Introduction

Sustainable Development Goal 10 aims at reducing inequality within and among countries. This SDG calls for reducing inequalities in income as well as those based on age, sex, disability, race, ethnicity, origin, religion or economic or other status within a country. The goal also addresses inequalities among countries, including those related to representation, migration and development assistance.

The Goal has ten targets to be achieved by 2030. The first seven targets are outcome targets: Reduce income inequalities; promote universal social, economic and political inclusion; ensure equal opportunities and end discrimination; adopt fiscal and social policies that promotes equality; improved regulation of global financial markets and institutions; enhanced representation for developing countries in financial institutions; responsible and well-managed migration policies. The other three targets are means of implementation targets. Special and differential treatment for developing countries; encourage development assistance and investment in least developed countries; reduce transaction costs for migrant remittances.

JSS Academy of Higher Education & Research is a renowned Institute for its educational and employment policies and has certainly earned its name for the level of transparency it maintains in all its deeds.

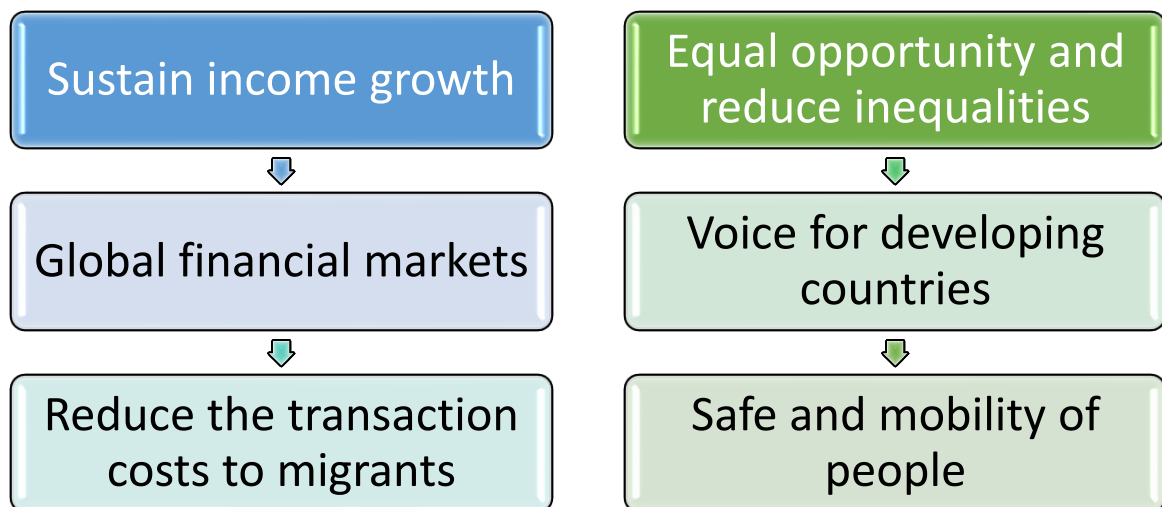

The institute has been functioning in line with the below policies

- Managing the pay gap between lowest and highest paid staff
- Instituting an equity agenda and plan that commits to equal opportunity and reduced inequalities in all processes and activities, most notably in the working environment.
- Committing to the elimination of discrimination across the university by ensuring the diversity of the population has the opportunity to be represented and have a voice in the decision-making process
- Providing a supportive, inclusive and safe working and learning environment for people from financially and socially disadvantaged, backgrounds, people from rural and regional areas, people with disabilities, women in the workplace, people of diverse

genders and sexualities and people from diverse cultural and faith communities

- Scaling up and delivering sustainable solutions to global challenges developed by the university for the wider community and industry
- Providing safe and affordable on-campus and/or university-supported housing
- Committing to the development of and investment in the university's local community and areas of greatest influence (where possible)
- Committing to ensure the campus always remains safe, green, and provides accessibility for all levels of mobility
- Implementing best practice pollution control (including air) and waste management processes and policies.

Our Targets

OUR INITIATIVES

Gender Sensitization & Prevention of Sexual Harassment Awareness

Gender equality and anti-harassment policy awareness

Facilities for the movement of the disable students

FACILITIES PROVIDED FOR DIVYANGJAN-DIFFERENTLY ABLED STUDENTS AND STAFF IN THE COLLEGE CAMPUS.

- Wheel Chairs
- Stretches
- Ramps provided in all the floors of the college and hostel
- Suitable toilets provided in college and hostels
- Lift facilities available

The college provides all the facilities for the movement of the disable students within the campus. The facilities such as wheelchairs, stretches, ramps and lift facilities are available for persons with disabilities. Wooden ramps are available to connect the old and new buildings.

Represents the ramp facilities for disabled students

Represents the lift facilities for disabled students

ACADEMIC AND SOCIAL OUTREACH ACTIVITIES TOWARDS SDG 10

CME on “ELDERLY AWARENESS OF HEALTHY AGEING AND REJUVENATION” with the theme “Know Alzheimer’s Know Dementia 2022” was organised by the Department of Geriatrics and Department of Pharmacology in association with Alzheimer’s and Related Disorders Society of India (ARDSI) and JSS Senior Citizen Helpline on September 27th 2022 at Dr.Sri Shivarathri Rajendra Bhavana, JSS Hospital Mysuru.

GyAn 2022 CME on Infertility and Andrology” was organised on Saturday, 09.07.2022 at Sri Rajendra Centenary Auditorium, JSS Hospital, was organized by the department of OBG on 09th July 2022. This CME was organized to shed light on various aspects of infertility, especially, male infertility.

150 delegates had registered for the CME and included gynaecologists and embryology students from JSS Hospital as well as SRMC, Chennai and IIARTCR, Mysore.

On the occasion of National Library Week, a three-day Library Workshop on ‘**Utilization of E-Resources and Enhancing Research Visibility**’ was organized by the Library Committee of JSS AHER from 15th to 17th November 2022. at Shri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. The primary objective of the workshop was to promote the use of E-learning, enhancing research skills, awareness of available E-resources in JSS AHER libraries, enable to acquire knowledge on current technological developments in research fields, to improve teaching skills and learning abilities and channelize development in Research.

Department of Anatomy and **student council**, JSS Medical College has conducted Ascension chapter -1 on 19th October 2022. Ascension is an initiative under the aegis of the Student Council of JSS Medical College aimed at providing a platform for students to explore their options after MBBS and to provide guidance as to how one must start their journey into their post-graduation.

Ascension will encompass chapters featuring JSSMC alumni who have already made considerable progress in their journey as well as other resource persons to aid you in your decision-making process.

ASCENSION
CHAPTER 1
BROUGHT TO YOU BY STUDENT COUNCIL JSSMC
Planning on heading to the UK but don't know where to start?
Let's do something about that. The right people can guide you to set foot on the right path. All you have to do is be there to ask the right questions.
Dr. Shreyans Darla
Date: 19th November, 2022
Timings: 2:00 p.m
Venue: Gallery 6, JSS Medical College
STAFF CO-ORDINATORS:
Dr. Deepa Bhat
Dr. Nayana Shabadi

Featuring Dr Shreyans R Darla of the MBBS Batch of 2016 who recently passed PLAB 2 and is set to pursue his residency in the UK. Chapter 1 of Ascension has explored the road to the UK, the challenges one can expect and strategies that one must adopt to get it right.

A guest lecture was organized by **Paediatrics** on 11th July 2022 at Paediatrics Seminar Hall. Dr.Siddramappa Jagdish Patil, Senior Consultant in Clinical Genetics at Mazumdar Shaw Medical Centre / Narayana Hrudayalaya Hospitals, Bangalore was the speaker. He spoke about the **“Utility of Genetics in Clinical Practice”**. He discussed about the various genetic tests that can be offered to patients with syndromes and clinical features suggestive of a genetic disorder. He also showed interesting case scenarios which could be masquerading with genetic disorders and their approach. There was a good interaction between the faculty and the speaker about the clinical utility of the various genetic tests available and their cost benefits.

REDUCED INEQUALITIES (SDG 10)

INTERNATIONAL STUDENT CELL COMMITTEE

Objective of International Student Cell Committee

- a) The International Student Cell Committee is constituted with the purpose to take utmost care of international students during their stay, from the time of their admission to completion of their study
- b) To promote cordial student-student and student-teacher relationships.
- c) The committee would work to ensure support and integrate international students into various events of the institution.

Standard Operating Procedure

The Committee shall,

- a) Refer to the updated UGC guidelines for Admission of International Students periodically.
- b) Shall get the details of international students admitted to B Sc, M Sc and MBBS Courses every year and coordinate with the related departments.
- c) Shall sensitize the newly enrolled international students on the existence, functioning and role of the cell and also share with them the mode of contact in case of grievance.
- d) Conduct two/three meeting in a year in the presence of the Student Representatives to cater to their grievances.
- e) Integrate International Students into the college premises and activities without any obstacles.
- f) Address the grievance of International students with respect to Academics, Accommodation, Admission, Evaluation or any other issues during their stay.
- g) To provide the Students with information about the local customs, language and civic facilities.

Mode of Contact

- a) Drop boxes have been installed at various places in the campus and hospital to facilitate the students report complaints, grievances as well as their suggestions.
- b) International students are provided with contact numbers of the committee members to facilitate 24/7 assistance in case of emergency and also encouraged to directly contact the Member Secretary in case of grievance.
- c) Once the grievance is received the issue will be resolved under the guidance of Principal and if necessary, relevant committees would also be involved. On redressal of the issue, the information will be communicated to the concerned student and University.

OPEN AND DISTANCE LEARNING (ODL)

ODL has had a global impact as an effective instrument for educational empowerment of diverse learners deprived of the formal 'face-to-face' education for a variety of reasons. By utilizing cutting-edge technology, ODL has the potential to provide education to anyone, anywhere. This is a blessing for those who reside in terrains that are difficult for instructors to reach. The JSS AHER ODL was established in 2017 to provide health sciences-related courses.

with a Master of Science in Environmental Sciences program, two Postgraduate Diploma programs, and one certificate program. The purpose of JSS AHER ODL is to provide health sciences programs to meet the requirements of individuals interested in the environment and healthcare. The JSS AHER ODL employs a variety of technological methods for effective curriculum delivery and efficient student learning. It has established two study facilities, one in

Bengaluru and the other in Ooty, to enhance student learning and provide additional support. It also collaborates with other organizations whose goal is to empower students through distance learning.

STUDENT SUPPORT CELL

Student Support Center (SSC) is formed at JSS AHER, Mysuru with the support of the Department of Psychiatry and the Department of Clinical Psychology.

Student Support Center (SSC) provides free and confidential direct individual counseling services for a variety of concerns including, stress, burnout, time management, relationship problems, anxiety, depression, and other matters related to a student's overall mental well-being. The Center also provides resource information on wellness topics and is responsible for student outreach programming designed to reduce stress and improve overall well-being. Aims to provide comprehensive services under one roof to the students/staff. JSS AHER is a university that is constantly striving to maintain international standards of excellence, certainly in academic output, but equally in the holistic emotional, mental, and physical well-being of its students/staff. The Student Support Centre has linked with the WHO campaign on raising awareness around mental health and aspires to contribute to public education about issues that affect young people, such as sexual abuse, suicide, and substance abuse. etc.

The colleges has formed Internal Complaints Committee (ICC) for the effective implementation of the sexual harassment of women at Workplace Act, 2013 to the realization of the rights to gender equality, life and liberty, equality, and dignity at the workplace. The college follows to pay equal remuneration to women and men for the same work as per the Equal remuneration act, 1976. The ICC implements and meets the standards such as Prohibition, Prevention, and Redress of sexual harassment of women at the workplace.

The ICC of the college in association with the National service scheme (NSS) and Indian pharmaceutical association (IPA), has conducted two Days Awareness Programme on “Gender Sensitization & Prevention of Sexual Harassment Awareness for Rural and Tribal People in The Nilgiris District” at Nedugulkombai tribal village (Day 1: 28.06.2022) & Manjacombai tribal village (Day 2: 29.06.2022), Ooty. The ICC also sensitizes the freshmen regarding the gender equality and anti-harassment policy during their orientation program. In this regard this

year a special talk was delivered to the freshmen by Dr. Brindha P (Associate Dean) from SASTRA deemed university on the topic 'Gender sensitization and anti-harassment policy of UGC'.

Glimpses of the awareness program conducted at Nedugulkombai tribal village

Glimpses of the awareness program conducted at Manjacombai tribal village

AWARDS & ACHIEVEMENTS RECEIVED BY FEMALE FACULTY

Dr.Vidya C.S., Professor of Anatomy bagged best poster award under Histology category for the poster titled "Sellar - suprasellar pituitary macroadenoma in a 35 year old woman- a case report" and **Dr.Vinutha S.P.**, Assistant Professor of Anatomy bagged best poster award under Embryology category for the poster titled "The Spectrum of Congenital Anomalies among Stillborn in a Tertiary Care Hospital: A Fetal Autopsy Study" at International conference organized by SRMC Chennai held on 22nd and 23rd July 2022.

Dr.Vidya

C.S., Prof. & HOD of Anatomy was felicitated for authoring Text book- Quick review in Anatomy and Dr.Pushpalatha.K, Professor and Dr.Deepa Bhat, Asso.Professor, Department of Anatomy were felicitated for editing IB Singh Text book of histology-10th edition in the national conference organized by ASI & GIMS Gadag from 8th to 11th December 2022.

Dr.Deepa Bhat, Asso.Professor of Anatomy was featured for her contribution in the field of sickle cell disease and tribal health in the CONNECT - Indian Institute of Science quarterly magazine released by Office of Communications - Indian Institute of Science on 30th December 2022.

Dr.Hemamalini, Associate Professor of Anatomy won the Best Oral Presentation award (Faculty Category) for "Variations in the origin of profunda femoris artery, its circumflex femoral branches and clinical significance" under gross Anatomy category at the BMSECON-2022, 3rd International virtual e-conference organised by AVMCH, Pondicherry, held from 17th to 19th November 2022.

Dr.Pushpa N.B., Asst. Professor, Department of Anatomy received Research Excellence Award for Highest Number of Publication in the year 2021 at JSS Medical College, Mysuru on 12th May 2022.

Dr.Pushpa N.B., Assistant Professor, Department of Anatomy, awarded the Best Oral Presentation (Faculty Category) for "Histopathological analysis of effect of PIH on fetal kidneys using special stains and IHC" at the BMSECON-2022, 3rd International virtual e-conference organised by AVMCH, Puducherry, held from 17th to 19th November 2022.

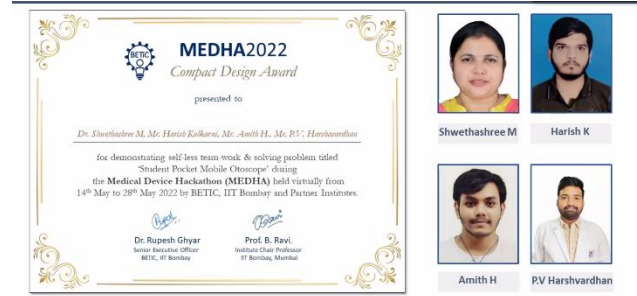

Dr.Akila Prashant, Professor, Department of Biochemistry received Best Teacher Award 2022 at JSS Medical College, Mysuru on 12th May 2022.

Dr.NeethaS.Murthy, Sr.Resident, Department of Microbiology received 3rd Prize in MICROBIALGRAPHY 2022 at TM Media Logo Art in Culture Media Competition, Titan Biotech, Rajasthan on 2nd June 2022

Dr. Shwethashree M., Asst. Professor, Department of Community Medicine in recognition of outstanding performance and for demonstrating self-less team-work solving the clinical problem during the Medical Device Hackathon (MEDHA) Stage-1 held from May 14th to 28th 2022 by BETIC, IIT Bombay, Mumbai and JSS College of Pharmacy, Mysuru

Dr. Shwethashree M., Asst. Professor, Department of Community Medicine received Compact Design Award for demonstration self-less team-work and solving problem titled “Student Pocket Mobile Otoloscope” during the Medical Device Hackathon (MEDHA) held virtually from May 14th to 28th, 2022 by BETIC, IIT Bombay and Partner Institutes.

Dr. Shwethashree M., Asst. Professor, Department of Community Medicine received Social Innovation Device award for her work on Malaria Technology during Medical Device Innovation Course from 2nd September to 2nd October 2022.

Dr. Mithily M.R., Sr. Resident, Department of Community Medicine received Award for Best Scientific Full Paper in National level conference -My Nutricon 2022 held on 6th to 8th December 2022.

Dr. Smitha Rani, Asst. Professor, Department of Forensic Medicine received Best Teacher Award 2022 at JSS Medical College, Mysuru on 12th May 2022.

Dr. Smitha Rani, Assistant Professor in the Department of Forensic Medicine and Toxicology won second position in Paper presentation (Professional Category) at the IASR International Conference on Forensic Science held from 26th to 28th August 2022 organized by International Association of Scientists and Researchers, New Delhi. Her paper was titled “Significance of Death Scene Investigation by Forensic Medicine Expert: A Case Report”.

Dr. Pratibha Pereira, Professor & Head, Department of Geriatrics received Sri Sunku Subrahmanyam Memorial Oration award for the year 2022 in 18th International Conference of Geriatric Society of India held at Kolkatta on 02-12-2022.

Dr. Shilpa Avarebeel, Assistant Professor, Department of Geriatrics has received National Award as Young Scholar 2022 in National Geriatric Conference (GERICON 2022) held in Kolkata from October 28th to 30th 2022. She has received a Gold medal and cash prize.

Dr.Shilpa C., Asso. Professor, Professor, Department of E.N.T. received Best Teacher Award 2022 for her contribution to Medical Education Knowledge, Punctuality and Research on 12th May 2022.

Dr.Ashwini P.K.,Asso.Professor, Department of Dermatology received Dr.Sardarilal Memorial Award for best article in Study of Sexually Transmitted Diseases & AIDS at 46th National Conference of IASSTD & AIDS, Hyderabad during 9th to 11th September 2022.

Dr.Pushpa N.B., Associate Professor, Department of Anatomy received “**Certificate of Excellence**” for Assistant Editor of NJCA journal on 3rd March 2023 at 11th SOCA conference held at Ludhiana

Dr.Pushpa N.B., Associate Professor, Department of Anatomy received **Best Presentation**, Animation category “National E-Conference on Plastination Techniques” at Saveetha Institute of Medical and technical sciences, Chennai on 3rd Jun.2023

Dr.RashmiC.Ghoshi, Asst.Professor, Department of Anatomy received **International Best Researcher Award** at ISSN Awards, Trichy on 7th May 2023.

Dr.Prathima C, Associate Professor, Department of Pharmacology was awarded "**Best poster presentation**" titled “NRF2 modulatory potential and anti-cancer activity assessment of Novel 1, 2 Oxazines Invitro and In-vivo.” in the 52nd Annual conference of Indian Pharmacological

Society 2023 (52nd IPSCON 2023) held at JSS College of Pharmacy, Mysuru from 23rd to 25th February 2023.

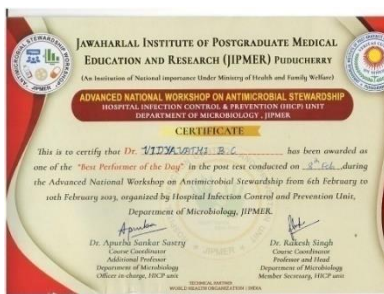

Dr.N.M.Nandini, Professor, Department of Pathology was awarded the **Silver award** of 8th IHW Award 2022 in the category of **Excellence in Healthcare access and affordability**. Award issued by NITI Ayog Govt. of India, Parel, Mumbai on 19th January 2023.

Dr.N.M.Nandini, Professor, Department of Pathology received **Outstanding scientist Award** at INSO Conferences, Organised by VDGOD Professional associates International conference for Award Winner in Engineering, science and Medicine. Pondicherry, India on 15th & 16th April 2023.

Dr.Ranjitha Shankaregowda, Assistant Professor, Department of Microbiology was awarded "**Best performers of the day**" on 8th February 2023 during the Advanced National workshop on Antimicrobial Stewardship held between 6th to 10th February 2023 conducted by Hospital Infection Unit and Department of Microbiology at JIPMER, Pondicherry.

Dr.Vidyavathi B. Chitharagi, Assistant Professor, Department of Microbiology was awarded "**Best performers of the day**" on 8th February 2023 during the Advanced National workshop on Antimicrobial Stewardship held between 6th to 10th February 2023 conducted by Hospital Infection Unit and Department of Microbiology at JIPMER, Pondicherry.

Dr.Pratibha Pereira, Professor and HOD, Department of Geriatrics, has won **Best Overall Presentation Award** for her paper on BCG booster to prevent COVID 19 in **elderly** in 4th International conference Gerontology and Geriatric Medicine "Silver Age 2023" held as hybrid mode in Colombo, Sri Lanka on 26th & 27th May 2023.

Dr. K.B Suma, Professor, Dr. Jayashree & Dr. Virupaksha Ajjammanavar, Associate Professors of OBG were felicitated by DC during inaugural function for their contribution towards PMSMA program by treating **pregnant women** at Hadinaru PHC at PMSMA Workshop at Maya's Kings Kourt Hotel, Mysore on 8th February 2023.

Dr.Thanzeemunisa Senior Resident, Dept. of E.N.T. received **Henry Claman Gold Medal** for achieving 1st place in the overall proficiency in DAA course 2022 organized CMC, Vellore& International Asthma Services (IAS), USA on 12th January 2023.

Dr.Jaishree P, PG, Dept. of E.N.T. received Gold Medal Dr.Gananathan Govindhaswamy **research award paper** at AOICON 2023 74th annual conference of the association of Otolaryngologists of India, Jaipur during 3rd to 5th February 2023.

Dr.AnushkaKedia, Dr.Kothakapa Chatura, PG Students, Department of Dermatology received **2nd prize in Leprosy Quiz** (state level), CME Leprosy Update at Siddartha Medical College, Tumkur on 21st January 2023.

Athira Raj T., Dept. of Forensic Medicine received **Best poster presentation** at Dept of Forensic Sciences, Kristu Jayanti College, Bengaluru during 20th& 21st April 2023.

Dr.Sakshi Dubey, PG Student, Dept. of Pathology won **First Prize for the paper presentation** at VAPCON, titled “A study of Histopathological invasive front markers in colorectal adenocarcinoma’ at Dhantoli. Nagpur on 8th January 2023.

Ms.Harshitha & Ms.Varsha D.S., Ph.D. Scholars, Dept. of Biochemistry, JSS Medical College, Mysuru received “Savitribai Jyotirao Phule **Fellowship for Single Girl Child 2022-23**” on 7th February 2023 at JSSAHER, Mysuru.

Ms.Lakshana D.P., PG Student, Dept. of Biochemistry, JSS Medical College, Mysuru received **Padma Vibhushan Prof. U.R. Rao Award 2022** (Post graduate level) for her innovative project entitled “To analyze the protective role of quercetin and saroglitazar on ethanol induced hepatic steatosis” carried out under the guidance of Dr.Prasanna K.SantheKadur, Asso.Professor of Biochemistry, organized by Karnataka Science and Technology Academic (KSTA), Dept. of Science & Technology, Govt. of Karnataka on 7th March 2023.

JSS Skill & Simulation Centre Activities

Advanced **Neonatal resuscitation** workshop conducted by JSS Medical college Pediatric department in association with Indian academy of pediatrics on 06.01.2023

41 participants from various medical colleges attended the course

Doctorate in Pharmaceutical Sciences (Ph.D.):Equal opportunities are provided for both male and female candidates pursuing their doctoral studies. The details of candidates pursuing Ph.D.in Pharmacy/Pharmaceutical Sciences: A total of 46

SI No	Name	Category	Title of thesis	Guide
1	Mr. Nabil Abdullah Mohammed Ali	Full-time	Novel drug delivery strategies in the management of glioblastoma multiforme	Dr. Amit B Patel
2	Mr. Mahendran B	Full-time	Novel drug delivery strategies in the management of glioblastoma multiforme	Dr. D V Gowda
3	Ms. Mahalakshmi A M	Part-time	Study on the role of Sirtuins and PARP-1 modulators on mitochondrial functions and ageing in animal model of paradoxical sleep deprivation	Dr.Saravana Babu C
4	Ms. Nandini H S	Full-time	To study the cognitive dysfunction of epilepsy associate with Alzheimer's disease	Dr. K.L Krishna
5	Ms. Prabitha P	Full-time	Development of novel glitazones for activation of PGC-1 α signaling via PPAR- γ agonism: A new therapeutic strategy for Parkinson's disease	Dr. BR Prashantha Kumar
6	Ms. Bhavimani Guru	Full-time	Pharmacological Evaluation of Rationally Designed and Synthesised Novel Glitazones For Antidiabetic Activity	Dr. S.N. Manjula

7	Mr. Sathish Babu P	Full-time	Study on the role of Sirtuins and PARP-1 modulators on mitochondrial functions and ageing in animal model of paradoxical sleep deprivation	Dr. D V Gowda
8	Ms. Hamsalakshmi	Full-time	To study the cognitive dysfunction of epilepsy associate with Alzheimer's disease	Dr. J Suresh
9	Mr. Yvaraj S	Full-time	Development of novel glitazones for activation of PGC-1 α signaling via PPAR- γ agonism: A new therapeutic strategy for Parkinson's disease	Dr. BR Prashantha Kumar
10	Mr. Shubhankar P Mandal	Full-time	Computational and experimental approach to develop novel glitazones as dual paroxisome proliferators activated receptor agonists	Dr. BR Prashantha Kumar
11	Ms. Seema Mehdi	Part-time	A study on role of Omega -3 Fatty Acids in the management of Depression	Dr. K.L Krishna
12	Mr Abhishek Nadig	Full-time	Evaluation and development of alternative animal model for CNS disorders	Dr. K.L Krishna
13	Ms. Samaksha P B	Full-time	Pharmacist-Psychiatrist Collaborative Medication Therapy Management Services	Dr. M.Ramesh
14	Mr. Sujit kumar Sah	Full-time	Assessment of Impact of Clinical Pharmacist- initiated changes in Pharmacotherapy in patients with autoimmune disorders	Dr. M.Ramesh
15	Ms. Deeksha R Pai	Full-time	Formulation and Evaluation of Nanocomposite Systems for Management of Rheumatoid Arthritis	Dr. M P Venkatesh
16	Mrs. Meghana GS	Full-time	Formulation and Evaluation of delivery system of carotenoids and flavonoids for the treatment of oxidative stress-induced Alzheimer's disease	Dr. D V Gowda
17	Narasimha Murty Beeraka	Full-time	Estimating the expression patterns of F3K-Nrf2 in breast tumour samples for prognostic relevance and developing FN3L blockers by in silico methods, and analysing Nrf2 glycation patterns: Drug combination studies	Dr. Gurupadayya
18	Mr. Hitesh kumar	Full-time	Novel strategies for developing effective therapeutic regimen against triple negative breast cancer	Dr. Vikas Jain

19.	Mr. Hemanth Kumar S	Part-time	Development and characterization of nano delivery system targeting β -amyloid clearance in Alzheimer's disease	Dr. D V Gowda
-----	---------------------	-----------	--	---------------

Sl. No.	Name of the Candidate	Category	Title of Thesis	Guide
1.	Ms. Shilpa Palaksha	Part-time	Development and validation of skin prick test method for drug allergy	Dr. Mahesh P A
2.	Ms. Ann Vazhayil Kuruvilla	Part-time	Implementation and Assessment of Antibiotic Stewardship Programme in a surgery department of a tertiary care hospital	Dr. M. Ramesh
3.	Ms. Samaksha P B	Full-time	Evaluation of Pharmacist-Psychiatrist Collaborative Medication Therapy Management Services	Dr. M. Ramesh
4.	Dr. Sheba Baby John	Full Time	Development of Strategies to address vaccine hesitency	Dr. Savitha R S
5.	Dr. Pooja Diwedi	Full Time	A prospective study of pharmacist initiated clinical pharmacy services in NICU	Dr. Ramesh M
6.	Dr. Priya Aradhya	Full Time	Assessment of medication safety stewardship in critical care units: an active surveillance	Dr. Sri Harsha Chalasani
7.	Dr. Ravina Ravi	Full Time	An artificial intelligence assisted active surveillance of medication incidents reporting and monitoring programme in a tertiary care teaching hospital	Dr. Sri Harsha Chalasani
8.	Dr. Jehath Syed	Full Time	Implementation and evaluation of a clinical pharmacist's comprehensive geriatric care model in a tertiary care hospital	Dr. Sri Harsha Chalasani
9.	Dr. Merrin Mathew	Full Time	A prospective study on safety surveillance of vaccines in a tertiary care hospital	Dr. Savitha R S
10.	Dr. Neelima Ganzi	Full time	Evaluation of pharmaceutical care services in critically ill patients: A hospital based interventional study	Dr. R S Savitha

11.	Dr. Acsah Annie Paul	Part-time	Assessment of Impact of Medication Therapy Management in Geriatric Oncology Patients	Dr. M. Ramesh
12.	Dr. Chintalapati Ascharya	Part-time	Surveillance of Adverse Drug Reactions in Special Population	Dr. M. Ramesh
13.	Ms. Shwetha Shree M S	Part-time	Drug safety Assessment among elder adult population in tertiary care hospital	Dr. B. R. Jaidev Kumar
14.	Ms. M N V S Sandhya	Part-time	A Study of Anemia Prevalence and Awareness among Adolescent Girls of a South Indian State	Dr. R S Savitha
15.	Dr. Nikita Pal	Full-time	Assessment of impact of digital technologies in managing heart failure patients remotely: A cohort study.	Dr. Sri Harsha Chalasani
16.	Rosy Raju	Full-time	Design implementation and evaluation of antimicrobial stewardship among ASHAs and Retail Pharmacist	Dr. Srikanth M S
17.	Dr. Swathi Ramesh T C	Part-time	"Attitude towards HPV vaccine in adolescent girls and their education to improve vaccination"	Dr. Savitha R S
18.	Shreya P Gudur	Part-time	Comparison of efficacy and safety of Dapagliflozin, Sitagliptin and Metformin triple combination therapy with Dapagliflozin monotherapy in Type-2 Diabetes Mellitus	Dr. M Ramesh
19.	Ms. Sunanda Tuladhar	Full-time	A Study on the role of renin angiotensin system modulators on endoplasmic reticulum-mitochondria signaling in mouse model of parkinsonism	Dr. Saravana Babu. C
20.	Ms. Sahyadri	Full-time	Preclinical and therapeutic evaluation of olfaction in the treatment of Parkinson's Disease	Dr. S.N. Manjula
21.	Nachammai	Full-time	Studies to assess the role of donepezil - essential oil combination in the treatment of Alzheimer's disease	Dr. S. N. Manjula

22.	Ms. Vichitra C	Full-time	"Investigation of the effects of P2 S composition on neuroimmune circuits in cerebral stroke	Dr. Saravana Babu
23.	Ms. Tamsheel Fatima Roohi	Full-time	To investigate the possible protective role of resveratrol, quercetin and rutin for diabetic nephropathy when given alone and in combination with metformin, targeting endoplasmic stress pathway	Dr. K L Krishna
24.	Ms. Mamatha	Part time	"Preclinical evaluation of therapeutic potential of soluble epoxide inhibitors for Alzheimer's disease"	Dr.S.N. Manjula
25.	Ms. Kazi Heena Shijauddin	Full-time	Evaluation of phytoconstituents for the management of arthritis	Dr. K L Krishna
26.	Amritha Babu 22PPM002	Full-time	Evaluation of plant based folk medicine for local tissue damage induced by Echis carinatus venom	Dr. Dithu Thekkekkara
27.	SIMI S.M	Part time	"Formulation and evaluation of self dissolving microneedle-based patches for localized drug delivery in breast cancer"	Dr. Nagashree.K. S
28.	Chaithra S R	Full-time	"Development and Evaluation of herbal drug enriched 3 D Scfaffold matrix for wound healing"	Dr K S Nagashree
29.	Priyanka L G	Full-time	"Cognetive dysfunction: A growing link between type 2 diabetics and Alzheimers disease"	Dr K L Krishna
30.	Namritha M P	Full time	Development and Evaluation of synergetic nutraceuticals for antiproliferative activity	Dr.S.N. Manjula
31.	Dr. Yerramsetty Naga Lakshmi Durga	Full time	A Prospective study among cancer patients in Tertiary Care Hospital	Dr.S.N. Manjula
32.	Ms. Apurba Banerjee	Part Time	Drug Repurposing and mechanism-based prevention of chemotherapy induced neuropathic pain in rats	Dr Dithu Thekkekkara

33.	Ms. Vishakha Amit Mane	Part Time (E)	Nano carrier-based novel drug delivery system for Arthritis treatment	Dr. Riyaz Ali M Osmani
34.	Ms. Akanksha Lahiri	Full- time	Targeted drug delivery to central nervous system for the treatment of parkinson disease.	Dr. Balamuralidhara V
35.	Ms. Deeksha K S	Full- time	Regulatory pathway for biologics and biosimilar products in regulated and emerging countries.	Dr. Balamuralidhara V
36.	Ms. Sangita Mishra	Full-time	Clinical and regulatory requirements of drugs for rare diseases global out look & quot.	Dr. M P Venkatesh
37.	Ms. Chava Sri Sailaja	Full-time	Design and development of nano carrier drug delivery system for managing Psoriasis	Dr. Vishal Kumar Gupta
38.	Ms. Gowthami K R	Full-time	To study the GXP requirement of medical devices in Pharmaceutical Industry	Dr. Balamuralidhara V
39.	Ms. Sharadha M	Full-time	“Development of a novel strategy using liquid crystalline nanoparticle in the treatment of diabetic retinopathy”	Dr. Vishal Kumar Gupta
40.	Ms. Asha P Johnson	Full-time	“Synthesis, characterization and evaluation of graphene nanoribbons as carrier for selective estrogen receptor modulators for the treatment of breast cancer”	Dr. H V Gangadharappa
41.	Ms. Manusri Naredla	Part Time (E)	Novel approaches for bone regeneration technique using β - tricalcium phosphate extracted from coral beach sand	Dr. H V Gangadharappa
42.	Ms. Divyashree B	Part Time (I)	Artificial Intelligence (AI) in Health and Healthcare setting.	Dr. T M Pramod Kumar

43.	Ms. Bushra Begam J	Part Time (E)	“Formulation and development of injectable bioadhesive hydrogels for treatment of the lower back pain”	Dr. Vishal Kumar Gupta
44.	Ms. Pallavi Chand	Full-time	“Development & evaluation of targeted nanotherapeutics for effective management of cancer”	Dr. Vikas Jain
45.	Ms. Preethi S	PT(I)	Novel strategies for developing effective therapeutic regimen against triple-negative breast cancer	Dr. Vikas Jain
46.	Ms. Jyothi S L	Full-time	Formulation & evaluation of microneedle drug delivery system for improved therapeutic efficacy of anti-psoriatic drugs	Dr. H V Gangadharappa
47.	Ms. Akhila A R	Full-time	Influence of polymeric precipitation inhibitors on dissolution and absorption of BCS class II drugs.	Dr. P.K. Kulkarni
48.	Ms Priya Durai	Full Time	New computational and experimental approach to develop glitazones for Alzheimer’s diseases by activation of PGC-1 via PPAR- γ	Dr. BR Prashantha Kumar
49.	Ms. Noor Fathima Anjum	Part-time	Design, synthesis and biological evaluation of eugenol and its derivatives	Dr. MN Purohit
50.	Ms. Meduri Bhagyalalitha	Full-time	Design, Synthesis and evaluation of new chemical scaffolds as potential anticancer agent	Dr. Gurubasavaraj V Pujar
51.	Ms. Manisha Singh	Full-time	Design, synthesis, and evaluation of new triazoles as anti-tubercular agents	Dr. Gurubasavaraj V Pujar
52.	Ms. Tatineni Spandana	Full-time	Enantioselective assay and evaluation of pharmacokinetic properties of antidiabetic chiral drugs by liquid chromatographic technique	Dr BM Gurupadayya

53.	Ms. Akshatha H S	Full-time	“Design, synthesis & evaluation of new small molecules as anticancer agents”	Dr. Gurubasavaraj V Pujar
54.	Ms. Deepshikha	Full-time	Design and synthesis of Pyrrole derivatives as anti TB agents	Dr. Sheshagiri Dixit
55.	Ms. Pooja Kumari	Full-time	Design, synthesis of Novel Purine Derivatives and Evaluation of Aurora kinase A Inhibition	Dr. Anandkumar Tengli
56.	Ms. Peddaguravagari Mounika	Full-time	Synthesis, pharmacokinetic and anticancer evaluation of chiral isoquinoline derivatives	Dr BM Gurupadayya
57.	Ms. Chiriki Devi Sri	Full-time	Synthesis, analysis, pharmacokinetic and pharmacological evaluation of novel chiral 1,4-dihydropyridines	Dr BM Gurupadayya
58.	Ms. Karthika Paul	Part Time	Screening of certain novel phytoconstituents for their anti-cancer activity by analytical techniques	Dr. Chandan R S
59.	Ms. Soundaryashree N R	Full time	Impurity profiling of Anti-asthmatics drugs through hyphenated techniques by using quality by design approach	Dr. Chandan R S
60.	Ms. Pasupuleti Laxmiprasanna	Full Time	Analytical method development & validation of pharmaceutical dosage forms using QBD approach	Dr. Chandan R S
61.	Ms. Tenzin Adon 22PPM003	Full-time	Rational design, synthesis, and anti-proliferative potential of dual enzyme inhibitors against breast cancer	Dr. H Yogish Kumar
62.	Mrs. Sanyukta Bhattacharya 22PLM005	Full-time	Design and synthesis of novel heterocyclic compounds as potential anticancer agents	Dr. H Yogish Kumar

63.	Ms. Mayuri 22PLM007	Full-time	Identification of novel biomarkers in breast cancer by RNA sequencing and identification of therapeutic molecules	Dr. Anandkumar Tengli
64.	Ms. Aparajita Neogi 22PPM024	Full-time	Quantitative analysis of BCS second class of drugs in brain administered through non-invasive route	Dr. Chandan R S
65.	Ms. Kalyani 22PPM037	Full-time	Development of PK/PD analysis of antimicrobials by using LCMS techniques and simulation: A clinical study at a tertiary care Hospital	Dr BM Gurupadayya
66.	Mrs. Vidhya R 22PPM045	Part-time	Phytochemical and pharmacological screening of <i>Euphobia Hirta Weed</i>	Dr. Sheshagiri Dixit
67.	Ms. Erica Alves	Full-time	Bioanalytical estimation of antioxidant parameters and In vivo studies on the FN3K-Nrf2 antioxidant signaling in using novel small molecule inhibitors against Breast tumors	Dr B M Gurupadayya
68.	Ms. Ruby Mariam Raju	Full-time	Computational and Experimental Approach to Develop Novel EGFR Inhibitors Against Breast Cancer Via Multicomponent Reactions	Dr. BR Prashantha Kumar
69.	Mrs. Daram Sushma	Part Time	Development and validation of QbD approach stability-indicating assay method for novel Anti-Neoplastic drugs and its degradation products by using LC-MS/MS	Dr Rupshee jain

4. Seminars/ Conferences attended by Female Faculty members:

All faculty are encouraged to attend seminars/conferences as delegates a speaker to deliver expert talks on various National and International platforms.

The female faculty will reflect a belief that through such mechanisms as role model effects, increased safety, reduced prejudices, and greater identification and empathy, female teachers are arguably more effective in increasing girls' achievement at all levels. Diversity initiatives in higher education must address recruitment, retention, and promotion of women faculty. These initiatives

are synergistic and must be coordinated across the institution at all levels to create a healthy campus climate.

The details of seminars/ conferences attended by the faculty are given below: A total of 64

Sl. No	Name of the faculty	Details of conferences / Workshops/seminars attended	Dates of the event and Organizer	Regional / State / National	As a Delegate / Chaired / Guest speaker etc.
1	Dr. Savitha R S	25 th APTICON- 2022 2 nd to 4 th September 2022 JSS College of Pharmacy, JSSAHER	2 nd to 4 th September 2022	National	Delegate
2	Dr. Savitha R S	National Cheng Kung University, Tainan, Taiwan	22 nd to 23 rd October 2022	Internati onal	Delegate
3	Dr. Savitha R S	52nd Annual Conference of Indian Pharmacological Society (52nd IPSCON 2023)	23/02/23 JSS College of Pharmacy, JSS AHER, Mysuru	National	Delegate
4	Dr. Savitha R S	Research excellence indicators: Metrics and analytics Faculty Development Program	15/5/2023, 18/05/2023, 19/05/2023 Organized by IQAC JSS Medical College, Mysore	National	Delegate
5	Mrs. Shilpa Palaksha	25 th APTICON- 2022 2 nd to 4 th September 2022 JSS College of Pharmacy, JSSAHER	2 nd to 4 th September 2022	National	Delegate
6	Mrs. Shilpa Palaksha	38 th International Conference on Pharmacoepidemiology & Therapeutic Risk Management	09-04-2023 Continental Hospitals, Hyderabad	Internati onal	Delegate
7	Mrs. Shilpa Palaksha	52nd Annual Conference of Indian Pharmacological Society (52nd IPSCON 2023)	23/02/23 JSS College of Pharmacy, JSS AHER, Mysuru	National	Delegate

ADDRESSING THE QUESTIONS RAISED REGARDING SDG 10

Details Related to SDGs	Evidence with documents	Weblink to support the details
Comment	The JSSAHER does not discriminate while considering applicants. All students are given equal opportunity at the college.	
Policy reviewed (yyyy)	2023	
Comment	The JSS Academy of Higher Education & Research is dedicated to establishing an atmosphere free from victimization, assault, and prejudice. JSSAHER does not discriminate on the basis of race, color, national or ethnic origin, sex, disability, veteran status, genetic information, or age in the administration of any of its educational programs, admissions policies, scholarship and loan programs, athletic and other school-administered programs, or in employment.	https://www.jsscacs.edu.in/admission
Does your College & University as a body measure/track applications & admissions of underrepresented (and potentially underrepresented) groups including ethnic minorities, low income students, non-traditional students, women, LGBT students, disabled students, and newly settled refugee students?	<p>Yes - JSS Mahavidyapeetha provide free education and accommodation for Low-income and students from racial or ethnic minorities are provided. JSSAHER raised the concern that the needs of some groups of students — namely, students with disabilities, and Lesbian, Gay, Bisexual, and Transgender (LGBT) students.</p> <p>These groups, while facing different issues constitute sizable proportions of the general population and of postsecondary student bodies. However, the focus on their needs has generally been less than on non-White students.</p>	https://issonline.org/applications-invited-for-admission-to-jss-free-residential-school/ https://issonline.org/applications-invited-for-suttur-jss-school-and-free-hostel/
Evidence		https://issonline.org/free-education-at-suttur-for-children-who-have-lost-one-of-their-parents-or-both/

Comment

JSSAHER proceeded by increasing that the majority of applicants to the JSS Mahavidyapeetha for free education at the institutions covered by its umbrella requested seats in school, engineering and pharmacy programs. The JSS School and Free Students Hostel have opened applications for admission to eligible candidates for the academic year 2023-24. Admissions are open from 1st to 8th standard, as well as 1st, 2nd, 5th, and 8th Standard English medium classes. Candidates from economically backward rural areas are also eligible to apply.

www.jssschool.suttur.org

Does your College & University as a body take planned actions to recruit students/staff/faculty from under-represented groups?

Yes, The JSSAHER Institutions dedicated to a diverse student body may increase outreach and recruiting to a wide range of students. JSSAHER Institutions organize the wide activities that promote diversity and equal opportunity for scholars and students from underrepresented groups like Organization of an, seminars, conferences that address concerns of underrepresented committees. Public service activities and invitations to give talks within the field that address the needs of culturally diverse groups;

Comment

The anti-ragging and anti-harassment policy protect officers and staff from discrimination based on certain personal characteristics, such as race, ethnicity, sex, age, sexual orientation and gender identity, among others. It also protects officers and staff from harassment, including sexual harassment.

Policy created (yyyy) 2020-21

Comment

We developed this policy to ensure that all its employees/students can work/study in an environment free from unlawful harassment, discrimination and retaliation. JSSAHER will make every reasonable effort to ensure that all concerned are familiar with these policies and are aware that any complaint in violation of such policies will be investigated and resolved appropriately.

Policy reviewed (yyyy) 2022-23

<p>Comment</p>	<p>In order to handle and prevent acrimonious circumstances that violate employees' dignity, an anti-harassment policy has been reviewed. It relates to isolated or repeated instances of bullying, intimidation, degrading remarks, or other unfavorable verbal, nonverbal, or physical behavior directed towards a single individual or a group of individuals.</p>	
<p>Does your College & University as a body have a diversity and equality committee, office and/or officer (or the equivalent) tasked by the administration or governing body to advise on and implement policies, programmes, and trainings related to diversity, equity, inclusion and human rights on campus?</p>	<p>Yes – JSSAHER establishing a Diversity, equity and inclusion training raining programs teach employees at all levels to uncover, identify and correct for biases or prejudices that have kept people from underrepresented groups from being hired or promoted in the workplace. A comprehensive program provides concrete ways to engage in respectful and positive interactions in the workplace. At the same time, it should reduce discrimination and prejudice based on factors like gender, ethnicity, race, sexual orientation, age, religion, physical and mental ability, and socioeconomic status.</p> <p>A student induction program is organized for a period of 10 days to orient about the diversity, ethnicity, soft skills, student counseling, anti ragging, nutritional benefits, yoga, healthy eating habits, physical activities and time management</p>	
<p>Evidence</p>		
<p>Comment</p>	<p>JSSAHER identify, employ, and maintain excellent professors and staff that support our diversity and inclusion objectives.</p> <p>The institution sought for, enrolls, retains, and graduates bright undergraduate and graduate students who advance its diversity and inclusion objectives and foster an inclusive campus community.</p>	

Details Related to SDGs	Evidence with documents	Weblink to support the details
Does your College & University as a body provide mentoring/counselling/peer support programmes to support students, staff, faculty from underrepresented groups?	Yes, JSSAHER is going to provide staff and students with efficient mentoring and counseling to promote academic success, retention, and degree attainment.	
Evidence		
Comment	As a part of the curriculum the orientation program are conducted every year to both undergraduate and graduate students to improve their learning and leadership skills, motivating them towards their future career development. Training and faculty development program facilitate up-gradation of knowledge, skill and intends to provide opportunities for induction training to faculty employed in disciplines.	
Does your College & University as a body provide accessible facilities for people with disabilities?	Yes- JSSAHER is providing a wheelchair, ramps, rails and special toilets facility to the disabled people	

Evidence

Comment

JSSAHER offers specialized resources and services to help people with disabilities go about their daily lives. To accommodate the unique needs of people with disabilities, specific facilities including ramps, rails, and special restrooms are built. The accessibility concerns related to disabilities are well addressed in the construction designs.

Does your College & University as a body provide support services for people with disabilities? (e.g. personal assistants, interpreters)

Yes, JSSAHER provided personal assistants and support services for persons with disabilities.

Evidence		
Comment	Wheel chairs, ramps, rails and special toilets have been equipped for accessibility of the physically abled person	
Does your College & University as a body provide access schemes for people with disabilities?	Yes – Jss Sahana Special And Integrated School For Specially Challenged Children.JSS Sahana is a unique institution catering to the needs of the Specially challenged, it comprises of two main wings, an integrated school mainstreaming special child with their normal counterparts from Nursery to Secondary stream & a Special School for children with intellectual impairments.	
Evidence		https://jssonline.org/jss-sahana-special-and-integrated-school-for-specially-challenged-children-jayanagar-bengaluru
Comment	The Integrated school enables children with disabilities to develop their potential and participate in all walks of normal life and the special school provides opportunities for children who require special environment and skill training to be placed in a normal mainstream.	
Details Related to SDGs	Evidence with documents	Weblink to support the details
Does your College & University as a body have reasonable accommodation policy/strategy implemented, including	Yes under the umbrella of JSSAHER, Jss Sahana Special and Integrated School for Disabled Children has started 1984, with only 3 children and a teacher in a small room on the premises of JSS High School, Jayanagar, Bengaluru	

adequately funded mechanism for persons with disability?

J.S.S. 'Sahana' Integrated School provides services to Special Educational Needs Children in and outside mainstream education.

Evidence

<https://jssonline.org/home-2/>

Comment

In future the policy pertaining to reasonable accommodation will be implemented for physically disable.
