Big ideas, bold moves – Great leadership thrives beyond boardrooms.

“Ignorance is the root of all evils in the society, and education is the sovereign remedy.”

His Holiness Jagadguru

Dr. Sri Shivarathri Rajendra Mahaswamiji

Founder President of JSS Mahavidyapeetha

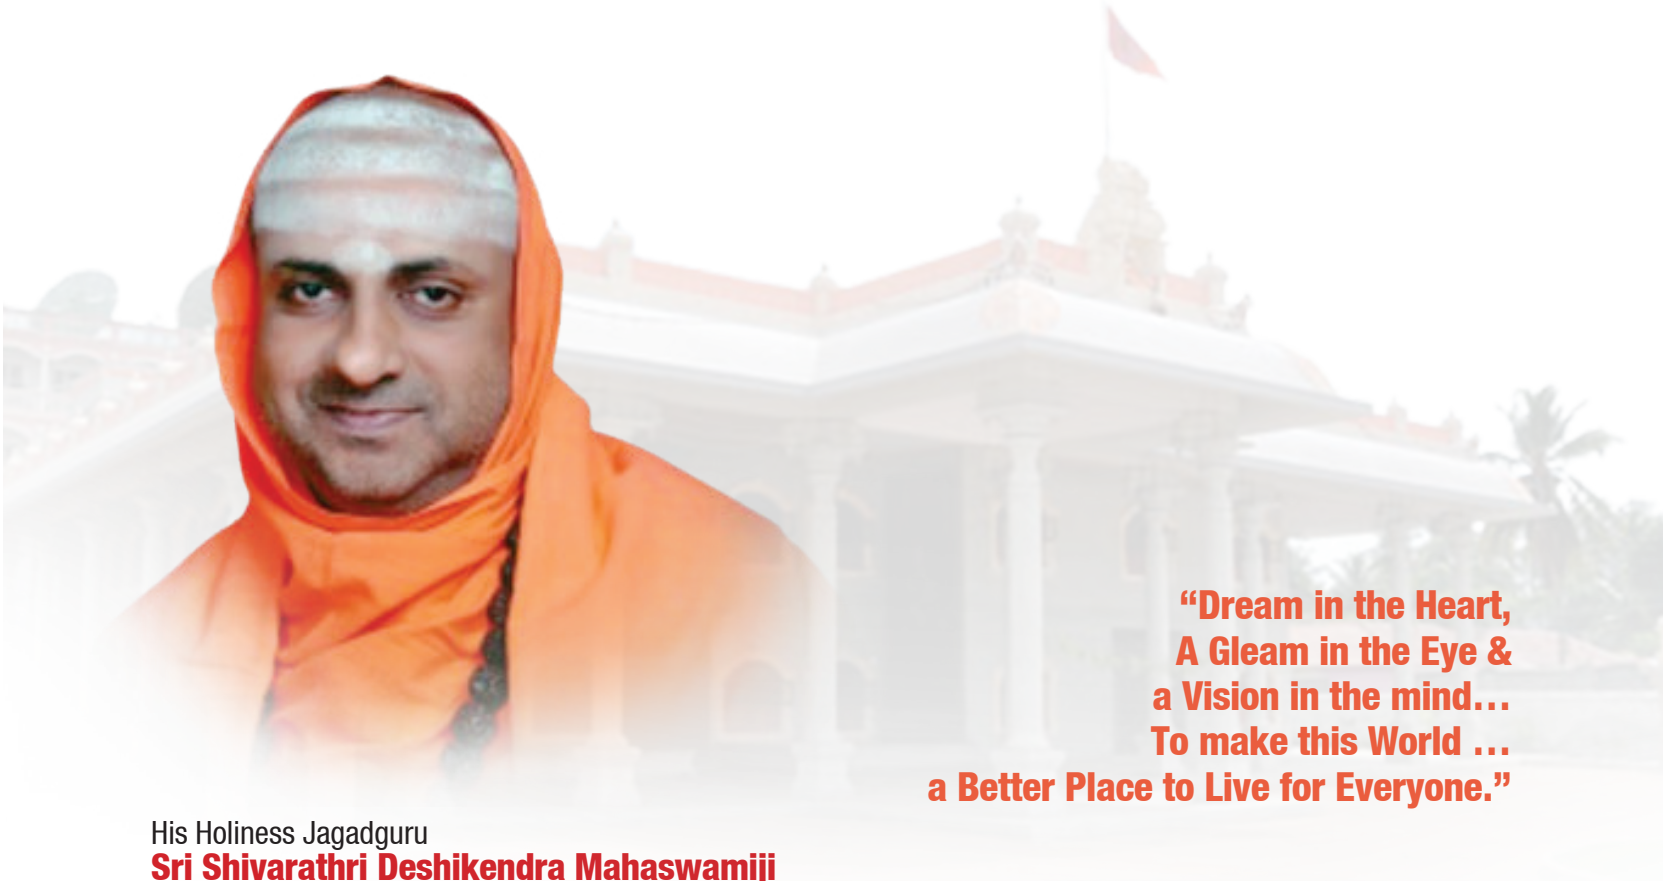

Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji, the 23rd pontiff of the Sri Jagadguru Veerasimhasana Mahasamsthana Math, was born on the 29th of August 1916 and ascended the holy seat on the 24th of February 1928, when he was hardly twelve years old. He took up the responsibilities of Math along with his Guru Jagadguru Sri Shivarathreeshwara Mantra Maharshi Mahaswamiji.

He was a patron of education, art and literature. He was thoughtful and sensitive to an astonishing level. He had mastered the art of turning every good thought into reality. Every step he took was a step forward in search of new areas of service. He served society tirelessly, without any selfish ends.

He Pioneered in establishing JSS Mahavidyapeetha, Schools and Colleges for Akshara Dasoha (education), hostels for Anna Dasoha (boarding) and hospitals for Arogya Dasoha (health services) that led to all-round social development. He was very compassionate in supporting the poor and the downtrodden, providing opportunities to thousands who needed shelter.

Through Mahavidyapeetha, he established educational avenues from KG to PG & PhD., he started Primary Schools, High Schools, Pre-University Colleges, Degree Colleges, Engineering and Medical college etc. established many Trusts and Societies such as JSS Medical Service Trust, Sri Shivarathreeshwara Rural Development Foundation, JSS Sangeetha Sabha, Shivarathreeshwara Endowment Trust, and Akhila Bharatha Sharana Sahitya Parishath, etc. that catered to many social works.

Single-minded dedication to a task aimed at the welfare of all, prompted him to tread a path of sacrifice. His Holiness attained heavenly abode on 6th of December 1986, and his shrine can be visited at Suttur. His Highness Sri Jayachamaraja Wodeyar Bahadur, the 25th Maharaja of the princely state of Mysore conferred the title of ‘Rajagurutilaka’ on His Holiness Swamiji in 1953 as a recognition of his immense contribution to society. Posthumously, Sri Rajendra Mahaswamiji was awarded an honorary doctorate by the University of Mysore in 1989.

**“Dream in the Heart,
A Gleam in the Eye &
a Vision in the mind...
To make this World ...**

a Better Place to Live for Everyone.”

His Holiness Jagadguru

Sri Shivarathri Deshikendra Mahaswamiji

Honourable Chancellor

JSS Academy of Higher Education & Research, Mysuru

His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji is the 24th pontiff of Sri Suttur Veerasimhasana Mahasamsthana Math, Sri Suttur Kshethra, Mysuru District, Karnataka. His Holiness Swamiji, had his spiritual training under the guidance of his illustrious predecessor His Holiness Jagadguru Dr Sri Shivarathri Rajendra Mahaswamiji, the Founder President of the JSS Mahavidyapeetha, an educational and cultural organization dedicated to the ideal of providing education to the villages of Karnataka. He is responsible for establishing the 'Bharithya Samskruthika Parishath', at all India levels, by providing collective leadership involving the heads of different religions, for benefit to mankind.

His Holiness is the Honourable Chancellor of JSS Academy of Higher Education & Research - A Visionary, endeavored not only to cross the Vindhya and establish engineering colleges, schools, etc at Noida (Uttar Pradesh) and also travelled beyond the shores of the country and established the presence of the Sri Math in USA, Mauritius, and Dubai. His efforts to reach out to the core of the problems that challenge our society, be it literacy, health care, employment or building values amongst the society, are lauded and recognised by one and all. It is His Vision that has taken the Institution / Deemed to be University to achieve significant milestones in a short span of 16 years and be recognized as one of the most progressive Institutions in the field of Health Sciences.

Pro-Chancellor's Message

At JSS Academy of Higher Education & Research (JSS AHER), we are committed to academic excellence, research innovation, and societal impact. Our NAAC A++ accreditation and No. 1 global ranking in SDG-3 (Good Health & Well-being) in THE Impact Rankings 2024 reaffirm our leadership in shaping healthcare, education, and policy. With faculty among the top 2% scientists globally and pioneering initiatives like the Ambari Project, we continue to drive transformative progress. As we welcome Dr. H. Basavanagowdappa as our 3rd Vice-Chancellor, we look forward to new milestones in education, research, and global collaboration.

With over four decades dedication in advancing pharmacy education, regulatory reforms, and global quality standards, I believe the future of healthcare lies in collaborative science, inclusive governance, and bold vision. Together, we will foster innovation, strengthen healthcare systems, and ensure access to high-quality medicines, reinforcing our commitment to a healthier world.

Dr. B. Suresh
Pro-Chancellor

Vice-Chancellor's Message

It is an honour to lead JSS Academy of Higher Education & Research (JSS AHER) since assuming charge as Vice-Chancellor on 21st November 2024. We have made significant strides in academic excellence, research innovation, and global engagement. With a strong emphasis on interdisciplinary research, industry partnerships, and faculty-driven innovations, we continue to push the boundaries of knowledge. Our efforts in health sciences, pharmaceutical research, and emerging technologies are creating transformative solutions for global challenges. Moving forward, we will strengthen global collaborations, research excellence, and student-centric learning, ensuring JSS AHER remains at the forefront of education and healthcare.

Dr. H. Basavanagowdappa
Vice-Chancellor

EMPOWERING INNOVATION THROUGH RESEARCH FELLOWSHIPS

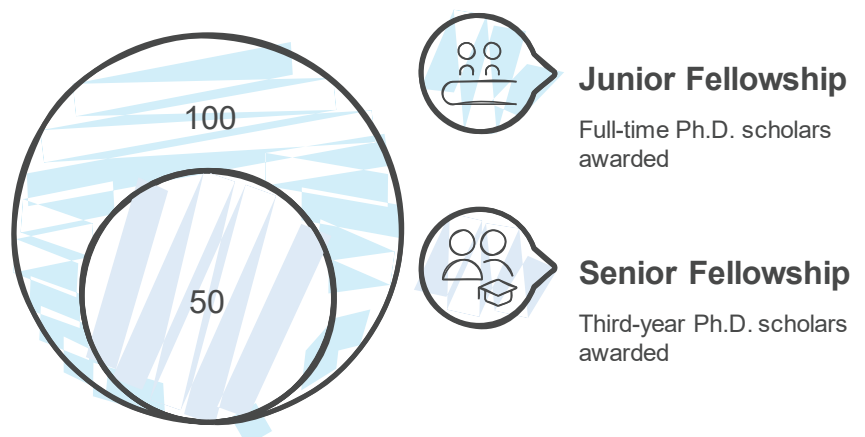

*JSS AHER Fellowships
.....are more than
financial aid - they are a
gateway to innovation,
global exchange, and
transformative research
that shapes the future.*

As a testament to its dedication to fostering research excellence and global academic engagement, JSS Academy of Higher Education & Research (JSS AHER) has instituted a dynamic Research Fellowship Program aimed at empowering aspiring researchers across diverse disciplines. These fellowships are strategically designed to ignite innovation, encourage interdisciplinary collaboration, and cultivate a thriving research ecosystem that contributes meaningfully to both national development and global scientific advancement.

JSS AHER Fellowship Program Overview

Research Fellowship Progression

JSSAHER ORF TESTIMONIAL

My three-month research tenure at the Instituto Oncológico Dr. Rosell (IOR), Barcelona, allowed me to explore novel mechanisms of drug resistance in KRAS-mutant lung cancer cells. This opportunity, made possible through the JSS AHER ORF, provided me access to world-class infrastructure, international collaborations, and advanced molecular research techniques. The unwavering encouragement and support from the ORF committee, particularly from Dr. Chandan .S, and Dr. Ashwini P played a pivotal role in realizing this dream. I returned not only with data and results but also with the vision to drive forward impactful cancer research at our home institution.

- Dr. Anisha Jain

The ORF support enabled me to conduct cutting-edge immunological research at the University of South Carolina, School of Medicine, USA, focusing on the immunomodulatory effects of dietary compounds in multiple sclerosis using animal models. This international exposure allowed me to work in a highly collaborative and technically advanced environment, which significantly enriched my scientific perspective. The mentorship, logistical support, and motivation from the ORF program made this journey seamless and enriching.

- Dr. Bhargav Shreevatsa KS
