JSS Academy of Higher Education & Research

JSS Academy of Higher Education & Research, formerly known as **JSS University**, is a Deemed to be University located in Mysuru, Karnataka. It was established in 2008 under Section 3 of the UGC Act 1956 and is part of JSS Mahavidyapeetha, which runs a variety of educational institutions starting from kindergarten to professional institutions. This deemed-to-be university is recognized by MHRD and accredited by **NAAC** with **A+** Grade (3.48 CGPA). JSS AHER has been graded as **Category-I** Deemed-to-be University by UGC.

Vision

To provide education that helps transformation of individuals and society.

Mission

The mission of JSS Academy of Higher Education is to expand the boundaries of education and to make the most amazing learning possible by:

- ❖ Providing superior undergraduate, graduate and professional education to its students.
- ❖ Developing and advancing the talents of students to create applicable knowledge.
- ❖ Nurturing translational and transformational research that benefit the society.
- ❖ Inspiring to excel in health sciences delivery and care.

The Deemed to be University has been focusing on teaching, research, and health services since its inception. Under the leadership and gracious Patronage and Blessings of **His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji**, the **Chancellor** of JSS Academy of Higher Education & Research, **Pro Chancellor, Dr. B. Suresh**, a noted multifaceted leader of repute and **Vice Chancellor, Dr. Surinder Singh**, an acclaimed Administrator & **Registrar Dr. B. Manjunatha** an able administrator, the Deemed to be University has made great progress in grooming graduates, postgraduates, and Ph. D. researchers by providing effective value based education and focusing on overall development of an individual through state-of-art infrastructure facilities to make the learner a responsible citizen to the society.

JSS Academy of Higher Education & Research (JSS AHER) is focused on medical and health-related studies, and comprises **JSS Medical College, JSS Dental College & Hospital and JSS College of Pharmacy** at the main campus in **Mysuru** as well as another pharmacy college and School of Life Sciences in **Ootacamund, Tamil Nadu**. With a view to extend the horizons in the field of Health Sciences, the **Department of Water and Health (Faculty of Life Sciences)** and **Department of Health System Management Studies** have been integrated as Deemed-to-be University Departments.

Today, more than 675 faculty members are involved in academic training of approximately 7500 undergraduate, postgraduate students around 300 research scholars. More than 435 supporting staff are involved in providing administrative support. A vast range of educational, cultural, social and extra-curricular activities are available to students and staff.

JSS AHER has also played a pivotal role in ensuring that the students and faculty benefit through wide-ranging international tie-ups. The institution has collaborations with reputed universities, industrial and research organizations. These include international collaboration with La Trobe University-Australia, KhonKaen University - Thailand, University of Southern Nevada and Long Island University - USA, AIMST University – Malaysia, Howard University - Washington DC, University of Illinois at Chicago - USA, AlfaGene Biosciences Inc – USA, National Institutes of Health - USA, Oman Medical College – Oman, etc.

A wide range of international study and research opportunities are available to both undergraduate and postgraduate students, including the chance to conduct research abroad.

JSS AHER has a sharp focus on attracting the best researchers and research scholars by providing them with comprehensive support and motivation. Internationally renowned academicians, management experts, corporate consultants and entrepreneurs have always been associated with us helping us make great strides in research as well as enhancing the employability to our students.

Outreach programs inculcate the social and professional responsibilities while personality development programs, sports, cultural and literary activities facilitate holistic development of students. JSS AHER embraces the challenges of the 21st Century by building new bridges across old boundaries. These bridges include new educational programs and interdisciplinary studies, strategic partnerships with private and public R&D centres that pool resources and promote innovative research and new international relationships.

JSS Medical College

JSS Medical College one of the renowned health education institution preferred among more than 500 institutions in India. It is located in Sri Shivarathreeshwara Nagara, Mysuru, Karnataka.

JSS Medical College, was established in the year 1984 & is recognized by the Medical Council of India/National Medical Commission and was initially affiliated to University of Mysore, and later to Rajeev Gandhi University of Health Sciences and currently it is a constituent college of JSS Academy of Higher Education and Research, (a deemed to be University).

JSS Medical College, has secured the 37th rank in National Institutional Ranking Framework (NIRF) ranking, and 2nd rank among private Colleges by the Outlook professional colleges' survey for the year 2023.

JSS Medical College, is equipped with state-of-the-art infrastructure, skill and simulation center of international standards & modern teaching aids. **“Learning Never Stops”** at JSS Medical College. The medical education imparted to students is of high standard and is innovative with scholarly activity in academics and research. The prime aim of the college is to impart excellent education in health care services, to provide quality manpower and enable them to serve humanity with compassion and ethical principles. The teaching faculty and the leadership of the academy strive hard to fulfill the ideals of “Vision and Mission” statements of the institute.

VISION: To provide leadership in medical education, research and contribute to humane and cost-effective health care.

MISSION: To produce a breed of globally competent medical professionals with a strong urge to serve humanity with the core values of sincerity, passion towards lifelong learning, meaningful research and patient care guided by ethics.

MANTRA: The Strategic Plan of the Institute has six important components. They are implemented and assessed with key performance indicators. This strategic plan eventually helps to maintain the standards and keep up the expectations of all the stakeholders.

- ❖ **Medical care with compassion**
- ❖ **Academic excellence**
- ❖ **Nurturing student quality**
- ❖ **Technology driven education and care**
- ❖ **Research and innovations**
- ❖ **Achieving continuous and lifelong learning education**

JSS Medical College offers undergraduate course in Medicine (M.B.B.S.) with an annual intake of 250 seats. It also offers the Postgraduate Degree (M.D. and M.S.) and Diploma courses in 23 different medical disciplines along with 5 super specialty courses (DM Medical Gastroenterology, DM Neurology, DM Nephrology and M.Ch. Urology, M. Ch Plastic Surgery). The courses are well designed with problem-based and case-based learning along with a provision for critical thinking and enhancement of clinical reasoning skills. The college has facilities for registration to PhD. programs across the specialties to promote quality research and developmental activities.

HEALTH CARE:

JSS hospital is an 1800 bedded large tertiary care teaching hospital. It has been enabled with latest technology and best medical practices. This hospital has large critical and emergency care facilities (260 beds). JSS hospital caters to the ever-increasing health care needs of Mysore and the population of five surrounding districts. The motto of the hospital is to sanctify the value of human life and provide advanced care at affordable price to the indigent section of the society. JSS hospital is located at the heart of the city of Mysore, has a built-up space of 12.5 lakh sq. ft. in an area of 12.5 acres. It has state-of-the-art

infrastructure and the most advanced equipments. The hospital provides services in 37 specialties/super specialties and has 67 special clinics offering both inpatient and outpatient services. There are dedicated ICU's for taking care of transplant and cardiothoracic requirements. The new facility offers a wide range of diagnostic services, round the clock, in Hematology, Biochemistry, Clinical Pathology, Cytology & Histopathology, Microbiology & Serology, Radiodiagnosis & Imaging, Immunology and Immunohistochemistry. Furthermore, the hospital services also include, in-house CSSD, Hospital Laundry, Drug Stores, Security, Ambulance Services, Medical Record Department, Hospital Management Information System, Dietetics, Cafeteria, Public Relations & Telecommunications. In recognition of its level of performance in relation to the set standards, JSS Hospital has been accredited by National Accreditation Board for Hospital and Health Care providers (NABH) and National Accreditation Board for Testing and Calibration Laboratories (NABL).

RESEARCH:

JSS Medical College with unrestricted support from JSS Academy of Higher Education & Research and Vision Group of Science and Technology (Government of Karnataka) has established Centre of Excellence in Molecular Biology and Regenerative Medicine & also a Centre for Clinical Research Excellence (CCRE), approved as a collegium of Clinical Development service Agency (CDSA) funded by DBT. Faculty of this Institution have been successful in getting research grants from ICMR, DST, DBT, VGST (Government of India), Bill and Melinda Gates Foundation and JSS Academy of Higher Education & Research. The institution has active collaborations with various international premier Institutions, to nurture translational and transformational research that can benefit the society.

The Faculty, postgraduate and undergraduate students of JSS Medical College are encouraged to present their scientific works at national and international conferences. More than 500 scientific papers are published in high quality peer reviewed journals annually. The institution has started student research cell to promote research culture and invigorate the young minds. The students are well trained in the

basics of scientific research methodology as they enter second year with regard to searching a topic, doing literature survey, project writing, grant writing, performing the basic research and publishing their scientific findings. Research activities are carried out in various fields with the ultimate goal to translate discoveries into new solutions for diagnosis and treatment of human diseases. The ultimate aim of the Institute is to nurture Medical education and create good human beings providing highly skilled medical manpower to the society.

LIBRARY & INFORMATION CENTRE

The library has a key role in supporting the academic activities of the institutions by establishing, maintaining, and promoting library and information services, both quantitatively and qualitatively. The library offers a wide range of services from reference to electronic information services.

The library services are available both at college & Hospital campus.

Library Collections:

Books	Full text Online Database		
Reference	22749	ClinicalKey www.clinicalkey.com	1100+ full textbooks, 650+ fulltextJournals, 4500+ pharmacology monographs, 10000+patient education handouts, 4500+ practice guidelines, 13000+ medical and surgical videos, MEDLINE indexed Abstracts and others
Textbook	9060	Access Medicine	Provides medical students with the tools they need to excel in basic and advanced studies, clerkships, and crucial test preparation. It helps residents & physician assistants with interactive content, self assessment, and leading medical texts to enhance decision-making at the point-of-care and allows for practicing physicians to brush up on their medical knowledge to ensure the best patient outcomes
Dissertations	1680	Access Surgery	
Back Volumes	9996	Scopus- Citation & Abstract database www.scopus.com	Peerreviewed literature and scientific journals, books and conference, proceedings etc.,
Cds	2829	Knowledge genie- & Abstract database	3600+ e-journals, electronic corporate databases, newspapers etc.,
Print Journals	258	Book bank scheme	

Timings

College Library	
Monday to Saturday	9.00am to 11.00pm
Sunday & other Holidays	9.30am to 11.00 pm
Hospital Library	
Monday to Saturday	9.00am to 11.00pm
Sunday & other Holidays	9.30am to 2.00 pm

The library provides free Wifi internet browsing facilities for the benefit of the students and staff members and also interconnected with the other leading libraries/centers through the internet.

The library is computerized and automated using the user-friendly software called “Easylib” as also computerized online access to Catalogue information, Databases and journal information. It has adopted open access system and maintains **OPAC** in the stack. The Smart Campus package has been successfully implemented for the circulation activities, by using the bar code. The complete classification and the subject wise arrangement using Dewey decimal classification has been made.

General procedure/guidelines: -

The Students should submit the details viz., Name, Course, Year, Department, Address for correspondence, e-mail, and a recent pass port size photograph to Library Office for the purpose of library data based IDcard generation

- ID card should be collected from the Admission Section only The college ID card which acts as Library Card is Not Transferable.
- Students should show ID card for reference and borrow library books
- Students are required to deposit their personal belongings at the property counter at their own risk. The library is not responsible for any loss or damage. Bringing the bags, files, aprons, personal books in side the library is strictly prohibited.
- All the students are requested to sign in the entrance register before entering the library.
- Library books should be handled with utmost care. Nobody should writge, mar, damageor make any note in the library books. In case of loss of books/missing pages/damage, double the amount of the current price of book will be collected.
- Incase of loss of Id, a duplicate card will be issued on payment of Rs. 200/-

- Every Student should clear all the dues and obtain a “No Dues Certificate” at the end of every academic year
- Suggestions for purchasing book sand improving the library services are most welcome.
- After reading students are requested **NOT TO REPLACE** any book on the shelves.
- As all are aware that the library is a place of individual study and research, members should maintain an atmosphere of dignity, peace and silence within the library premises.
- The PF/UG Students are eligible to borrow two library documents/books. The books will be issued for 15 days; it will be renewed if document is not in reservation list. The students are not eligible to borrow the journals/magazines, Back Volumes, Project Report and other materials. The borrower is fully responsible for the books borrowed on his/her ID cards.

- ❖ **Students should fill all the details including parents' information in the mentorship dairy.**
- ❖ **Mentors name & contact details will be provided to students & parents**
- ❖ **Mentee & mentor should meet minimum once a month**
- ❖ **Academic & non-Academic Issues can be discussed**
- ❖ **Attendance & Internal Assessment details of mentees will be appraised to the parents**

“Mentoring is a brain to pick, an ear to listen, and a push in the right direction.”

John C. Crosby

Medical Education Unit

Medical Education Unit of JSS Medical College was established in the year 1997 to achieve excellence in the areas of education technologies, educational research, and innovations. Currently the unit is a part of Centre for Continuous Learning for Professional Excellence (CCLPE) under JSS Academy of Higher Education & Research, Mysuru and provides mentoring for the education units under JSS Dental College and JSS College of Pharmacy, Mysuru. MEU of our college comprises of highly committed set of faculty members from a diverse range of pre, para and clinical backgrounds with special interest and passion in medical education technologies.

Staffs in the Medical education unit coordinates towards student mentoring, student welfare initiatives, faculty development, curriculum designing, educational research activities, quality assurance, curriculum mapping, assessment, feedback, nurturing educational innovations etc. We have the faculty members who work as members of Academic Council, Board of studies, Curriculum committee members of various Universities, advisors to regulatory bodies etc.

Vision:

Strive to foster excellence in medical education and research to deliver quality healthcare

Mission:

- ❖ To develop into an institute providing educational leadership at an undergraduate, post graduate and continuous professional development levels
- ❖ To raise the standard of medical education by developing expertise and programs tailored to the requisites
- ❖ To develop into a centre of repute in educational research to advance in teaching, learning, assessment, and evaluation
- ❖ To build capacity in medical education and develop a network with medical educators regionally and nationally

Department of Forensic Medicine

Student Research Cell

The Student Research Cell of JSS Medical College is constituted with the aim to inculcate research culture among medical students. The cell guides and oversees the activities related to designing, implementing, analysing, reporting, and publishing scholarly research work of medical students.

NAME,	POSITION	PHOTO
Dr. H. Basavana Gowdappa , MBBS, MD Principal & Professor of Medicine Dean, Faculty of Medicine, JSSAHER Email: hbgowda@gmail.com Cell: 9845115962	Chairman	
Dr. Deep Bhat Professor of Anatomy Email: deepabhat@jssuni.edu.in Phone: 98868 63226	Member Secretary	

Activities :

- ❖ The cell facilitates undergraduate students to apply for short term students' projects from Indian Council of Medical Research, New Delhi (ICMR STS).
- ❖ JSSAHER supports undergraduate students by providing financial assistance to carry out small projects.

❖ Asclepius

Asclepius is the national UG conference organised by **JSS Medical College**. The mammoth charge is taken up by the Student Research Cell & Medical Education Unit.

The conference aims to provide a unique platform for future doctors to network, collaborate and learn while instilling professionalism and good ethics. Case and poster presentation are interesting and stimulating ways of communicating relevant ideas and knowledge. Quizzes force abstract thinking and help inter-relating various principle and concepts. Workshops allow students to toy around with important skills early on and hence excel later in their career by getting hands on experience in a variety of scenarios and activities.

All in all, conferences are crucial for holistic development of a medical professional and Asclepius is prepared to offer that.

Anti Ragging Committee

The Anti Ragging Committee is hereby reconstituted at JSS Medical College, Mysore in accordance with the UGC Regulations for curbing the menace of Ragging in Higher Educational Institutions 2009.

International Student Cell

Objective of International Student Cell Committee

The International Student Cell Committee is constituted with a purpose to take utmost care of international students during their stay, from the time of their admission to completion of their study to promote cordial student-student and student-teacher relationship.

The committee would work to ensure support and integrate international students in various events of the institution.

Standard Operating Procedure: The Committee shall,

1. Refer to the updated UGC guidelines for Admission of International Students periodically.
 2. Shall get the details of international students admitted to B Sc, M Sc and MBBS Courses every year and coordinate with the related departments.
 3. Shall sensitize the newly enrolled international students on the existence, functioning and role of the cell and share with them the mode of contact in case of grievance.
 4. Conduct two/three meeting in a year in the presence of the Student Representatives to cater to their grievances.
 5. Integrate International Students into the college premises and activities without any obstacles.
 6. Address the grievance of international students with respect to Academics, Accommodation, Admission, Evaluation, or any other issues during their stay.
 7. To provide the students with information about the local customs, language, and civic facilities.
- Mode of Contact
- Drop boxes have been installed at various places in the campus and hospital to facilitate the students report complaints, grievances as well as their suggestions.
 - International students are provided with contact numbers of the committee members to facilitate 24/7 assistance in case of emergency and encouraged to directly contact the Member Secretary in case of grievance.
 - Once the grievance is received the issue will be resolved under the guidance of Principal and if necessary, relevant committees would also be involved. On redressal of the issue, the information will be communicated to the concerned student and University.

Student Support Centre (SSC)

The Student Support Centre (SSC) is a completely confidential service devoted to supporting the emotional well-being of students.

Student Support Centre offers the following services to its students

- ♦ Complete privacy and confidentiality in its services unless the student permits disclosure. All files and records stay within the SSC
- ♦ First line of intervention and counselling for any issues that may be causing concern to you or anyone you know
- ♦ Appointments with trained clinical psychologists who have experience working with this particular age group
- ♦ Appointments and referrals, if thought necessary, to a visiting psychiatrist at the same Centre
- ♦ Awareness drive and outreach programs

JSS DIAL (Doctors Interested in Alternative learning)

Connect with Books; Read, Discuss, Learn, Refresh.”

Doctors unlike any other profession practice with constant learning and their interaction is but with complexities arising from biological, social, psychological, legal, political, and economic world around them. There is a need to constantly broaden our understanding beyond the medical textbooks so that we are enriched, inspired, and remain humane.

This alternative learning can be through many means and most importantly through literature because literary works can be timeless capsules of varied experiences, of wisdom, of insight, of perspectives, of vision, and so on.

Thus, considering that books on various topics can be a source of continuous learning for doctors, interested faculty & students of JSS medical college decided to pool all their books for common usage among the members enlisted in the facility “JSS DIAL Connect with Books; Read, Discuss, Learn, Refresh.” An exclusive library is started, and an online group formed. There are 90 faculty in the group with 700 plus books. As a mark of respect to legendary physician Dr. B C Roy, on whose memory Doctor's Day is celebrated in India, JSS DIAL was inaugurated, in 2017 by Dr H Basavanna Gowdappa, Dean, Faculty of Medicine JSSAHER.

Periodic Book Talks have been held for last four years where Student and Faculty talk on one book of their choice and discussion is done. Interestingly even during Covid19 pandemic, the activity shifted to online mode and sustained the enthusiasm of all. Dr Kishor M at Hospital coordinates the book talk activity & Dr Nayana at college, The experience has been published in Journal for other institutions to emulate.

JSS DIAL proceedings has been widely published in press and media as a model to other institutions.

- ***Submit bills and vouchers within 1 week after the event. Bills and vouchers must be in order.**
- **>Within one week after the event report with photographs and certificate of attendance to be submitted to college.**

SAMARTHYA **College Magazine**

Art is a great way to express ideas, both big and small, into words, pictures, and paintings. And for the students of JSS Medical College, Mysore, there is no better place and opportunity to express their arts and talents, than Samarthya, the official annual magazine of our college. Samarthya is more than a magazine- it is a culture. It gives the opportunity to interact with our fellow students by the common thread of art and language, while also appreciating the diverse backgrounds each of those students come from. Whether it is write-ups, artworks, articles, poems, sketches, paintings, or photography, Samarthya gives every student and faculty a chance to participate in and be a part of the diverse cultural movement of the College. It encourages individual creative expression for the students submitting their respective content pieces, while also giving a chance to students in volunteering roles, to bond and learn how an organizing committee function. Magazine committee includes representatives from both faculty and student section.

NSS Wing JSS Medical College, Mysuru.

National Service Scheme (NSS) was introduced in 1969 with the primary objective of **developing the personality and character of the student youth through voluntary community service**. 'Education through Service' is the purpose of the NSS. The motto of NSS is “**NOT ME BUT YOU**” which reflects the essence of democratic living and upholds the need for selfless service. The ideological orientation of the NSS is inspired by the ideals of Mahatma Gandhi.

We are conducting regular activities like health check-up camps at Anganwadi, old age homes, orphan schools, etc. We are conducting one special camp every year for a week duration in an adopted village in a particular nearby taluk. We are celebrating all national festivals regularly. We are conducting health awareness programs in schools and colleges, villages/community levels, etc. We are sensitizing our students by motivating and encouraging a number of environmental awareness programs like afforestation through sapling implantation, plastic eradication, the healthy practice of sanitation, etc during our field visits. In fact, our programs are much more diversified, and often tailored according to the requirement and needs of the situation.

NSS wing JSS Medical College, Mysuru is headed by Dr.M.V. Ravishankar NSS officer, and Dr. Manu G, Assistant NSS officer. JSS AHER, Mysuru.

TATVAM

As each academic year passes, JSS Medical College hosts an intercollegiate fest called TATVAM which encompasses a wide spectrum of events ranging from cultural to fine arts. It's an annual intercollegiate cultural and literary fest organised by the students of JSS Medical College. While learning may happen within classrooms at different levels among students, TATVAM provides a stage for everyone to resonate with the same frequency and enthusiasm. TATVAM for most students serves as a three-day long retreat not just to break the monotony of academics but also to showcase their skills and talents. It also opens the floor to interaction and bonding with not just the students of JSSMC itself but also the students of other medical and dental colleges. This was introduced into the system of JSSMC to establish a healthy competition and expose students to an equally crucial co-curricular life. What happens in TATVAM, doesn't stay in TATVAM. It opens a memory capsule which goes on with the students beyond their college lives.

BIBLICHOR, is the literary club of JSS Medical College. It brings out the curiosity of the students involved, improve their writing skills, showcase their talents, and promote a healthy and friendly environment for learning from each other. Committee focuses on poetry writing, essay writing, general trivia, blog writing and open letters. Harry Potter Week, Marvel Marathon, F.R.I.E.N.D.S quiz, Hodge Podge were some examples of the activities carried out.

Further committee plans to promote debate culture, just a minute for impromptu thinking, poetry writing on spot, open mics and recitation, treasure hunt for fun and knowledge, word scrabble for logical thinking and book reading habits. Students have shown active interest in group discussions & they have represented in various national and international events and bagged prizes.

“The truest expression of a people is in its dance and its music. Bodies never lie.” — Agnes de Mille

THANDAVAM, the dance club of JSS Medical College is a platform that brings out and showcases the dancing talent of the student fraternity. It organises various dance related activities for the students and staff alike. It supports students to participate in the various dance related events of within the institution & other intercollegiate fests to hone their creativity, communication and performing skills.

The club supports students to represent the college in several events at intercollege cultural meets. The dance club has an Instagram page, for which members are allowed to submit dance related write-ups, images and videos in accordance with a monthly theme. An online competition “Natraj” will be held every year, where students are asked to submit their dance videos keeping in mind the given theme and a set of rules. The videos are then uploaded onto the Instagram page of the dance club and the number of views and likes of the audience are used to decide the winner. Several solo, duet and group choreographies have been made by the dancers of the club on a wide range of themes like the descent of river Ganga, mental health, role of women in the society, forest fires and universal love. In Future the club aims at creation of more dance projects that involve better participation and management in terms of choreography, quality, stage setting, costume, and prop design.

MYRIAD, the Drama Club of JSS Medical College, was founded in September 2018 by a group of talented students passionate about drama and theatre. Myriad is perhaps the most apt name for the club as it consists of students hailing from different backgrounds and cultures who have a common keen interest in exploring a plethora of different forms of acting, like mime, street play, drama, mad ads etc. Students spend time by creating scripts and writing dialogue. The club holds audition to gauge interest and serve as an entry point for all the budding actors and scriptwriters.

The club aims to support students who have deep passion in drama and theatre by organizing even more events like full-fledged plays and musicals and small-scale events like a dialogue delivery contest and script writing competitions.

The Music club of JSSMC named " **MUSIC MEDICINE MASTI** " was started on 9.12.2018.

The objective of the club is to incorporate music in the lives of students and to connect them with each other on a musical level. The club is active on social media via Facebook, YouTube and Instagram. The students are allowed to send in their music covers which are posted on these social media platforms.

The club plans on representing the College in various events in the future as well and keep connecting the members of the College with each other.

“Art is the desire of a man to express himself, to record the reactions of his personality to the world he lives in” -Amy Lowell

KALAKRITI, the fine arts club of JSS Medical College encourages students to express their thoughts, feelings, and creativity through the various visual art forms from two dimensions to three dimensions. It helps to tap the inherent talents and potentials of the student community at all levels of life. Our institution intends to uphold the relative merits of the students and to expose them to the higher order society which would in turn bring laurels to the institution by constant motivation and encouragement.

The club encourages students to participate and engage in various activities associated with photography to truly immerse themselves in its art. A monthly theme is given for students to submit their artwork and photography. It is then posted on the Instagram page of the club to provide them a platform to share their work with people. The artistic method and form of documenting life and seeing things with a different perspective is something that many students enjoy.

Forensic Medicine Club 'Compos Mentis'

Forensic Medicine Club 'Compos Mentis' is an attempt to offer perfect blend of academic aspects of the subject and the cultural thrill of all the co-curricular activities.

Compos mentis literally means, 'the master of one's mind' and we strongly believe that as future doctors, where our decisions and opinion matter, each one of the student should have control over his or her own mental faculties.

Vision of the club is to inspire students to search for the truth through science and promote innovative learning in the field. We aim to provide all the members of the club with a plethora of opportunities to strengthen their medical-legal acumen in a stimulating manner.

Central Research Laboratory- Centre for Excellence in Molecular Biology & Regenerative Medicine

The Centre of Excellence in Molecular Biology and Regenerative Medicine (CEMR) is established in the Department of Biochemistry, JSS Medical College with the support received from JSS Academy of Higher Education & Research and Department of Science and Technology - Fund for Improvement of Science and Technology Infrastructure (DST-FIST) program. It is recognized by Vision group of Science & Technology (VGST) Government of Karnataka.

Research Facilities Available

Research Activities that can be carried out using the facilities available at CEMR lab

- ❖ Drug design and discovery using molecular biology
- ❖ Development of biomarkers for early diagnosis and detection of various diseases
- ❖ Development of phytochemicals and nutraceuticals targeting specific pathway for the prevention and treatment of diseases
- ❖ Identifying the molecular basis of development and pathogenesis of diseases such as metabolic syndrome, diabetes, nonalcoholic fatty liver disease and cancer (breast cancer, colorectal cancer, cervical cancer, liver cancer and HPV associated cancer).
- ❖ Understanding the pathophysiology of environmental diseases such as respiratory and cardiovascular diseases
- ❖ Developing in-house diagnostic tools for the early detection of pathogens causing sepsis.
