

**JSS MEDICAL COLLEGE SPORTS COMMITTEE**

**Preamble:**

Students shall not only excel in the academic activities, but also in the Sports, Cultural & Literary activities. This in turn will augment the reputation of the institution.

In order to encourage, recognise & unearth the talents of the students in the various sports activities, the Sports Committee has been constituted.

**Main objectives of the Sports Committee:**

- The term of the Sports Committee is One year
- Every year 50% of the student members will be changed on rotation by indicating 1<sup>st</sup> year & Intern students.
- To identify the talents of the students in the various sports/games
- To impart necessary training & coaching for the talented students who have been identified to further excel in the respective sports activities.
- To depute the students for the various State, Zonal & District level sports games conducted by Medical Institutions & other reputed tournaments of the country with a motto to bring laurels to the institution.
- To encourage talented students to represent in National & International games.
