PREFACE

Every effort is being made to ensure that all information and clarifications are included in the academic calendar. Students are advised to thoroughly read the contents and adhere to them. It is recommended that the academic calendar be preserved for future reference. If there are any doubts or need for clarifications, students should seek advice from their respective Principal or department Heads. Any changes to the academic calendar will be posted on notice boards. Hence, it is recommended that students check notice boards daily and regularly visit the JSSAHER website.

RULES & REGULATIONS

JSS Dental College and Hospital, a Constituent College of JSS Academy of Higher Education & Research, is a professional college where we provide quality education and training to students pursuing a career in dentistry. The college strives to educate students in the latest dental techniques, technologies, and best practices, and help them develop the skills and knowledge necessary to become successful and compassionate dental professionals. Additionally, we aim to promote research and innovation in the field of dentistry, and work towards improving the oral health of the community through community outreach programs. Finally, we aim to instill ethical values and professionalism in our students and promote lifelong learning and personal growth.

DISCIPLINE:

Discipline and punctuality are fundamental prerequisites for becoming a successful dental surgeon. Regular attendance and punctuality for all teaching programs are highly encouraged.

Students are advised to treat their patients with respect, sympathy, and care while completing their work on time to maintain patient appointments.

DRESS CODE:

GIRLS: Are expected to wear Churidars or Sarees with neatly combed hair. If wearing a scarf, it should be worn inside the apron.

BOYS: Should wear shirts, trousers, and leather shoes while being clean-shaven and well-groomed.

Navy blue scrubs during clinical postings.

Anything other than the required dress code is not allowed.

Bracelets, bangles, finger rings, and watches must be removed while treating patients. Nails must be trimmed and unpainted.

Cell-phone usage is strictly prohibited in departments, corridors, and college premises.

Neat aprons/ Navy blue scrubs with identity cards/ badges on the upper left side must be worn in college and hospital premises.

ATTENDANCE:

The institution prioritizes learning, and students are expected to attend all classes. The minimum attendance requirement for students from JSS Academy of Higher Education & Research is 75%.

Prior permission is necessary before absenting oneself from classes or clinical postings. Students with attendance below the minimum requirement are not eligible to appear for university examinations. *Please note that leaves on medical grounds do not have any concession.*

Classes and clinicals for some subjects are distributed over more than one academic year. The attendance of two academic years is considered for computation of eligibility in a subject taught for two academic years, even if there is no university examination at the end of the first academic year for that subject.

Repeaters and detained students must attend classes in the failed subject(s) and put up a minimum of 75% attendance as applicable.

To keep parents and students informed, the college updates them about attendance shortages. However, students and parents cannot claim it as a right to be informed or seek mercy for being unaware of the shortages and their consequences.

Note:

A student is eligible to carry over one subject provided he/she fulfills the attendance criteria and has appeared in all the examination subjects for that year. No carryover is allowed, and six months must be repeated for students with attendance shortages and those who have not appeared for the exam. Prescribed repeater fees will be applicable.

CLINICS:

- Patients seeking treatment at the hospital provide an opportunity for young doctors to learn. As such, students are expected to treat them with dignity, sincerity, and a humane approach.
- For better communication and patient management, it is advisable for students to learn the local language.
- The teaching staff will supervise the students as they treat patients, and approval must be obtained at each step. Additionally, a record of all clinical work done must be maintained and duly certified.
- Students are required to have their own hand instruments, micromotor hand piece, and airtor hand piece.
- Students should regularly update their knowledge regarding the proper handling of the equipments.
- It is the students' responsibility to maintain dental equipment in good condition, and they will be held accountable for any damage, destruction, or loss of college property.
- Students are expected to strictly adhere to all sterilization procedures and protocols.

INTERNAL ASSESSMENT EXAMINATIONS:

- Regularly, three internal assessment examinations (Theory and Clinical/ Practical) are conducted either as a part of University.
- Examination or as a part of training to assess the progress and preparedness of the students.
- **It is mandatory for all students to attend all three assessments.**
- No examination should be missed on self-presumption or assumptions that they are not essential or with the hope that the student can appear in the next examination.
- Regardless of the number of internal assessments attended by the student, the marks will be calculated based on the average of all three assessments
- Re-tests will not be conducted on any grounds.
- Wearing scrubs during all examinations is mandatory.

RAGGING:

- Ragging is an unpleasant and undesirable act that is prohibited by law. Students are warned to be careful and to keep away from acts that may be considered as RAGGING. The students found to be involved in ragging will be suspended and may be handed over to the police. They may be dismissed from the college if found guilty in the inquiry conducted.
- The students are advised not to involve themselves in any activities based on politics, caste, and community.
- The students are advised to refrain from indulging themselves in bad and unlawful activities, which may reflect on the conduct of the student and reputation of the institution and organization. Students who violate the rules and regulations laid down by the college/ university are liable for punishment, including suspension or dismissal from the college.
- "If any incidents of ragging come to the notice of the authority, the concerned student shall be given the liberty to explain, and if their explanation is not found satisfactory, the authority would expel the student from the institution" – DCI letter no. DE 167-2008/A-3441 dtd. 29-07- 2008.

DURING THEORY EXAMINATIONS:

While writing theory examinations, the students are advised to observe the following:

- a) They must note the correct timings of the examinations and attend accordingly.
- b) They should bring the admission tickets to the hall every day. They should read the instructions given in the admission tickets and act accordingly.
- c) They should wear scrub.
- d) They should not carry any electronic devices like mobiles, Bluetooth, Earphones, smartwatches, chits, slips, or any written matter into the hall.
- e) The students should not reveal their identity in any way, and only the registration number is to be written on the first page in the given box.
- f) They should not do any act that may make them liable to be booked under malpractice.

DURING PRACTICAL EXAMINATIONS:

- a) They should wear neat white aprons/ scrubs and proper dress code.
- b) Bring the admission tickets with them on each day of the examination.
- c) Bring the required instruments and other accessories.
- d) Bring the record books of work done, which are duly certified by the Head of the department.

NOTICE BOARD:

Changes, if any, and other important information will be notified on the notice board. Make a habit of scanning the notice boards daily.

EXTRACURRICULAR ACTIVITIES:

Students who are good at Sports, Cultural, and Literary activities will be given an opportunity to participate in competitions without compromising on academic activities. Students can enroll in their areas of interest.

INSTRUCTIONS TO PARENTS:

1. Parent meetings are conducted regularly. You will be informed through a phone call or an e-mail, and it is compulsory to attend the same.
2. Parents have to update their contact details at JSSU online.
3. Shortage of attendance leads to non-appearance for exams, and no carry-over in that subject is permitted as per regulations.
4. Attending all Internal Assessments is compulsory.
5. Kindly note that no leave provision is permitted for medical reasons.
