## SPEAKER

**DR. PRABHUDEV MAHANTAYYA  
HIREMATH**

Assistant Professor,  
Department of Neurology and Pediatric Neurology,  
Ramaiah University of Applied Sciences,  
Bengaluru

**DATE: 23<sup>rd</sup> October, 2026**

**TIME: 2:00 PM - 4:00 PM**

**VENUE: Lecture Hall-2, Ground Floor,  
JSS Hospital, Mysore**

Dear Doctor,

We, the AstraZeneca Rare Disease team, are delighted to invite you to join us for an exciting meeting where we will discuss real-world case discussions on Selumetinib. This is a unique opportunity to share your experiences and insights.

Let us come together to reaffirm our commitment to improving the lives of patients living with Plexiform Neurofibroma - a condition that requires continued awareness, early intervention, and collaborative care.

We look forward to welcoming you to the meeting.

# WE PUSH THE BOUNDARIES OF SCIENCE TO DELIVER LIFE-CHANGING MEDICINES

Our Purpose underpins  
everything we do

It gives us a reason to  
come to work every day

It reminds us why  
we exist as a company

It helps us transform the future  
of healthcare for people,  
society, and the planet!

#THIS IS OUR WHY
