

# JSS Dental College and Hospital Dental Education Unit (unit of CCLPE)

## Faculty Development Program

The Dental Education Unit of JSS Dental College & Hospital organized a Faculty Development Programme titled **“Refresher Session on Program Outcomes, Course Outcomes, OSCE, OSPE, and Orientation to Competency-Based Dental Education (CBDE)”** with the objective of strengthening faculty understanding and implementation of competency-based dental education.

The inaugural programme was graced by the esteemed Chief Guest, Dr. Devananda D, Deputy Dean (Academics), JSS Academy of Higher Education & Research. The event was presided over by Dr. Dhakshaini M. R., Principal, and Dr. H. P. Jaishankar, Vice Principal, JSS Dental College & Hospital. Also present was Dr. Sunila B. S., Convener of the Dental Education Unit. In her inaugural address, Dr. Dhakshaini M. R. emphasized the need for faculty members to continuously update their knowledge and teaching practices in alignment with evolving educational frameworks and regulatory guidelines. Dr. Devananda D. appreciated the initiative undertaken by the Dental Education Unit and highlighted the importance of aligning teaching-learning methods with clearly defined competencies, outcomes, and assessment strategies. Dr. Sunila B. S proposed the vote of thanks while the programme was coordinated by Dr. Sushma R.

The academic sessions commenced with ‘Orientation to Competency-Based Dental Education (CBDE): Why, What, and How,’ delivered by Dr. Sunila B. S., Department of Prosthodontics. She as the convener of the Dental Education Unit and having been actively involved in faculty development and institutional training initiatives for over a decade, highlighted the rationale, principles, theories and fundamental concepts underpinning Competency-Based Dental Education. Her presentation emphasized the need for a transition towards CBDE in response to the evolving educational landscape and contemporary healthcare demands. Dr. Indira M. D., Department of Pedodontics Dentistry, supplemented the session with key features for the relevance of CBDE framework. Subsequently, Dr. Meenakshi S., Department of Prosthodontics and Dr. Seema Deshmukh, Department of Pedodontics, revisited ‘Program and Course Outcomes’ and ‘OSCE and OSPE’ that were previously introduced and implemented by the Dental education Unit as institution’s faculty development initiatives.

The programme witnessed insightful discussions led by Dr. Dhakshaini M. R., Principal, Professor Dr. Nandlal B., and Dr. Mahima, Deputy Controller of Examinations, JSSAHER along with active participation of Faculty. The deliberations provided valuable perspectives on curriculum implementation, assessment strategies, and competency-based educational practices.
