Dental Education Unit (DEU), Centre for continuous learning for professional excellence (CCPLE) conducted the second Faculty Development workshop titled "Fundamental of Dental Education Technologies" for the faculty participants of JSSDCH on **30<sup>th</sup> November 2017** at the Smart Room, JSS Dental College & Hospital, Jagadguru Sri Shivarathreswara University. This was a repeat workshop for the 30 faculty of the institution who could participate in the first workshop conducted on the same topic in May 12<sup>th</sup> 2017. The three sessions of this, one day workshop was facilitated by the Resource personnel Dr. Sunila B Sangappa, Associate Professor, Department of Prosthodontics & Crown and Bridge, JSSDCH and Dr. Praveen Kulkarni, Assistant Professor, Department of Community Medicine, JSSMC, on the topics on Group dynamics & Adult learning principles, Educational Objectives, Taxonomy of learning, Learning objectives, competencies and Interactive Teaching Methods.

The program started with the introduction of speakers by Dr. Sunila B Sangappa, Convenor Dental Education Unit followed by the facilitation of the three sessions by the resource personnel. Sessions had many activities for the participant's experiential learning and evidenced the active and enthusiastic participation of all the faculty present throughout the workshop. Dr. Seema Deshmukh, Reader, Dept. of Pedodontics, made a short presentation during the session on 'Interactive teaching methods' to help the faculty in using Microteaching Observation checklist.

The program concluded with verbal and written feedback from the participants. Faculty highly appreciated their active involvement across all the sessions and the effective learning to improve their core skills and abilities. Participants opined that there was a need for similar workshops across other topics of dental education. Across all the four sessions all the faculty enthusiastically participated in all group and individual activities.
