Respected Sir,

### **Sub: Report of Research Orientation for Second Undergraduate Students**

\*\*\*\*\*

With the premise of introducing undergraduate students to the fundamentals of research, the Dental Education Unit, a unit of CCLPE, JSSDC&H had organized a virtual program titled "Undergraduate Research Orientation Program" for 2<sup>nd</sup> year students of JSSDC&H, on 10<sup>th</sup> December 2021. Dr.Ravindra S, Principal, JSSDC&H presented the welcome address and emphasized the importance of research Culture at Undergraduate education. Dr.Jayanthi MK, Prof & Head, Depatmet of Pharmacology, JSS Medical College graced the occasion as the chief guest and briefed the students the significance of research as undergraduate students. She congratulated Dr.Sunila for taking the initiative of introducing Research Methodology Workshop at second year of dental education that can enable the students to gain insight into STS Projects and undertake short studies. Dr.Balavidyadhar, Programme officer for Public Health, Pushpagiri Vitero Retina Institute, Secunderabad detailed on all aspects of Research Methodology -Research Process, Research Question, Types of Research ,Sample size having an Interactive Hands-on Workshop while Dr.Sreeshyla, Department of Oral Pathology & Microbiology, JSSDC&H detailed on the topic of Literature review and its importance , Dr.Sunila, Convener, DEU, presented the vote of thanks. Dr.Sushma, member, DEU, moderated the session. The webinar was effective in igniting the young minds by providing the essential guidelines for initiating and pursuing the research of their interest. A total of twenty six young research aspirants actively participated in the webinar. Dr.Sunila, Convener, DEU added her expertise facilitating the program and closed the session with thanksgiving to the Guest speakers for their expertise and dedicated efforts and the participants for their enthusiasm. This is for your kind information.

Yours Sincerely,

Dr. Sunila BS
