

Financial Assistance for Students in the Lower Income Brackets

Students within the lowest 20% income bracket are provided additional support, including financial aid for meal expenses. Furthermore, JSS AHER assists these students in accessing grants and scholarships from government bodies, private organizations, and NGOs. This proactive approach ensures that students are aware of and can benefit from various forms of financial support, further reducing their financial burdens.

Number of students benefited by scholarships /free ships / fee-waivers by Government Schemes
