

STUDENT CLUBS

“Beyond Medicine: Where Passion Meets Purpose”

Student clubs at JSS Medical College, Mysuru, play an important role in enriching campus life and promoting the holistic development of students beyond academics. They provide a vibrant platform for students to explore their interests, showcase their talents, and develop essential skills such as leadership, teamwork, communication, creativity, and organisation. Through cultural, literary, academic, social, and community-oriented activities, the clubs foster collaboration, confidence, and a strong sense of belonging. With the guidance and mentorship of dedicated faculty coordinators, JSS Medical College continues to nurture well-rounded, confident, and socially responsible future professionals.
