance, with the goal of preparing them for inclusion in the mainstream education system.

10. Does your College & University as a body have reasonable accommodation policy/strategy implemented, including adequately funded mechanism for persons with disability?

Under the umbrella of JSSAHER, the JSS Sahana Special and Integrated School for Disabled Children began with a single teacher and just three students in a small room at JSS High School, Jayanagar, Bengaluru. Today, the school has expanded its reach, offering a range of services tailored to children with special educational needs both within mainstream classrooms and through specialized programs outside the regular education system.

<https://jssonline.org/our-institutions/general-education/sahana-schools-for-special-children/jss-sahana-school-mysuru/>

Evidence:

[https://jssonline.org/our-institutions/general-education/sahana-schools-for-special-children/jss-sahana-school-mysuru/#iLightbox\[gallery_image_1\]/6](https://jssonline.org/our-institutions/general-education/sahana-schools-for-special-children/jss-sahana-school-mysuru/#iLightbox[gallery_image_1]/6)

Comments: In the future, a policy will be implemented to ensure the provision of reasonable accommodations for individuals with physical disabilities, supporting their full participation in academic and campus life.

10.4 Gender Ratio – STAFF: Male: Female (70:30)

Staff	Male	Female	Total
Teaching Faculty	41	19	60
Non-teaching	41	09	50

Gender Ratio – STUDENTS: Male: Female = 50:50

The training and placement cell provides equal opportunity to all students irrespective of their gender, caste, race, and nationality for their placements.

10.5 Details of Training & Placement: Students pursuing M. Pharm in various specialisations and Ph.D. Scholars were placed in the Training and Placement Cell of the institution. The placement report for July 2024 to June 2025 is given below

Total number of Female/ girls students placed: 25

SI No	Student Name	Specialization	Company placed	Department and Position
1.	Bhumika N M	Regulatory affairs	Sitero Solutions India Pvt Ltd,	Drug Safety Associate - Trainee
2.	Chandana A N	Regulatory affairs	S3V Vascular Technologies Limited	Regulatory Affairs Trainee
3.	Kruthika R K	Regulatory Affairs	Micro labs limited	Management Trainee -

				Regulatory Affairs
4.	Nayana Saji	Regulatory Affairs	SP Accure Labs Private Limited	Trainee Officer in Regulatory Affairs
5.	S Amesha	Regulatory Affairs	Eli Lilly	GRA - Intern
6.	Navya	Pharmacy Practice	Sitero Solutions India Pvt. Ltd	Drug Safety Associate
7.	Nikita	Pharmacy Practice	Sitero Solutions India Pvt. Ltd	Drug Safety Associate
8.	Shobhitha	Pharmacy Practice	Sitero Solutions India Pvt. Ltd	Drug Safety Associate
9.	Simran	Pharmacy Practice	MedTrix Healthcare	Junior medical Writer
10.	Aditi Dash	Pharmaceutics	MedTrix Healthcare	Project Associate
11.	Bhumika	Pharmaceutics	Viatrix	Trainee
12.	Meghana T S	Pharmaceutics	Teva pharmaceuticals company	Trainee
13.	Sathveeka	Pharmaceutics	Eli Lilly	GSC intern
14.	Aishwarya Pattanshetti	Pharmaceutical Analysis	Baxter Bangalore	Technical Trainee in Analytical R&D

15.	Beemani Sree Veena	Pharmaceutical Analysis	Novartis, Hyderabad	Technical Trainee in Analytical R&D
16.	Arjitha Mukherjee	Pharmaceutical Analysis	S3V Vascular Technologies, Mysore	Trainee in RA
17.	Saladula Hima	Pharmaceutical Analysis	Baxter Bangalore	Technical Trainee in Analytical R&D
18.	Sneha Mandal	Pharmaceutical Analysis	Novartis, Hyderabad	Technical Trainee in Analytical R&D
19.	Sumedha Kundu	Pharmaceutical Analysis	Baxter Bangalore	Technical Trainee in Analytical R&D
20.	Saachi mehta	Pharmaceutical Chemistry	Eli Lilly	Technical Trainee
21.	Nikita Patel	Pharmaceutical Chemistry	Dr. Reddy's Laboratories	Analytical R&D Clinical Data Management

22.	S. Archana	Industrial Pharmacy	Sitro	Technical trainee
23.	Nisha Sharma	Industrial Pharmacy	Baxter	
24.	Ritama Bhar	Industrial Pharmacy	Sitro	Drug safety associate trainee
25.	Rutuja Harishchandra Yadav	Industrial Pharmacy	SP Accure Labs Private Limited	Trainee Officer FR&D
26.	Shindhujhaa M	Pharmaceutics	Eli Lilly	GRA
27.	Anju James	Pharmaceutics	Baxter	Regulatory Affairs Associate
28.	Amulya Sharon	Pharmaceutics	Baxter	Regulatory Affairs Associate
29.	Sapna Shanbagh	Pharmaceutics	Baxter	Regulatory Affairs Associate
30.	Akshaya P	Pharmaceutics	Sterin labs	FR&D
31.	Varshini	Quality Assurance	Eli Lilly	GRA
32.	Impana G	Quality Assurance	Eli Lilly	GRA
33.	Nidhi R T	Regulatory Affairs	Eli Lilly	GRA
34.	Spoorthi S	Regulatory Affairs	Baxter	Regulatory Affairs Associate
35.	Vajrashree P Shetty	Regulatory Affairs	Merck	Regulatory Affairs Associate

36.	Lakshmi s	Pharmaceutical chemistry	Strides	Pharmaceutical chemistry

55.	Smriti		Pharmacy Practice	Teva pharmacy	PV intern
56.	Khushi upadhay		Pharmceutical Analysis	Micro labs	Research associate
57.	Sandhya		Pharmceutical Analysis	Hetero Pharma	AR&D

10.6 Doctorate in Pharmaceutical Sciences (Ph.D.): Equal opportunities are provided for both male and female candidates pursuing their doctoral studies. The details of candidates pursuing a Ph.D.In Pharmacy/Pharmaceutical Sciences:

The total number of scholars who have completed a Ph.D during July 2024- June 2025 is given below:

Sl No	Name	Category	Title of thesis	Guide
1.	Mr. Jayant Kumar	Part-time	Key GMP & GCP requirement for generic drugs regulation in BRICS, MIST & ICH.	Dr M P Venkatesh
2.	Saleem Javid Part-time	Saleem Javid Part-time	Saleem Javid Part-time	Saleem Javid Part-time
3.	Ms. Meduri Bhagyalalitha	Full-time	Design, Synthesis and evaluation of new chemical scaffolds as potential anticancer agent	Dr. Gurubasavaraj V Pujar

4.	Ms. Pallavi Chand	Full-time	“Development & evaluation of targeted nanotherapeutics for effective management of cancer”	Dr. Vikas Jain
5.	Ms. Preethi S	PT(I)	Novel strategies for developing effective therapeutic regimen against triple-negative breast cancer	Dr. Vikas Jain
6.	Ms. Sharadha M	Full-time	“Development of a novel strategy using liquid crystalline nanoparticle in the treatment of diabetic retinopathy”	Dr. Vishal Kumar Gupta
7.	Ms. Asha P Johnson	Full-time	“Synthesis, characterization and evaluation of graphene nanoribbons as carrier for selective estrogen receptor modulators for the treatment of breast cancer”	Dr. H V Gangadharappa
8.	Ms. Noor Fathima Anjum	Part-time	Design, synthesis and biological evaluation of eugenol and its derivatives	Dr. MN Purohit
9.	Mr. K Trideva Sastri	Full-time	“Development of nano-formulation for the treatment of multiple sclerosis”	Dr. Vishal Kumar Gupta
10.	Ms. Tatineni Spandana	Full-time	Enantioselective assay and evaluation of pharmacokinetic properties of antidiabetic chiral drugs by liquid chromatographic technique	Dr BM Gurupadayya

11.	Ms. Jyothi S L	Full-time	Formulation & evaluation of microneedle drug delivery system for improved therapeutic efficacy of anti-psoriatic drugs	Dr. H V Gangadharappa
12.	Ms. Akhila A R	Full-time	Influence of polymeric precipitation inhibitors on dissolution and absorption of BCS class II drugs.	Dr. P.K. Kulkarni
13.	Ms. Sahyadri	Full-time	Preclinical and therapeutic evaluation of olfaction in the treatment of Parkinson's Disease	Dr. S.N. Manjula
14.	Mr. Tousif Ahmed Hediya	FT	“An investigation on the role of short chain fatty acid in a rat model of chronic cerebral hypoperfusion”.	Dr. C Saravana Babu
15.	Mr. Syed Faizan Rajak	FT	“Computational and experimental approach to explore multicomponent reactions in drug discovery process: Design, synthesis, analysis and biological evaluation”.	Dr. B.R. Prashantha Kumar
16.	Mr. Veera Venkata Nishanth Goli	FT	“A Novel nanotechnology-based drug delivery to enhance the therapeutic benefits of microRNA's in cerebral malaria”.	Dr. B M Gurupadayya
17.	Ms. Manisha Singh	FT	“Design, synthesis and evaluation of new triazoles as anti-tubercular agents”.	Dr. Gurubasavaraj V Pujar
18.	Ms. Sunanda Tuladhar	FT	“A study on the role of renin angiotensin system modulators on endoplasmic reticulum- mitochondria	Dr. C Saravana Babu

			signalling in mouse model of Parkinsonism”.	
19.	Mr. Souvik Chakraborty	FT	“Development and evaluation of transdermal patches for the treatment of osteoarthritis”.	Dr. Vishal Kumar Gupta
20.	Dr. Jehath Majid Syed	FT	“Implementation and evaluation of a clinical pharmacist comprehensive geriatric care model in a tertiary care hospital”.	Dr. Sri Harsha Chalasani
21.	Ms. Tamsheel Fatima Roohi	FT	“Protective effect of β -Amyrin, metformin and its combination for diabetic nephropathy, targeting endoplasmic reticulum stress pathway”.	Dr. K.L. Krishna
22.	Mr. Andanayya Saraganachari	PT(E)	“Development and evaluation of nano-based ocular drug delivery system for glaucoma”.	Dr. Vishal Kumar Gupta
23.	Dr. Ganzi Neelima	FT	“Evaluation of pharmaceutical care services in critically ill patients: A hospital based interventional study”.	Dr. R S Savitha
24.	Ms. Shilpa Palaksha	PT(I)	“Development and validation of skin prick test for the diagnosis of drug allergy”.	Dr. P A Mahesh
25.	Mr. Hemanth Vikram P R	FT	“LC-MS/MS methods for the determination of nitrosamine impurities in API/drug products and development of its mitigation strategies”.	Dr. B M Gurupadayya

26.	Dr. Merrin Mathew	FT	“A Prospective study on safety surveillance of vaccines in a tertiary care hospital”.	Dr. R S Savitha
27.	Mr. Deeksha K S	FT	“Regulatory pathway for biologics and biosimilar products in regulated and emerging Markets”.	Dr. Balamuralidhara V

The total number of Students pursuing Ph.D. are: Female – 96, Male- 74

Sl. No.	Name of the Candidate	Category	Title of Thesis	Guide
1.	Aparna Appasaheb Inamadar	Full-time	Optimizing bioanalytical methods and pharmacokinetic-pharmacodynamic strategies to improve antibiotic safety profiles: clinical study insights.	Dr B M Gurupadayya
2.	G Kushala Reddy	Full-time	Impurity profiling of drugs Used in chronic diseases and evaluation of toxicity studies.	Dr. Anandkumar Tengli
3.	Gaganashree T V	Full-time	A study on developing a secular and compliant regulatory framework for real time pharmacovigilance data integration and analysis in the era of digital health	Dr.Balamuralidhara V
4.	Umarani Savita Bhimashankar		Enantiomeric separation, pharmacokinetic, and	Dr B M Gurupadayya

		Full-time	pharmacological evaluation of antihypertensive chiral drugs by ultrafast liquid chromatography technique".	
5.	Chinmayee U Gowda	Full-time	Regulatory Compliance in Pharmaceutical Packaging	Dr Meghana G S
6.	Purnima Sinha	Full-time	Nanoparticle-based drug delivery systems for improved ocular therapeutics.	Dr Venkatesh M P
7.	Ms. Bushra Begam	Part-time	Formulation and development of bioadhesive injectable hydrogel for the treatment of lower backpain	Dr. Vishal Kumar Gupta
8.	Ms. Chavi Sri Sailaja	Full-time	Design and development of nano carrier drug delivery system for managing Psoriasis	Dr. Vishal Kumar Gupta
9.	Ms.Baviya Priyadharshini Rajkumar	Full Time	Research and analysis of the regulatory requirements of medical devices.	Dr Vishal Kumar Gupta
10.	Ms. Akanksha Lahiri	Full-time	Targeted drug delivery to central nervous system"	Dr. Balamuralidhara
11.	Ms. Deeksha K S	Full-time	Regulatory pathway for biological products"	Dr. Balamuralidhara

12.	Ms. Gowthami K R	Full-time	To study the GxP requirements for Medical Devices in Pharmaceutical Industry	Dr. Balamuralidhara
13.	Ms. Ramya Subbaswami Kumable	Part-time	Quality management system in API manufacturing: A compressive framework for enhance product integrity and regulatory compliance	Dr. Balamuralidhara
14.	Ms. Jyothi SL	Full-time	Formulation and evaluation of micro needle drug delivery system for improved therapeutic efficacy of anti-psoriatic drug	Dr. Gangadharappa H V
15.	Ms. Sangeeta Mishra	Full-time	Clinical and regulatory requirements of drugs for rare diseases: global outlook	Dr. M P Venkatesh
16.	Ms. Soundarya R	Full-time	Development and evaluation of novel therapeutics for the management of triple mega breast cancer	Dr. Vikas Jain
17.	Ms. Amrita Singh	Full Time	Development & evaluation of novel combinatorial regimen against cancer	Dr Vikas Jain
18.	Ms. Garembella Lakshmi Gayathri	Full Time	Fabrication of newfangled topical spray solution for wound healing and Its characterization.	Dr. Amit B Pati

19.	Ms. Perna Kevlani	Full-time	Formulation, evaluation and treatment of Leishmaniasis	Dr. Shailesh T
20.	Ms. Visakha Surve	Part-time	Microneedle technology platforms for advanced drug delivery.	Dr. Riyaz Ali Osmani
21.	Ms. Paramshetti Sharanya Vidyadhar	Full-time	Design, development and evaluation of novel intravesicular drug delivery systems.	Dr. Asha Spandana K M
22.	Ms. Padmini D K	Part-time	Development of Polyherbal Anti viral formulation - Study of efficacy and safety against Influenza.	Dr. Asha Spandana K M
23.	Ms. Donthamalla Gunasheela	Part-time	Exploring global Cosmetic compliance regulations: A Comprehensive study	Dr. Meghana G S
24.	Ms. Peddaguravagari Mounika	Full-time	Synthesis, pharmacokinetic and anticancer evaluation of chiral isoquinoline derivatives	Dr BM Gurupadayya
25.	Ms. Chiriki Devi Sr	Full-time	Synthesis, analysis, pharmacokinetic and pharmacological evaluation of novel chiral 1,4-dihydropyridines	Dr BM Gurupadayya

26.	Ms. Erica Alves	Full-time	Bioanalytical estimation of antioxidant parameters and In vivo studies on the FN3K-Nrf2 antioxidant signaling in using novel small molecule inhibitors against Breast tumors	Dr B M Gurupadayya
27.	Ms. Manisha Singh	Full-time	Design, synthesis, and evaluation of new triazoles as anti-tubercular agents	Dr. Gurubasavaraj V Pujar
28.	Ms. Akshatha H S	Full-time	“Design, synthesis & evaluation of new small molecules as anticancer agents”	Dr. Gurubasavaraj V Pujar
29.	Ms. Madhukumari	Full time	Design and Development of dual inhibitors of HDAC and PI3K as potential anticancer agents	Dr. Gurubasavaraj V Pujar
30.	Ms.Priya Durai	Full-time	New computational and experimental approach to develop glitazones for Alzheimer's diseases by activation of PGC-1 via PPAR- γ	Dr. BR Prashantha Kumar
31.	Ms. Ruby Mariam Raju	Full-time	Computational and Experimental Approach to Develop Novel EGFR Inhibitors Against Breast	Dr. BR Prashantha Kumar

			Cancer Via Multicomponent Reactions	
32.	Ms. Aishwarya S	Full Time	Pterocarposide: Extraction, isolation, structural analysis, computational studies and biological evaluation	Dr. B R Prashantha Kumar
33.	Ms. Haritha H	Full Time	Rosmarinic acid: Extraction, isolation, structural analysis, computational studies and biological evaluation	Dr.B R Prashantha Kumar
34.	P. Archana	Full Time	Experimental and computational approaches to develop novel Glitazones: Design, Synthesis and evaluation.	Dr B R Prashantha Kumar
35.	Ms. Karthika Paul	Part Time	Screening of certain novel phytoconstituents for their anti-cancer activity by analytical techniques	Dr. R S Chandan
36.	Ms. Soundaryashree N R	Full time	Impurity profiling of Anti-asthmatics drugs through hyphenated techniques by using quality by design approach	Dr. R S Chandan

37.	Ms. Pasupuleti Laxmiprasanna	Full Time	Analytical method development & validation of pharmaceutical dosage forms using QBD approach	Dr. R S Chandan
38.	Ms. Aparajita Neogi	Full-time	Quantitative analysis of BCS second class of drugs in brain administered through non- invasive route	Dr. R S Chandan
39.	Ms. Pooja Kumari	Full-time	Design, synthesis of Novel Purine Derivatives and Evaluation of Aurora kinase A Inhibition	Dr. Anandkumar Tengli
40.	Ms. Mayuri	Full-time	Identification of novel biomarkers in breast cancer by RNA sequencing and identification of therapeutic molecules	Dr. Anandkumar Tengli
41.	Ms. Tenzin Adon	Full-time	Rational design, synthesis, and anti-proliferative potential of dual enzyme inhibitors against breast cancer	Dr. H Yogish Kumar
42.	Mrs. Sanyukta Bhattacharya	Full-time	Design and synthesis of novel heterocyclic compounds as potential anticancer agents	Dr. H Yogish Kumar

43.	Ms Deepika B V	Full Time	Finding Novel Cost-effective Process and Formulation of RISDIPLAM to treat Spinal Muscular Atrophy (SMA)	Dr. H Yogish Kumar
44.	Mrs. Daram Sushma	Part Time	Development and validation of QbD approach stability-indicating assay method for novel Anti-Neoplastic drugs and its degradation products by using LC-MS/MS	Dr Rupshee Jain
45.	Ms. Deepshikha	Full-time	Design and synthesis of Pyrrole derivatives as anti TB agents	Dr. Sheshagiri Dixit
46.	Mrs. Vidhya R	Part-time	Phytochemical and pharmacological screening of <i>Euphobia Hirta Weed</i>	Dr. Sheshagiri Dixit
47.	Ms. Nirmala A	Full Time	Investigating the unexplored horizons of heterocyclic chemistry: Synthesis, biological screening, and mechanistic insights into novel potential anticancer agents.	Dr. Sheshagiri Dixit

48.	Ms. Chittipolu Manasa	Part Time	QBD based analytical method development and validation for the estimation of approved drugs by chromatographic techniques.	Dr. Sheshagiri Dixit
49.	Aishwarya Bharathi H M	Full Time	Development of novel neuroprotective scaffolds for acute ischemic stroke: In silico design, synthesis, analysis and biological evaluation.	Dr. Prabitha P
50.	Dr. Pooja Diwedi	Full Time	A prospective study of pharmacist initiated clinical pharmacy services in NICU	Dr. Ramesh M
51.	Dr. Acsah Annie Paul	Part-time Internal	Assessment of Impact of Medication Therapy Management in Geriatric Oncology Patients	Dr. M. Ramesh
52.	Dr. Chintalapati Ascharya	Part-time	Surveillance of Adverse Drug Reactions in Special Population	Dr. M. Ramesh
53.	Ms.Shreya P Gudur	Part-time	Comparison of efficacy and safety of Dapagliflozin, Sitagliptin and Metformin triple combination therapy with Dapagliflozin monotherapy in Type-2 Diabetes Mellitus	Dr. M Ramesh

54.	Dr. Soiba Siddiqui	Full-time	Assessment of medication safety surveillance in paediatrics patients	Dr. M Ramesh
55.	Ms.Divya S Nair	Full-time	Assessment of comprehensive patient safety vigilance in critical care unit and surgery ward	Dr. M. Ramesh
56.	Dr. Sheba Baby John	Full Time	Development of Strategies to address vaccine hesitency	Dr. Savitha R S
57.	Dr. Neelima Ganzi	Full time	Evaluation of pharmaceutical care services in critically ill patients: A hospital based interventional study	Dr. R S Savitha
58.	Ms. M N V S Sandhya	Part-time	A Study of Anemia Prevalence and Awareness among Adolescent Girls of a South Indian State	Dr. R S Savitha
59.	Dr. Swathi Ramesh T C	Part-time	“Attitude towards HPV vaccine in adolescent girls and their education to improve vaccination”	Dr. Savitha R S
60.	Ms. Shilpa Palaksha	Part-time	Development and validation of skin prick test method for drug allergy	Dr. Mahesh P A Department of Pulmonology

				JSSMC, Mysuru
61.	Ms. Shwetha Shree M S	Part-time	Drug safety Assessment among elder adult population in tertiary care hospital	Dr. B. R. Jaidev Kumar
62.	Ms.Blessy K George	Part-time	Assessment of Over-the-counter drugs dispensing in the community pharmacies of Bangalore city	Dr. Jaidev Kumar B R
63.	Dr. Priya Aradhya	Full Time	Assessment of medication safety stewardship in critical care units: an active surveillance	Dr. Sri Harsha Chalasani
64.	Dr. Ravina Ravi	Full Time	An artificial intelligence assisted active surveillance of medication incidents reporting and monitoring programme in a tertiary care teaching hospital	Dr. Sri Harsha Chalasani
65.	Dr. Jehath Syed	Full Time	Implementation and evaluation of a clinical pharmacist's comprehensive geriatric care model in a tertiary care hospital	Dr. Sri Harsha Chalasani

66.	Dr. Nikita Pal	Full-time	Assessment of impact of digital technologies in managing heart failure patients remotely: A cohort study.	Dr. Sri Harsha Chalasani
67.	Ms.Rosy Raju	Full-time	Design implementation and evaluation of antimicrobial stewardship among ASHAs and Retail Pharmacist	Dr. Srikanth M S
68.	Ms. Tamsheel Fatima Roohi	Full-time	To investigate the possible protective role of resveratrol, quercetin and rutin for diabetic nephropathy when given alone and in combination with metformin, targeting endoplasmic stress pathway	Dr. K L Krishna
69.	Ms.Abu Safana Biswas	Full-time	“Evaluation of the effect of leoligin against atherosclerosis and myocardial infarction by inhibit the action of alpha 2b beta 3 effect	Dr K L Krishna
70.	Ms.Priyanka L G	Full-time	Cognitive dysfunction: A growing link between type 2 diabetics and Alzheimers disease	Dr K L Krishna

71.	Ms.Pooja G Achar	Full Time	To investigate the intricate link between stroke and epilepsy: A novel therapeutics targeting both	Dr. K. L. Krishna
72.	Ms.Ganavi B R	Full Time	To investigate the cardioprotective potentials of selected phytochemical against novel targets.	Dr. K. L. Krishna
73.	Ms. Sunanda Tuladhar	Full-time	A Study on the role of renin angiotensin system modulators on endoplasmic reticulum-mitochondria signaling in mouse model of parkinsonism	Dr. Saravana Babu. C
74.	Ms. Vichitra C	Full-time	“Investigation of the effects of P2 S composition on neuroimmune circuits in cerebral stroke	Dr. Saravana Babu. C
75.	Ms. Angaleshwari M	Full Time	Role of adaptive immunity on post stroke cognitive impairment : clinical and pre clinical investigations	Dr. Saravana Babu. C
76.	Ms. Sahyadri M	Full-time	Preclinical and therapeutic evaluation of olfaction in the treatment of Parkinson's Disease	Dr. S.N. Manjula

77.	Ms.Nachammai	Full-time	Studies to assess the role of donepezil - essential oil combination in the treatment of Alzheimer's disease	Dr. S. N. Manjula
78.	Ms. Mamatha	Part time	“Preclinical evaluation of therapeutic potential of soluble epoxide inhibitors for Alzheimer’s disease”	Dr.S.N. Manjula
79.	Ms.Namritha M P	Full time	Development and Evaluation of synergetic nutraceuticals for antiproliferative activity	Dr.S.N. Manjula
80.	Dr. Yerramsetty Naga Lakshmi Durga	Full time	A Prospective study among cancer patients in Tertiary Care Hospital	Dr.S.N. Manjula
81.	Ms Salini P Nair	Full Time	Evaluation of radiosensitizing effect of immuomodulators in cancer therapy	Dr S N Manjula
82.	Ms.Nayaab Samrin M Nafis	Full Time	The role of active component snail mucin in liposomal formulation for psoriasis treatment	Dr S N Manjula
83.	Ms. Simi S M	Part time	“Formulation and evaluation of self dissolving microneedle-based patches for	Dr. Nagashree.K. S

			localized drug delivery in breast cancer”	
84.	Ms.Chaithra S R	Full-time	“Development and Evaluation of herbal drug enriched 3 D Scfaffold matrix for wound healing”	Dr K S Nagashree
85.	Amritha Babu	Full-time	Evaluation of plant based folk medicine for local tissue damage induced by Echis carinatus venom	Dr. Dithu Thekkekkara
86.	Krishnalekha Bandyopadhyay	Full Time	Evaluation of therapeutic potential of phytochemicals for modulation of molecular pathophysiology in Parkinsons disease	Dr Dithu Thekkekkara
87.	Ms. Apurba Banerjee	Part Time	Drug Repurposing and mechanism-based prevention of chemotherapy induced neuropathic pain in rats	Dr Dithu Thekkekkara
88.	Ms. Krishnalekha Bandyopadhyay	Full Time	Evaluation of Therapeutic potential of phytochemicals for modulation of molecular pathophysiology in Parkinson’s disease	Dr Dithu Thekkekkara

89.	Ms Shruthi N	Part Time	Neuroprotective effect of medicinal plants	Dr Seema Mehdi
90.	Ms. Kazi Heena Shijauddin	Full-time	Evaluation of phytoconstituents for the management of arthritis	Dr. Seema Mehdi
91.	Ms. Hari Priya G	Part-time Internal	Isolation, spectral analysis and formulation of selected natural products.	Dr.J.Suresh
92.	Ms Rajeswari S	Full-time	“Metabolic syndrome: Pathophysiology, management, and modulation by phyto extracts and natural compounds from selected plant species	Dr.J.Suresh
93.	Ms.Prathima R	Full-time	Isolation and characterization of Mycosporine like amino acids from algae	Dr.J.Suresh
94.	Ms. Rozeena Nigar	Part-time	Pharmacognostical, Phytochemical and Pharmacological Screening of selected Medicinal Plants	Dr.J.Suresh

95.	Ms. Nababitha Dey	Full time	Pharmacognostical, Phytochemical, and Pharmacological Screening of selected Medicinal Plants	Dr.J.Suresh
96.	Ms. Roopa R	Full-time	Screening and validation of selected herbs containing serine and choline for memory enhancing activity	Dr. K Mruthunjaya
97.	Ms. Sparsh Bhat	Full time	Evaluation, validation & standardization of traditional/folklore medicine for their biological properties	Dr. K Mruthunjaya
98.	Ms. Kouser Sulthana	Part time	Formulations and evaluation of herbal nano formulations for treatment of cancer	Dr.K.Mruthunjaya
99.	Mrs. Meera Bhaskaran Nair	Part time	Isolation, characterization and evaluation of phytoconstituents from less explored plants for their biological properties.	Dr.K.Mruthunjaya
100.	Ganavi B R	Full time	To investigate the cardioprotective potentials of selected phytochemical against novel targets.	Dr.K.L Krishna

101.	Arik Nabi Shah	Part time (External)	Off-label use of drugs in different countries.	Dr Vishal Kumar Gupta
102.	P. Archana	Full time	Experimental and computational approaches to develop novel Glitazones: Design, Synthesis and evaluation.	Dr B R Prashantha Kumar
Male Students				
1.	Bahirwal Omkar Laxman	Full time	Assessment of clinical pharmacist intervention among infectious diseases in tertiary care hospital of Mysuru city.	Dr. B R Jaidev Kumar
2.	Parasuraman. R	Full time	Design, synthesis and evaluation of aurorakinase Aurorakinase inhibition activity.	Dr Anand Kumar Tengli
3.	Angel Raju	Full time	Administration of Withania Somnifera derived exosome like nanovesicles functionalised with miRNA against Alzheimers disease.	Dr.Ram Mohan Ram Kumar

4.	Tuhin Das	Full time	“Comprehensive assessment of adverse drug reactions and economic burden on vulnerable populations in a tertiary care hospital”.	Dr B R Jaidev Kumar
5.	Pattaluchetty P	Full time	Development of nano-formulated pediatric formulation: A novel approach to pain management.	Dr Chandan R S
6.	Krishnasis Chakraborty	Part Time (E)	Scope of advanced business technologies and their transformation in pharma regulatory sciences, the future revolution: A global study.	Dr Amit B Patil
7.	Payyaula Naresh	Full time	Design, synthesis and evaluation of novel heterocycles as dual acting beta tubulin inhibitors for anti-cancer agents.	Dr Prabitha P
8.	Jasleen Kaur Minhas	Part Time (E)	Development and evaluation of nanoparticulate system for the treatment of Alzheimers disease.	Dr Vishal Kumar Gupta
9.	Chethan M	Full time	Twin screw hot melt extrusion application in formulation of different forms and its evaluation	Dr Amit B Patil

10.	Dinesh P	Full time	Isolation, characterization and in- vitro evaluation of selected endophytes fractions for their biological properties.	Dr K Mruthunjaya
11.	Mr. Mallikarjuna Nagur	Part-time	Policy research in pharmaceutical supply chain and its impact on public	Dr. T M Pramod Kumar
12.	Mr Harish Kumar Jain	Part-time	One word one regulation regime for vaccines	Dr. T M Pramod Kumar
13.	Mr. Akshay Anand M	Part-time	A study on the regulatory perspectives and challenges for the healthcare technologies of industry 4.0.	Dr. T M Pramod Kumar
14.	Mr. Kumar C	Part-time	To study an application of automation technology in designing regulatory documents for Medicinal Products	Dr. T M Pramod Kumar
15.	Mr. Souvik Chakraborty	Full-time	Development and evaluation of transdermal patches for the treatment of osteoarthritis	Dr. Vishal Kumar Gupta

16.	Mr. Andanayya Saraganachari	Part-time	Development and evaluation of nanobased ocular drug delivery system for Glaucoma	Dr. Vishal Kumar Gupta
17.	Mr.VNS Krishna Chaitanya G	Part Time	Regulatory approach for product registration of a new product, generic products and life cycle management for ROW markets.	Dr. Vishal Kumar Gupta
18.	Mr.Arik Nabi Shah	Part Time	Off-label use of drugs in different countries.	Dr Vishal Kumar Gupta
19.	Mr. Natesh Gunturu	Part-time	Regulatory Pathway of Medical devices in regulated and ROW market	Dr. Balamuralidhara V
20.	Mr. Keerthiraj K S	Full-time	Design, development and evaluation of novel drug delivery system for diabetic wounds.	Dr. Balamuralidhara
21.	Mr. Ashok Kumar J	Part-time	Key GMP & GCP requirements for combination products (Drug and device) Regulations in Emerging markets & ICH countries	Dr K Bangarurajan

22.	Mr.Thenneti Prasanna Kumar	Part-time	Scientific regulatory pathways for regulatory approval of complex generics.	Dr. K Bangarurajan
23.	Mr. Thontesh G.C.	Part-time	To study the regulatory considerations for Biologicals & Biosimilars application management from global perspectives.	Dr. Gangadharappa H V
24.	Mr. Sanjay J	Full-time	Formulation and Characterization of anti-cancer drugs loaded-silk fibroin nanoparticles as a carrier for epithelial growth factor receptor in treatment of cervix cancer	Dr. Gangadharappa H V
25.	Mr. M S Arun	Part-time	Evaluation of Polyherbal Formulation for Immunobooster Activity	Dr Gangadharappa H V
26.	Mr.Helode Deven Dinkar	Full Time	Carbon nanotube-based drug delivery by cancer target.	Dr. Gangadharappa H V
27.	Mr. Shankarappa Janiwarad	Part-time	Formulation development evaluation and suitability assessment of container closure system for sterile injectables.	Dr. M P Venkatesh

28.	Mr. Arjun M	Full-time	Advancement in Regulatory Affairs Tools and Applications: Implications and implementation	Dr. M P Venkatesh
29.	Mr. Pawar Anil Tukaram	Part-time	Regulatory considerations for herbal and dietary supplements: global assessment	Dr. M P Venkatesh
30.	Mr. Pranab Moudgil	Part Time	Global regulatory registration of modified release dosage forms (Oral and Injectable) and harmonised life cycle management	Dr. M P Venkatesh
31.	Mr. Maged Almohsine	Full-time	Nanoparticulate mediated targeted drug delivery system of an anticancer drug	Dr. Amit B Patil
32.	Mr. Sangram Ambalgiker	Part-time	Fabrication of novel herbal polymeric dispersion using twin screw HME technique and its evaluation.	Dr. Amit B Patil
33.	Ms. Garemella Lakshmi Gayathri	Full Time	Fabrication of newfangled topical spray solution for wound healing and Its characterization.	Dr. Amit B Pati

34.	Mr. Basavaraj H C	Part-time	Gut Microbiome Regulatory in India	Dr. Gowrav M.P.
35.	Mr. Shreyas M Burji	Part-time	Regulatory affairs on CAR-T cell therapy	Dr. Gowrav M.P.
36.	Mr. Hrushikesava Reddy	Part-time	Solubility enhancement and processability to dosage forms	Dr. Gowrav M.P.
37.	Mr. Manohar S K	Full-time	Formulation and evaluation orodispersible tablets	Dr. Gowrav M.P.
38.	Mr. Channabasayya Tippimath	Part-time	Solubility enhancement techniques.	Dr. Shailesh T
39.	Mr. Tejas A	Full-time	Formulation and evaluation of nanodrug delivery system for the treatment of Cervical cancer	Dr. Shailesh T
40.	Mr. Kiran Raj G	Full-time	Design, development and evaluation of novel drug delivery system for endometriosis	Dr. Riyaz Ali Osmani

41.	Mr. Sharath H P	Full-time	Design, development and evaluation of novel drug delivery system	Dr. Riyaz Ali Osmani
42.	Mr. Madhuchandra K	Full-time	Design, development and evaluation of self-dissolving microneedles for therapeutics application	Dr. Riyaz Ali Osmani
43.	Mr. Cuddapah Sandeep	Part-time	Implementation and verification of security aspects in GXP Software Data Life Cycle.	Dr. Hemanth Kumar S
44.	Mr. Mohit Mahesh Angolkar	Full-time	Design, development and evaluation of novel drug delivery systems for cancer therapy.	Dr. Asha Spandana K M
45.	Mr. Darshan Patil	Full-time	Design, Development and Evaluation of Novel Drug Delivery Sysytem	Dr. Asha Spandana K M
46.	Mr. Veera Venkata Nishanth Goli	Full-time	A QbD Approach for analytical method development by liquid chromatographic technique for antimalarial drugs and its impurities in drug substances	Dr BM Gurupadayya

47.	Mr. Hemanth Vikram P R	Full-time	“LC-MS/MS methods for the determination of nitrosamine impurities in API/drug products and development of its mitigation strategies”	Dr BM Gurupadayya
48.	Mr.Arun Kumar S	Full-time	Design, synthesis and evaluation of novel azole conjugates as anti-tubercular agents	Dr. Gurubasavaraj V Pujar
49.	Mr. Durgesh Paresh Bidye	Full-time	Chemical and biological characterization of postbiotics from probiotic lactobacillus species	Dr. Gurubasavaraj V Pujar
50.	Mr. Kadam Rahul Jayasing	Part Time	Development of stability indicating analytical methods for advanced formulations: study of formulation and process parameters on drug stability	Dr. M N Purohit
51.	Mr. Durgesh Paresh Bidye	Full-time	Chemical and biological characterization of postbiotics from probiotic lactobacillus species	Dr G V Pujar
52.	Mr. Syed Faizan Rajak	Full time	Computational and experimental approach to explore multicomponent reactions in drug discovery process: design, synthesis,	Dr. BR Prashantha Kumar

			analysis and biological evaluation	
53.	Mr. Chethan I A	Part Time Internal	Standardization of Vitex Altissima & Argyria Cymosa Plants plants from Coorg district and evaluation of their Antioxidant and Hepatoprotective Properties	Dr. Jaishree V
54.	Mr. Gajanana S	Full Time	Design, synthesis invitro/invivo evaluation of anticancer activity against breast cancer	Dr. Anand Kumar Tengli
55.	Mr. Mahesh	Part Time	Analytical and bioanalytical method development and validation of combinational dosage form	Dr. Anand Kumar Tengli
56.	Mr. Gopal A P	Full Time	Finding Novel Cost-effective Process and Formulation of RISDIPLAM to treat Spinal Muscular Atrophy (SMA)	Dr. H Yogish Kumar
57.	Mr. Krishna Yallappa Kolachi	Full Time	Computational Exploration and synthesis of novel heterocyclic derivatives as potent monoamine oxidase inhibitors	Dr. Prabitha P

58.	Mr. S. Balaji	Part-time Internal	Assessment of Impact of Clinical Pharmacist on Patient Reported Outcome Measures among Seropositive Patients	Dr. M. Ramesh
59.	Dr. Chintalapati Ascharya	Part-time	Surveillance of Adverse Drug Reactions in Special Population	Dr. M. Ramesh
60.	Dr. Jehath Syed	Full Time	Implementation and evaluation of a clinical pharmacist's comprehensive geriatric care model in a tertiary care hospital	Dr. Sri Harsha Chalasani
61.	C. Ravi	Part-time	Development and Validation of a patient-reported outcome measure for chronic disease burden in the Indian context	Dr. Sri Harsha Chalasani
62.	Dr. U. R. Rakshith	Part Time	Implementation and Evaluation of Community Pharmacy Based Medication Synchronisation Program on Medication Adherence	Dr. M. S. Srikanth
63.	Mr. Atiqulla Shariff	Full Time	Introduction and evaluation of Modern Teaching & Assessment Methods for Pharmacy Practice Courses at JSS AHER	Dr. M. S. Srikanth

64.	Dr. Ravindra	Full-time	Implementation and evaluation of ambulatory pharmacy practice services; A novel approach to pharmacy practice in India	Dr. Srikanth M S
65.	Dr. Mohammed Daiyaan Khan	Full-time	Corticosteroid stewardship in a tertiary care hospital in India	Dr. Srikanth M S
66.	Mr. Saleem Ahmed	Part time	Evaluation of memory enhancing property of Erythrina variegata leaves and their phytochemical investigation	Dr.K.L. Krishna
67.	Mr.Chethan K S	Full time	Evaluation of antiparkinsonian activity of selected phytochemical targeting novel pathway	Dr K L Krishna
68.	Mr.Tousif Ahmed Hediya	Full-time	An investigation on the role of short chain fatty acids in a rat model of chronic cerebral hypoperfusion	Dr. Saravana Babu. C
69.	Mr.M Kalyan	Full-time	A study on the role of selected micro-RNA nanoparticles on neuroimmune and biological barrier function in cerebral stroke	Dr. Saravana Babu. C

70.	Mr. Sathish Kumar G	Full time	Role of Gut Microbiota in Hypertension associated cerebral small vessel disease.	Dr. Saravana Babu. C
71.	Dr. Shaik M Mahammad Suhail	Full-time	Therapeutic potential of novel fourth generation EGFR inhibitors for non-small cell lung carcinoma”	Dr.S.N. Manjula
72.	Mr.Dhilip V R	Part Time	A Study on the effects of selected yoga asanas on gut health and cognition in post stroke survivors.	Dr. Saravana Babu. C
73.	Mr.Ravichandra Vandal	Full- time	Investigation of selected medicinal plants for their protective effect against BPH.	Dr S N Manjula
74.	Mr. Vinay M D	Part-time	Development and evaluation of natural-product based prebiotics against chronic sleep restriction induced endotoxemia and cognitive decline in mouse model	Dr. Mahalakshmi A M
75.	Mr. Naveen Kumar K	Full time	Evaluation of safety and neuroprotective effects of selected microbial derived extracellular vesicles in a rat model of cerebral stroke	Dr. Mahalakshmi A M

76.	Dr Uppu Srinivas	Part Time	Identification of onkogentic factors and their relationship with different stages of metastasis	Dr K S Nagashree
77.	Mr. Dayanand L	Full Time	Design and development of herbal drug enriched scaffold for diabetic wound healing	Dr K S Nagashree
78.	Amritha Babu	Full-time	Evaluation of plant based folk medicine for local tissue damage induced by Echis carinatus venom	Dr. Dithu Thekkekkara
79.	Mr. Banerjee Aniruddha Sailen	Part-time	Evaluation of therapeutic potential of COX-I inhibitors in for Alzheimer's Disease	Dr Dithu Thekkekkara
80.	Mr. Amit Anand	Full Time	Identification of anticancer metabolites from selected medicinal plants using in vitro studies and metabolomics.	Dr.K.Mruthunjaya
81.	Mr.Reddiprasad Gutha	Part Time	Development, characterization & safety evaluation of novel dermal fillers with enhanced efficacy and delayed biodegradability.	Dr. K Mruthunjaya

82.	Mr. Rajendra Prasad	Part-time	Evaluation Of In-Vitro and In-Vivo Antioxidant And Hepatoprotective Potency Of Herbal Formulation Composed Of Potential Indian Medicinal Plants	Dr. N Paramakrishnan
83.	C. Ravi	Part-Time (External)	"Development and validation of a patient-reported outcome measure for chronic disease burden in the Indian context".	Dr Sri Harsha Chalasani
84.	Gopal A P	Full Time	Finding novel cost-effective process of RISDIPLAM to treat spinal muscular atrophy (SMA).	Dr Yogish Kumar H

10.7 Seminars/ Conferences attended by Female Faculty members

All faculty are encouraged to attend seminars/conferences as delegates a speakers to deliver expert talks on various National and International platforms. The female faculty will reflect a belief that, through mechanisms such as role model effects, increased safety, reduced prejudices, and greater identification and empathy, female teachers are arguably more effective in increasing girls' achievement at all levels. Diversity initiatives in higher education must address the recruitment, retention, and promotion of women faculty. These initiatives are synergistic and must be coordinated across the institution at all levels to create a healthy campus climate.

The details of seminars/ conferences attended by the faculty are given below: A total of 64

Sl. No	Name of the faculty	Details of conferences / Workshops/seminars attended	Dates of the event and Organizer	Regional / State / National	As a Delegate / Chaired / Guest speaker etc.
1.	Dr. Preethi.S	Faculty development program (FDP) on advances in teaching and research pedagogies in pharmaceutical sciences	13 th to 17 th Feb 2025. St. peters institute of pharmaceutical sciences in association with indian pharmaceutical association	National	Delegate
2.	Dr. Preethi.S	Participated in two-day workshop on Outcome-Based Education Organized by Internal Quality Assurance Cell (IQAC)	4-5 th December 2024 JSSAHER.	National	Delegate
3.	Dr.Prabitha P	Diving Deep: Exploring Molecular Docking and Homology Modelling in Computational Drug Design	06 th June 2024 Monash University	International	Speaker
4.	Dr. Preethi.S	Webinar Series on "Advanced Computer-Aided Drug Design (CADD) Concepts and	12 – 23 rd May, 2025	National	Delegate

		Workflows Using the Schrödinger Suite."	JSSAHER, Mysuru		
5.	Dr. Acsah Annie Paul	Workshop on Flipped Classroom Pedagogy	June 7 th 2024, JSS Medical College	Regional	Delegate
6.	Dr. Manjula S.N	Asian Conference on Pharmacoepidemiology (ACPE)	12-14 th Oct 2024 University of Tokyo, Japan	International	Delegate
7.	Dr. Manjula S.N	APTICON Bhubaneswar	28- 29 th September 2024 APTICON Bhubaneswar	National	Delegate
8.	Dr. Manjula S.N	International conference APSECON 2025	Sarada Vilas College of pharmacy, Mysuru	National	Delegate
9.	Dr. Manjula S.N	Conference	28- 29 th September 2024	International	Delegate
10.	Dr. Manjula S.N	Conference	28-29 th September 2024.	National	Delegate
11.	Dr. Manjula S.N	IPSCON	28- 30 th November 2024	National	Delegate
12.	Dr. Manjula S.N	Research scholar conclave	27 -28 th Feb 2025	National	Delegate

			JSS Medical College, Mysuru		
13.	Dr. Manjula S.N	Research scholar conclave	27-28 th Feb 2025 JSS Medical College Mysuru	National	Delegate
14.	Dr. Manjula S.N	Research scholar conclave	27 -28 th Feb 2025 JSS Medical College, mysuru	National	Delegate
15.	Dr. Manjula S.N	Conference	12-13 th Nov 2024, Goa College of Pharmacy	International Conference	Delegate
16.	Dr. Manjula S.N	Conference	13-14 th September 2024 JSS College of Pharmacy Ooty	National	Delegate
17.	Dr. Manjula S.N	Participated in two-day workshop on Outcome-Based Education Organized by Internal Quality Assurance Cell (IQAC)	4-5 th December 2024 JSSAHER.	National	Delegate
18.	Dr. Manjula S.N	Yusuf Hamied Chemistry Camp	9 th December 2024 JSS College Of Pharmacy, JSSAHER, Mysuru	National	speaker
19.	Dr. Manjula S.N	Participated as at the Research Scholar	27& 28 th	National	Delegate

		Conference in Health Science and Life Science-2025	February 2025.JSSAHER held on		
20.	Haripriya G	Outcome based education and application of Generative AI in Teaching and research	02 to 09 th Jan 2025 organised by Govt. College for Women, Guntur in Association with IPSR.	Training program	Delegate
21.	Ambika M S	Conducted a guest lecture on Medical Writing	22 nd June 2024 12:00 PM in online mode and the speaker was Mr. John Nathala, Medical Writer, Indegene Pvt. Ltd. Bangalore.	National	Delegate
22.	Ambika M S	Member of organizing committee in VAP Triple	J25 th -26 th October 2024 JSS College of Pharmacy, Mysuru.	National	Delegate
23.	Ambika M S	Attended OBE workshop on organized by IQAC	4 th and 5 th December 2024, JSS College of Pharmacy, Mysuru.	National	Delegate
24.	Ambika M S	Participated and presented oral presentation in Research Scholars Conference conducted by JSSAHER	27 & 28 th February 2025.	National	Delegate

25.	Ambika M S	Quality Assurance in Student Assessment by IQAC	IQAC, CCLPE & Office of controller of examinations of JSSAHER 16 th April 2025.	National	Delegate
26	Dr.Akhila AR	The New Era of Pharma Precision Care ,Global Collaboration and Environmental Responsibil	20 th February 2025Krupa Nidhi college of pharmacy , Bangalore	National	Delegate
27	Dr.Akhila AR	iQAC for continuous and lifelong learning for professional excellence office of controller of examinations	16 th April 2025 JSSAHER	National	Delegate

10.8 Outreach activities, NSS Activity

The NSS Unit JSS College of Pharmacy in association with the Department of Pharmaceutics organised gender inequality in terms of education, prevailing in our society and socioeconomic situations at Bidarahalli Hundi village, Shrirangapattana taluk, Mandya district on 23rd February 2025 at 5.30pm in the Guru Malleshwara Matta. Dr. Preethi S., a Lecturer from the Department of Pharmaceutics, organized the skit with active participation from II B.Pharm students. The skit effectively highlighted the importance of health insurance policies for improving public health and emphasized the utilization of various government and non-government health insurance schemes available. The state of Karnataka offers several government health insurance programs, including the Vajpayee Arogyashree, Yeshaswini Scheme, Rajiv Arogya Bhagya Scheme, Rashtriya Swasthya Bima Yojana (RSBY), RSBY for senior citizens, Rashtriya Bala Swasthya Karyakram (RBSK), Mukhyamantri Santwana Harish Scheme, Indira Suraksha Yojane, and the Cochlear Implant Scheme. These schemes will all be integrated under the new Arogya Karnataka Scheme. The Arogya Karnataka Scheme is a cashless, seamless, and comprehensive healthcare initiative that covers both Allopathy and AYUSH systems of medicine. Its main objective is to provide Universal Health Coverage to all residents of Karnataka. This new scheme will offer primary healthcare as well as specified secondary and tertiary healthcare benefits.

The event was a great success, with active participation from the villagers and lively interaction throughout. Over 200 villagers, along with college students, Ms. Impana and Ms. Thanushree II B.Pharm team, took part in the skit during the health awareness program. The skit highlighted the importance of government health insurance schemes as a vital tool for promoting public health, ensuring that healthcare remains accessible, affordable, and equitable for all. Additionally, the staff engaged with the community, explaining how to access health insurance, improve preventive care, and reduce financial barriers. These initiatives are key to addressing health disparities, leading to better health outcomes and a more resilient healthcare system. The skit received an enthusiastic and positive response from the villagers, who greatly benefitted from the outreach and information provided.

English Debate

The literary event titled “**Eloquence of English Debate**” was held at **Lecture Hall-6, JSS College of Pharmacy, Mysuru**, on **30th September 2024**. The event featured **eight participants** representing various academic programs of the college. The debate focused on the theme “**Tracking and Evaluating Inequities**”, encouraging insightful discussions and critical thinking on social disparities.

Writing Marathon

The next event in the literary series was the **Writing Marathon**, held on **28th September 2024** at **Lecture Hall-1 (LH-1), JSS College of Pharmacy, Mysuru**. The event witnessed enthusiastic participation from **12 students** representing various academic programs across the college. The theme for the marathon was **“Beyond Borders, Beyond Barriers”**, encouraging participants to creatively express their perspectives on global unity, equity, and social inclusion. The Winners are First Place: *Sandra Biju* – V Pharm D, Second Place: *T. Charumathi* – IV Pharm D, Third Place: *Rimi Raju* – IV Pharm D. The event successfully fostered creativity, critical thinking, and literary engagement among students.

1.9 Details of Publications, Patents and Book chapters

DETAILS OF PUBLICATIONS					
Sl. No	Title of the paper	Authors	Journal Name with ISSN Number	IF	International/National/quartile journal (Q) Indexed
1.	Impurities in Drug Substance-An Overview of ICH Q3A, Q3C and M7 Guidelines	Sonal Jesa Dsouza, Sandeep DS, Narayana Charyulu R, Gowrav MP, Pradeep HK	International Journal of Pharmaceutical Investigation/ ISSN: 2230-9713	0.5	National Web of sciences

2.	An Update on Emergent Nano-Therapeutic Strategies against Pediatric Brain Tumors	AVVV Ravi Kiran, Afrasim M, AS Abu Lila, Asha PJ, Kusuma GK, Gangadharappa HV, Praveen TK, Riyaz AMO, Madhuchandra K, Syed Mohd Danish Rizvi	Brain Science/ ISSN: 2076-3425	3.3	International (Q3)Scopus and Web of science
3.	Navigating Global Regulatory Requirements for Generic Drugs: A Comparative Study of MIST, BRICS, and ICH Countries	J Kumar, A Ramkishan, Venkatesh MP	International Journal of Pharmaceutical Investigation/ ISSN: 2230-9713	0.5	National, Web of sciences
4.	Role of Traditional Plant Compounds in the Treatment of Neuropsychiatric Diseases	Halagali PS, Preethi S	International Journal of Pharmaceutical Investigation/ ISSN: 2230-9713	0.5	National, Web of sciences
5.	Formulation and Evaluation of Microspheres Drug Delivery for Multiple Sclerosis Disease Condition	Kiran K Jadhav, Gangadharappa H V	International Journal of Drug Delivery Technology/ ISSN: 0975 4415	1.529	National, Scopus
6.	Bioanalytical method development and validation for the	Johnson AP, Jyothi SL, Vikram PH, Pramod K,	Microchemical Journal/ ISSN: 1095-9149	4.8	International (Q1)Scopus and

	quantification of raloxifene hydrochloride from mice plasma by RP-HPLC	Venkatesh MP, Osmani RA, Gangadharappa HV			Web of Science
7.	From skin to brain: pioneering transdermal drug delivery for parkinsons patients	Santhosh raj R K , Lahiri A, Balamuralidhara V	International Journal of Biology, Pharmacy and Allied Sciences/ ISSN: 2277-4998	Nil	National, Web of Science
8.	Formulation and Evaluation of Fumaria parviflora Loaded Oil in Water Emulsion-Based Cream	Arjun HR, Somanna P	International Journal of Pharmaceutical Investigation/ ISSN: 2230-9713	Nil	National, Web of science
9.	Bitter yet beneficial: The dual role of dietary alkaloids in managing diabetes and enhancing cognitive function	Alkanad M, Hani U, V AH, Ghazwani M, Haider N, Osmani RA, MD P, Hamsalakshmi, Bhat R	Biofactors/ ISSN: 1872-8081	6.0	International (Q1) Scopus and Web of Science
10.	Pioneering a paradigm shift in tissue engineering and regeneration with polysaccharides and proteins-based scaffolds: A comprehensive review	Angolkar M, Paramshetti S, Gahtani RM, Al Shahrani M, Hani U, Talath S, Osmani RA, Spandana A, Gangadharappa HV, Gundawar R	International journal of biological macromolecules/ ISSN: 1879-0003	8.2	International (Q1) Scopus and Web of Science

11.	Nanoemulsion through cold emulsification: An advanced cold manufacturing process for a stable and advanced drug delivery system	Bhatt P, Bhatt T, Jain V, Jain R, Bigoniya P	Journal of Applied Pharmaceutical Science/ ISSN: 2231-3354	Nil	National (Q2)Scopus
12.	Unlocking the potential of nanocarrier-mediated mRNA delivery across diverse biomedical frontiers: A comprehensive review	Pawar S, Pingale P, Garkal A, Osmani RA, Gajbhiye K, Kulkarni M, Pardeshi K, Mehta T, Rajput A	International journal of biological macromolecules/ ISSN: 1879-0003	8.2	International (Q1)Scopus and Web of Science
13.	Drug eluting protein and polysaccharides-based biofunctionalized fabric textiles- pioneering a new frontier in tissue engineering: An extensive review	Garg A, Alfatease A, Hani U, Haider N, Akbar MJ, Talath S, Angolkar M, Paramshetti S, Osmani RA, Gundawar R	International journal of biological macromolecules/ ISSN: 1879-0003	8.2	International (Q1) Scopus and Web of Science
14.	Simvastatin-Encapsulated Topical Liposomal Gel for Augmented Wound Healing: Optimization Using the Box-Behnken Model, Evaluations, and In Vivo Studies	Rahamathulla M, Pokale R, Al-ebini Y, Osmani RA, Thajudeen KY, Gundawar R, Ahmed MM, Farhana SA, Shivanandappa TB	Pharmaceuticals/ ISSN: 1424-8247	4.6	International (Q1) Scopus and Web of Science

15.	Harnessing DNA origamis therapeutic potential for revolutionizing cardiovascular disease treatment: A comprehensive review	Bonde S, Osmani RA, Trivedi R, Patravale V, Angolkar M, Prasad AG, Ravikumar AA	International Journal of Biological Macromolecules/ ISSN: 1879-0003	8.2	International Q1 Scopus and Web of Science
16.	Box-Behnken Design-Based Optimization and Evaluation of Lipid-Based Nano Drug Delivery System for Brain Targeting of Bromocriptine	KM AS, Angolkar M, Rahamathulla M, Thajudeen KY, Ahmed MM, Farhana SA, Shivanandappa TB, Paramshetti S, Osmani RA, Natarajan J	Pharmaceuticals/ ISSN:1424-8247	4.3	International (Q1)Scopus and Web of Science
17.	A review of silk fibroin based drug delivery systems and their applications	Yadav RH, Kenchegowda M, Angolkar M, Meghana TS, Osmani RA, Palaksha S, Gangadharappa HV	European Polymer Journal/ ISSN: 1873-1945	5.8	International(Q10) Scopus and Web of Science
18.	A Regulatory perspective for gene therapy products in the US, EU and Japan and future aspects.	Balasubramanya P. K, Sangita Mishra, M. P. Venkatesh	International journal of pharmacy and pharmaceutical sciences/ ISSN: 0975-1491	Nil	National, Scopus

19.	Investigation of violations of Indian laws in medicines/treatment advertising in newspapers:	M Arjun, Venkatesh M. P and Satish S	International Journal of Biology, Pharmacy and Allied Sciences/ ISSN: 2277-4998	Nil	National, Scopus
20.	Development, optimization and in vitro characterization of haloperidol nano crystals using 3² factorial design.	Saritha D, Chandra Bose PS, Osmani RA, Iriventi P.	International Journal of Applied Pharmaceutics/ ISSN: 0975-7058	Nil	National, Scopus
21.	Exosomes as a roadmap from research to clinical development in the management of skin diseases.	Mane R, Dhumal A, Shinde S, Vardikar A, Osmani RA, Rajput A.	Journal of Drug Delivery Science and Technology/ ISSN: 2588-8943	4.5	International(Q1) Scopus and Web of Science
22.	Unravelling the in vivo dynamics of liposomes: Insights into biodistribution and cellular membrane interactions	Paramshetti S, Angolkar M, Talath S, Osmani RA, Spandana A, Al Fatease A, Hani U, Ramesh KV, Singh E.	Life Sciences/ ISSN: 1879-0631	5.2	International (Q1)Scopus and Web of Science
23.	Benzothiazole derivatives as p53 MDM2 inhibitors in silico design ADMET predictions molecular	Shridhar DN, BC Revanasiddappa, Sheshagiri D, Abhimanyu A,	Journal of Biomolecular Structure	4.4	International (Q1)Scopus and Web of Science

	docking MM GBSA Assay MD simulations studies	Shivakumar, Sudeep DG, Udaya Kumar D	and Dynamics/ ISSN: 1538-0254		
24.	Comparative analysis of the skin surface lipids between acne patients and controls using UFLC method	M Walia, BM Gurupadayya, Vinutha Rangappa, Veeranna S, Konala H	Accreditation and Quality Assurance/ ISSN: 1432-0517	0.9	International (Q3) Scopus and Web of Science
25.	Rational design, synthesis, analysis and antifungal activity of novel myristic acid derivatives as N-myristoyltransferase inhibitors	Javid S, Aishwarya S, Dhivya S, Haritha H, MN Purohit, B R Prashantha Kumar, Yogish Kumar H, Rajaguru A, Kiran CN, NBS Nagojappa, NF Anjum	Journal of Molecular Structure/ISSN: 1872-8014	3.841	International (Q1) Scopus and Web of Science
26.	Isatin-tethered halogen-containing acylhydrazone derivatives as monoamine oxidase inhibitor with neuroprotective effect(Research)	Sunil Kumar , Jong Min Oh , Prabitha Prabhakaran , Abhimanyu Awasti , Hoon Kim & Bijo Mathew	Scientific reports/ISSN: 2045-2322	4.6	International (Q1)Scopus and Web of Science
27.	Novel Perspectives of TSLP and RXR Signaling in Corticosteroid-Resistant Asthma: Updates on TSLP Blockers (Review)	Zhang S, Dsouza K, Beeraka NM, Liu J, Reshetniak O, Pr HV, Priyanka LG, Greeshma MV, Bhupalam PK, Pa	Current medicinal chemistry/ISSN: 1875-533X	4.1	International (Q3)Scopus and Web of Science

	(Intercollegiate Publication)	M, Manogaran P, Gurupadayya Bannimath.			
28.	Expression Patterns and Relevance of FN3K, Nrf2, and NQO1 in Breast Cancers	Beeraka NM, Zhang J, Uthaiah CA, Anastasia CA, Liu J, Gurupadayya Bannimath, Ramachandrappa HV, Priyanka MK, Bannimath N, Deka R, Manogaran P, Souza KD	Eurasian Journal of Medicine and oncology/ ISSN 2587-196X	2.5	International (Q1) Scopus and Web of Science
29.	Design, synthesis and evaluation of new thiazolidin-4-ones as LPA1 receptor antagonists for breast cancer therapy	Bhagyalalitha M, Prabhu A, Hs A, Kumar SA, Singh M, Pujar KG, Pujar GV.	Future Medicinal Chemistry/ ISSN: 1756-8927	4.2	International (Q3) Scopus and Web of Science
30.	Anticancer potential of novel symmetrical and asymmetrical dihydropyridines against breast cancer via EGFR inhibition: molecular design, synthesis, analysis and screening	Faizan S, Talath S, Wali AF, Hani U, Haider N, Mandal SP, Kumar BP.	RSC Advances/ ISSN: 2046-2069	3.9	International (Q1) Scopus and Web of Science
31.	A multifaceted approach for the development of novel Hantzsch 1,4-	Sruthi AS, Faizan S, Vikram H, Veena NG, Susil A, Harindranath H,	Results in Chemistry/ ISSN 2211-7156	2.3	International (Q3) Scopus and Web of Science

	dihydropyridines as anticancer agents: Rational design, parallel synthesis, analysis	Kumar SV, Shivaraju VK, Kumar BP			
32.	Quinone scaffolds as potential therapeutic anticancer agents: Chemistry, mechanism of Actions, Structure-Activity relationships and future perspective	Faizan S, Mohsen MM, Amarakanth C, Justin A, Rahangdale RR, Chandrashekar HR, Kumar BP	Results in Chemistry/ ISSN 2211-7156	2.3	International (Q1) Scopus and Web of Science
33.	Design, synthesis of new 2,4-thiazolidinediones: In-silico, in-vivo anti-diabetic and anti-inflammatory evaluation	Gharge S, Alegaon SG, Ranade SD, Khatib NA, Kavalapure RS, Kumar BP, Vinod D, Bavage NB	European Journal of Medicinal Chemistry Reports/ ISSN: 2772-4174	-	International (Q3) Scopus and Web of Science
34.	Pharmacokinetics and Pharmacodynamics of a Nanostructured Lipid Carrier Co-Encapsulating Artemether and miRNA for Mitigating Cerebral Malaria	Goli VV, Tatineni S, Hani U, Ghazwani M, Talath S, Sridhar SB, Alhamhoom Y, Fatima F, Osmani RA, Shivaswamy U, Gurupadayya Bannimath,	Pharmaceuticals/ISSN: 1424-8247	4.6	International(Q1) Scopus and Web of Science
35.	Traditional Uses, Phytochemistry, and Pharmacological Activities of Coleus	Paul K, Gowda BH, Hani U, Chandan RS, Mohanto S, Ahmed MG, Ashique S, Kesharwani P	Current Pharmaceutical	3.1	International (Q3) Scopus and Web of Science

	amboinicus: A Comprehensive Review		Design/ ISSN: 1873-4286		
36.	Design, synthesis, molecular dynamic simulation, DFT analysis, computational pharmacology and decoding the antidiabetic molecular mechanism of sulphonamide-thiazolidin-4-one hybrids	Ranade SD, Alegaon SG, Khatib NA, Gharge S, Kavalapure RS, Kumar BP	Journal of Molecular Structure/ ISSN: 1872-8014	3.8	International (Q1) Scopus and Web of Science
37.	EGFR as therapeutic target to develop new generation tyrosine kinase inhibitors against breast cancer: A critical review	Raju RM, Jeffin JA, Manjunathaiah RN, Justin A, Kumar BP	Results in Chemistry/ ISSN: 2211-7156	2.3	International (Q3) Scopus and Web of Science
38.	N-Substituted dihydropyridines as promising EGFR tyrosine kinase inhibitors against breast cancer: Design, synthesis, biological evaluation, docking, and molecular dynamics simulations	Faizan S, Hani U, Haider N, Vadivel V, Kumar BP	Results in Chemistry/ ISSN: 2211-7156	2.3	International (Q1) Scopus and Web of Science

39.	Synthesis, Molecular Docking, MD Simulation and Evaluation of Anticancer Activity of Novel 1, 3, 4-Oxadiazole derivatives against Ehrlich Ascites Carcinoma (EAC) Cell lines	Shridhar Deshpande N, Shivakumar, Udayakumar D, Prabhu A, Rani V, Dixit SR, Singh D, Revanasiddappa BC	Journal of Computational Biophysics and Chemistry/ISSN: 2737-4173	2.2	International (Q3) Scopus and Web of Science
40.	Formulation And Development Of Hplc Validation For The Simultaneous Estimation of Antibacterial Agents.	Aishwarya PJ, Hossain M, Sahu S, Chethan IA, Sasmal ST, Mhetre RM, Haque M, Dutta S.	Educational Administration: Theory and Practice/ ISSN: 2148-2403	Nil	International (Q4) Scopus
41.	New LPA1 receptor modulators: Design, synthesis, in-silico, and anticancer studies of triazole and oxadiazole analogs	Meduri B, Pavan SR, Prabhu A, Shankaranarayana AH, Sethu AK, Singh M, Pujar KG, BC RS, Bidye D, Pujar GV.	Journal of Molecular Structure/ ISSN: 1872-8014	4	International (Q2) Scopus and Web of Science
42.	In-vitro evaluation of Indigofera heterantha extracts for antibacterial, antifungal and anthelmintic activities	Showkat AB, Mohammed IZ, Shahid Ud DW, Ishfaq M, Mubashir HM, Faiyaz S, M Ali, Seema M	Journal of Pharmaceutical Health Care and Sciences/ ISSN: 2055-0294	2.5	International (Q2) Scopus and Web of sciences

43.	Updated Intrinsic Role of Phytochemicals against Glyphosate-induced Neurotoxicity: Systematic Review	R Fan, Hemanth VPR, SN Manjula, Yerramsetty NLD, Junqi L, Mikhail YS, Namitha B, Narashima MB, Shaik MS, Yufei Z	Current Medicinal Chemistry/ISSN: 0929-8673	4.1	International (Q1)Scopus and Web of Science
44.	Beyond drug discovery: Exploring the physiological and methodological dimensions of zebrafish in diabetes research	Roohi TF, Alina A, Farooq S, K L Krishna, Seema M, Nabeel K, Syed F,	Experimental Physiology/ ISSN: 0958-0670	2.969	International (Q2)Scopus and Web of Science
45.	A novel Zebrafish model of Alzheimers disease by Aluminium chloride involving nitro-oxidative stress neuroinflammation and cholinergic pathway	APR Nadiga, KL Krishna, Suman	European Journal of Pharmacology/ ISSN: 1879-0712	5.0	International (Q1)Web of Science
46.	Waking Up the Sleep Field: An Overview on the Implications of Genetics and Bioinformatics of Sleep	Seithikurippu RPP, Konda MS, Sayan P, Ganesh PN, Babu SC	Molecular Biotechnology/ISSN: 1073-6085	2.86	International (Q2)Scopus and Web of Science
47.	Role of the Gut Bacteria-Derived Metabolite Phenylacetylglutamine in Health and Diseases	Naveen KK, M Kalyan, Tousif AH, Nikhilesh A, Pavan HK, Gurudutt P, Sowmya VY, Jian Y,	ACS Omega/ISSN: 2470-1343	4.1	International (Q2)Scopus and Web of Science

1.	06/03/2023 1 Year	Targeted drug delivery to central nervous system for the treatment of parkinson disease	Dr. Balamuralidhara V	1.25
2.	06/03/2023 1 Year	Smart Nanostructured composite of axitinib for management of age-related macular degeneration	Dr. M P Venkatesh	1.00
3.	01/10/2021 1 Year	Development and evaluation of probiotic strains as tablet dosage forms for improved stability	Dr. Hemanth Kumar S	0.50
4.	21/12/2023 01 Year	Formulation and evaluation of intranasal liposomes to treat behavioral disorder	Ms Aditi Dash	0.25
5.	21/12/2023 01 Year	Development of Memantine loaded nanostructure lipid carrier for the management of Alzheimer's disease.	Ms Ritama Bhar	0.25

6.	21/12/2023 01 Year	Formulation, Evaluation, and assessment of toxicity anticancer drug-loaded silk fibroin nanoparticles for breast cancer.	Ms Rutuja Harishchandra Yadav	0.25
7.	21/12/2023 01 Year	Nanocomposites based on Layered Double Hydroxide for Targeted delivery in Cancer Treatment	Ms Meghana T S	0.25
8.	21/12/2023 01 Year	A Study on Combinational therapy in treating	Ms Archana S	0.25
9.	21/12/2023 01 Year	In situ film forming polymeric solution for wound healing using Plant based drug Turmeric	Mr Arpit Mishra	0.25
10.	21/12/2023 01 Year	Graphite-based cream to treat antimicrobial infection	Mr Mahadeva Swamy S	0.25
11.	21/12/2023 01 Year	Enhancing Tissue Penetration and Facilitating Wound Healing through Controlled Degradation of Sodium Alginate/Bioglass Hydrogel.	Mr Khater Abhishek	0.25
12.	21/12/2023 01 Year	Formulation and Evaluation of Strontium Doped Nanohydroxyapatite Paste for Incipient Lesion	Mr Gokul S	0.25
13.	21/12/2023 01 Year	Design, development and evaluation of nanoparticle loaded intraarticular in-situ gel for Rheumatoid Arthritis	Ms Debarati Kar	0.25

14.	21/12/2023 01 Year	Toothbrush cleaning solution	Mr Akash S	0.25
15.	21/12/2023 01 Year	Development of novel amantadine loaded nanostructured lipid carrier system for the management of Parkinson disease via nose to brain delivery	Mr Balabhadra Phani	0.25
16.	21/12/2023 01 Year	Formulation and evaluation of <i>celastrol</i> loaded nano particles for initial oral cancer	Mr Shivaprasad G D	0.25
17.	21/12/2023 01 Year	Intranasal drug delivery through surface modified NLCs for the treatment of Parkinsons disease	Mr Abinesh M S	0.25
18.	06/03/2023 1 Year	Formulation and evaluation of nanocapsule loaded hydrogels for prevention of intraperitoneal tumor recurrence.	Mr Ashish Kumar Sahoo	0.25
19.	06/03/2023 1 Year	Formulation and evaluation of intranasal niosomal in situ gel for the treatment of epilepsy.	Mr Somesh Babu R	0.25
20.	06/03/2023 1 Year	Formulation and evaluation of nanoparticle based transdermal patches using levodopa & amantadine for the treatment of parkinson disease	Mr Santhosh Raj R K	0.25

21.	06/03/2023 1 Year	A Novel NLC based smart gel for the management of age-related macular degeneration	Mr. Praveen Shivanand Halagali	0.25
22.	21/12/2023 01 Year	Drug design, synthesis and pharmacokinetic evaluation of Novel chiral isoquinoline derivatives for anti-cancer activity	Dr B M Gurupadayya	2.00
23.	24/10/2020 1 Year	Standardization of vitexaltissima plants from Coorg district and evaluation of its anticancer activity	Mr. Chethan I A	0.50
24.	31/03/2023 1 year	Experimental and computational evaluation of novel quinolone based chalcones as promising anticancer agents	Dr. Prabitha P	1.00
25.	06/03/2023 1 year	Design and synthesis of AKT inhibitors for improved antiproliferative agent	Mr. Swapnil Kamble	0.25
26.	06/03/2023 1 year	Design, synthesis and evaluation of coumarin and its derivatives as potential antimicrobial agents	Ms. Hema Sravya Saridevi	0.25
27.	31/03/2023 1 year	Design, Synthesis and Biological Evaluation of Nitrogen containing Heterocyclic analogues as potential Antimicrobial Agents	Ms. Karen DSouza	0.25

28.	31/03/2023 1 year	Rational design, synthesis and evaluation of novel sulfonamide derivatives as antimicrobial agents	Ms. Veena G	0.25
29.	31/03/2023 1 year	Computational and experimental approach to develop Novel EGFR inhibitors against breast cancer via multicomponent reactions	Ms. Ruby Mariam Raju	0.25
30.	31/03/2023 1 year	Impurity profiling of anti-asthmatic drug substance and finished product through hyphenated techniques by using quality by design approach	Ms. Soundaryashree N R	0.25
31.	31/03/2023 1 year	Design, synthesis of novel Purine derivatives and Evaluation of Aurora kinase A Inhibition	Ms. Pooja Kumari	0.25
32.	06/03/2023 1 Year	Design, synthesis of novel purine derivative and evaluation of aurora kinase a inhibition	Ms. Veena G	0.25
33.	06/03/2023 1 Year	Antibiotic dosing & clinical outcomes among inpatients of tertiary care hospital	Ms. Ruby Mariam Raju	0.25
34.	06/03/2023 1 Year	Rational design, synthesis and evaluation of novel sulfonamide derivatives as antimicrobial agents	Mrs. Soundaryashree	0.25

35.	21/12/2023 01 Year	Quantifying resveratrol and cabazitaxel through Simultaneous Method Development and validation in multidrug formulations by using RP-UFLC-DAD	Ms Saladula Hima	0.25
36.	21/12/2023 01 Year	Determination of tobacco specific nitrosamine impurity in filler and filter of different cigarette brands in India using LC/MS -a comparative study.	Mr Pattaluchetty	0.25
37.	21/12/2023 01 Year	Design and synthesis of pyrimidopyrimidine derivatives against Breast Cancer	Mr Atyam Sai Madhu Prasanth	0.25
38.	21/12/2023 01 Year	Synthesis, analysis, pharmacokinetic and pharmacological evaluation of Novel chiral 1,4-dihydropyrimidines	Ms Chiriki Devi Sri	0.25
39.	07/09/2021 1 year	Investigation on the role of AT1 receptor antagonism on mitochondrial dynamics in Parkinson's disease (SIG Grant)	Dr. Saravana Babu C (PI) Dr. Mahalakshmi A M (CO-PI), Dr. Shasthara Paneyala (Co-PI) (BBCR-SIG grant)	3.00

41.	06/03/2023 1 Year	Evaluation of antiphonic potential of plant based small molecule inhibitors cocktail against echis carinatus venom and an assessment of its protective effects against venom- induced local tissue damage.	Ms. Amrita Babu	0.25
42.	06/03/2023 1 Year	Evaluation of therapeutic potential of selective Phosphodiesterase IV inhibitor in rotenone induced parkinson's model.	Ms. SK Meheronisha	0.25
43.	06/03/2023 1 Year	Evaluation of anti-angiogenic and anti-metastatic potential of SEH/COX-2 dual inhibitor from plant origin	Mr.Irshad Ahmad Wani	0.25
44.	21/12/2023 01 Year	To evaluate the novel glitazones for Parkinsons disease targeting PGC1 alpha invitro and in vivo studies	Mr Ujwal Reddy P	0.25
45.	21/12/2023 01 Year	Protective effect chrysin against paclitaxel associated nephrotoxicity and hepatotoxicity in Breast Cancer mouse model	Ms S M Prakruthi	0.25
46.	21/12/2023 01 Year	Evaluation role of 2`- fucosyllactose on sleep apnea-induced cognitive and biochemical alterations in a mouse model	Ms Sneha G	0.25

47.	21/12/2023 01 Year	Evaluation of protective effects of bovine colostrum against lipopolysaccharide induced intestinal mucosal and blood brain barrier dysfunction	Ms Reddi Sree	0.25
48.	21/12/2023 01 Year	Investigation of <i>ocimum sanctum</i> protective effect against Diabetic Neuropathy induced by STZ and HFD in mouse model	Ms Divya D	0.25
49.	21/12/2023 01 Year	Formulation and evaluation of cyclophosphamide and Palbociclib embedded self-dissolving microneedle for breast cancer treatment	Ms Pruthvi R	0.25
50.	21/12/2023 01 Year	To Evaluation of anti-alzheimers activity of chromenopyrazolone derivative in Drosophila (UAS & GS-GAL4)	Mr Rahul K R	0.25
51.	21/12/2023 01 Year	Investigation of aphrodisiac properties of <i>cordyceps militaris</i> and Pharmacokinetic and pharmacodynamic interaction of sildenafil in presence and absence of Phloroglucinol in rats.	Mr Linga Gowtham	0.25
52.	21/12/2023 01 Year	Investigation of aphrodisiac properties of <i>cordyceps militaris</i> and Pharmacokinetic and pharmacodynamic interaction of	Mr Solanki Deepak Vinodkumar	0.25

		sildenafil in presence and absence of Phloroglucinol in rats.		
53.	21/12/2023 01 Year	Assessment of anti-ulcer activity of Herbomineral formulation in rodent model	Ms Anjani Kumari	0.25
54.	21/12/2023 01 Year	Role of Omega 3 fatty acids in management of chronic Unpredicted Mild Stress (CUMS) induced memory impairment in mice.	Ms Lenisha Ashlyn Sequeira	0.25
55.	21/12/2023 01 Year	Role of Pyridoxine Vit B6 In the management of anxiety like behavior induced by chronic restrained stress model in mice.	Ms Mohini Yadav Milmile	0.25
56.	21/12/2023 01 Year	Development of a whole blood lateral Flow Assay (LFA) for Detection of Drug Allergy	Mrs Shilpa Palaksha	3.00
57.	18/02/2020 6 Months	An open labelled randomised prospective interventional study to assess the effect of prebiotics on mental health and quality of life in cancer patients	Mr. Balaji S	0.50

JSSCPO

Our Targets

Gender Sensitization & Prevention of Sexual Harassment Awareness

Gender equality and anti-harassment policy awareness

Facilities for the movement of the disable students

Health awareness program for women

REDUCED INEQUALITIES (SDG 10)

To promote gender equality and uphold the dignity, rights, and safety of all individuals on campus, JSS College of Pharmacy, Ooty, has constituted the Internal Complaints Committee (ICC) in accordance with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. This initiative reaffirms the institution's commitment to realizing fundamental rights such as equality, liberty, and non-discrimination in the workplace. Additionally, the college ensures compliance with the Equal Remuneration Act, 1976, by providing equal pay for equal work irrespective of gender.

The ICC actively functions on three key principles: Prohibition: Enforcing stringent institutional policies that categorically prohibit all forms of sexual harassment within the college premises. Prevention: Fostering a safe, respectful, and inclusive environment through regular sensitization workshops, awareness programs, and capacity-building sessions aimed at preventing harassment and promoting gender sensitization. Redressal: Ensuring a transparent, accessible, and responsive grievance mechanism to address and resolve complaints in a timely and equitable manner, thereby safeguarding the interests of complainants.

As part of the preventive efforts, the ICC conducts orientation sessions for newly admitted students. This year, a special guest lecture was organized during the induction program to educate and sensitize freshmen on the college's gender equality policies and its zero-tolerance stance on harassment. **Dr. Anitha** delivered an impactful session focusing on understanding gender roles and stereotypes, the psychological impact of sexual harassment, Early identification of abuse and psychological distress, building resilience and seeking help without fear, encouraging empathy, communication, and accountability. Following Dr. Anitha's session, **Ms. Komalavalli, Police AKKA**, delivered a practical and legal perspective on sexual harassment laws in India, highlighting: The provisions of the POSH Act, 2013, Rights and responsibilities of students under the law, Real-life examples and police procedures for reporting cases, The importance of breaking the silence and standing up for others. Her engaging talk was appreciated for its clarity, sincerity, and action-oriented messaging

Picture represents the special talk delivered on 'Gender sensitization and prevention of sexual harassment'.

Our institution is firmly committed to the principles of equality, inclusivity, and non-discrimination. Both our student admission procedures and employee recruitment processes are designed to uphold these core values. We ensure that all applicants are assessed solely based on their merit, qualifications, and potential. Discrimination of any kind is not tolerated. Specifically, no individual shall be disadvantaged or denied opportunity on the grounds of race, colour, ethnicity, national origin, gender, gender identity, religion, caste, creed, sexual orientation, age, disability, or any other characteristic protected under applicable law.

As per the directives of UGC, "Anti-Ragging Day/Week" was observed from 12 to 18th Aug 2024, with the theme "Say No To Ragging," to raise awareness about the hazards, social risks, and legal consequences associated with ragging. Various competitions, including Essay/Slogan writing, Logo designing, Pencil sketching, and Poster making, were conducted, with evaluations carried out by external juries. Our proud alumni, Dr. Saravanan, Biological Scientist at the US FDA, USA, and Dr. Preethi, Principal Scientist at Boehringer Ingelheim, USA, distributed prizes and certificates to the winners on 24th Aug 2024.

CSIR & JSSAHER, Mysuru sponsored an Awareness Programme on Menstrual Health Awareness in Mudhumalai Tiger Reserve Tribal Villages: From Exclusion to Inclusion – Series I on 07 Oct 2024 at Sokkanalli tribal village. The program was inaugurated by Dr. S.P. Dhanabal, Principal and commenced with a welcome address by Dr. S. Jubie. Dr. Gomathi Swaminathan, Organizing Secretary, emphasized the program's theme, addressing menstrual health awareness in tribal communities. Dr. R. Kalirajan delivered the presidential address. The chief guest, Dr. R. Sambathkumar's talk focused on the key points: Health Management During Menstruation, Menstrual Inclusion Policies, and Breaking Social Stigma. These insights underlined the importance of inclusivity and proactive health measures in fostering a supportive environment for menstrual health. Internal experts Dr. R. Vadivelan and Dr. N. Jawahar discussed the importance of involving men in menstrual awareness and breaking stigmas. The sessions, attended by 60 tribal delegates, were interactive and well-received, with praise from village people and leaders. Kit bags and sanitary napkins were distributed, followed by a community lunch. The event concluded with a vote of thanks by Dr. Gomathi Swaminathan.

Picture represents Menstrual Health Awareness in Mudhumalai Tiger Reserve Tribal Villages: From Exclusion to Inclusion – Series I on 07 Oct 2024 at Sokkanalli tribal village.

Awareness Programme on Menstrual Health Awareness in Mudhumalai Tiger Reserve Tribal Villages: From Exclusion to Inclusion – Series II was conducted on 07.12.2024 at Bhoothanatham and Semmanatham tribal village, 08.12.2024 at Sokkanalli Tribal Village. Dr. Gomathi Swaminathan,

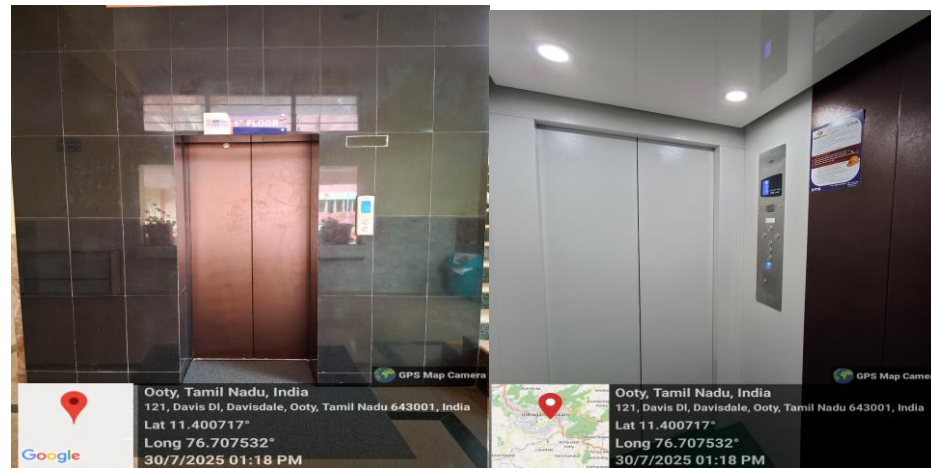

Organizing Secretary, emphasized raising awareness about menstrual health by focusing on "From Exclusion to Inclusion." In Bhoothanatham (07.12.2024: Forenoon) tribal village Dr. P. Kanagambal, Assistant Professor & Head of the Department of History, at Government Arts College, Ooty, highlighted the importance of managing mental health during menstruation. In Semmanatham (07.12.2024: Afternoon) tribal village keynote session was delivered by Ms. N. S. Nisha, IPS, Superintendent of Police, The Nilgiris District, who shared valuable insights on managing mental health during menstruation. In Sokkanalli (08.12.2024) tribal village Mr. B. Sivakumar, an Advocate for Women and Child Welfare, and Dr. Jegannathan, a Sustainability Specialist from Switzerland, spoke on mental health management during menstruation and the necessity for menstrual inclusion policies. The program witnessed active participation from 250 tribal delegates from Bhoothanatham, Semmanatham, and Sokkanalli, with engaging and interactive sessions praised by attendees and village leaders. Sanitary napkin kit bags were distributed, and participants were treated to a community lunch.

Picture represents the Awareness Programme on Menstrual Health Awareness in Mudhumalai Tiger Reserve Tribal Villages: From Exclusion to Inclusion – Series II, conducted on 07.12.2024 at Bhoothanatham and Semmanatham tribal villages, 08.12.2024 at Sokkanalli Tribal Village

To support the mobility needs of persons with disabilities, elderly individuals, and others requiring assistance, we have ensured the provision of ramp and lift facilities across our campus. All key buildings are equipped with: Wheelchair-accessible ramps with appropriate gradients and handrails, Elevators/lifts that comply with accessibility standards for ease of vertical movement, marked access pathways and signage to support independent navigation.

Picture represents the ramp and lift facilities strategically located for disabled students

DHSMS

Reduce inequality within and among countries

Diversity means understanding that everyone is unique and recognizing our individual differences. The differences can be in race, ethnicity, gender, sexual orientation, socioeconomic status, age, physical abilities, religious beliefs, political beliefs, or other ideologies. In education, 'diversity in the classroom doesn't seem a farfetched idea anymore for any globally minded teacher. This can be accomplished by either having technology that connects students with foreign knowledge and cultures or by having an international student body to make the learning environment multicultural and diverse.

Students who learn about different cultures during their education feel more comfortable and safer with these differences later in life. This allows them to interact in a wider range of social groups and feel more confident in themselves as well as in their interactions with others. Diversity among students in education directly impacts their performance. Studies show that students work better in a diverse environment, enabling them to concentrate and push themselves further when there are people of other backgrounds working alongside them. When working and learning with people from a variety of backgrounds and cultures present in the classroom, students gain a more comprehensive understanding of the subject matter. It also teaches students how to use their own strengths and points of view to contribute to a diverse working environment.

Admissions to the departmental programs (UG & PG), as per the University policy, are open to eligible students across various regions; national and international. Student enrolled into the programs are from various states across the country with diverse backgrounds, speak multiple languages and follow various traditions and customs. Details on student and faculty regional diversity are as mentioned below.

Details aligning to this goal:

Table 18: Students' representation from different regions of the country and world	
State	Number of Students
Karnataka	73
Andhra Pradesh	3
Telangana	2
Madhya Pradesh	1
Kerala	82
Tamil Nadu	9
Maharashtra	10
Jharkhand	1
West Bengal	01

Faculty diversity

The Department faculties are from diverse fields such as dentistry, management, engineering, pharmacy, and pure sciences.
