## Prologue

National Medical Commission had instructed the medical colleges across India to establish the Medical Education Units (MEU) with the aim to,

- Sensitize teachers about new concepts in curriculum designing, teaching – learning methods and assessment techniques in medical education
- Develop knowledge and clinical skills required for performing the role of competent and effective teacher, administrator, researcher and mentor
- Assist clinicians to acquire competency in communication and behavioural skills
- Update knowledge using modern information and research methodology tools instructed

Medical Education Unit of JSS Medical College, a constituent College of JSSAHER strive to foster the excellence in medical education since its inception in 1997. After establishment of JSS University, pharmacy and dental education teamed up with medical education under the umbrella of Centre for Continuous Learning for Professional Excellence (CCLPE).

**Vision:** Strive to foster excellence in medical education and research to deliver quality health care

**Mission:**

- To develop into an institute providing educational leadership at an undergraduate, postgraduate and continuous professional development levels
- To raise the standard of medical education by developing expertise and programs tailored to the requisites
- To develop into a center of repute in educational research to advance in teaching, learning, assessment and evaluation
- To build capacity in medical education and develop a network with medical educators regionally and nationally

**Objectives:**

- To conduct yearly calendar of events
- To train faculties in advanced teaching and learning methodologies
- To continuously update faculty on the changing trends in health professional education.
- To support our institution by assisting in curriculum development, program evaluation, quality assurance and decision making
- To coordinate with CCLPE of JSS AHER in its activities

- Establish and consolidate collaboration with other reputed colleges and universities for exchange of knowledge and expertise in medical education
- Provide academic interaction at a multidisciplinary
- To ensure continuous quality improvement in teaching learning and assessment in professional education
- Facilitate educational research through projects, research publication, PhD course and other short term certificate courses.
- Keep the faculty updated of the current trends in medical education by conducting workshops, seminars and conferences
- To develop as a centre of excellence in educational resources
- Contribute towards policy making, establishing feedback system, programmatic assessment, imparting communication skills and humanities
- To develop and implement instructional design for undergraduate and post graduate courses

We are to proud to present this compendium of contributions of Medical Education Unit to enhance quality of medical education in JSS Medical College. Special thanks to Mr. Kiran, administrative staff of Medical Education Unit for completion of the activity reports. We are appreciating the efforts of all the family members of Medical Education Unit for their support in our activities. We extend our heartfelt gratitude to Dr B Manjunatha, Registrar, JSS Academy of Higher Education & Research, Dr H Basavana Gowdappa, Principal, Dr M N Suma, Vice Principal, JSS Medical College for their constant support in all our endeavours.

Dr Pushpalatha K  
Co-Coordinator  
Medical Education Unit

Dr Arun M  
Coordinator  
Medical Education Unit

Dr Praveen Kulkarni  
Vice Principal & Member  
Medical Education Unit

## MEU Family

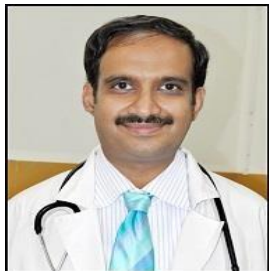

Medical Education Unit comprises of staff with specialist interest in Medical Education, from a diverse range of clinical and non-clinical backgrounds. Staffs in the unit coordinate and work all levels organising and Co-ordinating student mentoring and welfare programmes. Under supportive administration and encouraging leadership, unit provides guidance and faculty development, ensures curriculum delivery and assessment. Many members play an integral role in promoting research, work as advisors to regulatory bodies, quality assurance.

### Foundation for Advancement of International Medical Education and Research (FAIMER)

SI No	Name	FAIMER	Project Title
1.	Dr. Prashanth Vishwanath	2010; PSG FRI	Problem Based Learning in Biochemistry
2.	Dr. Deepa Bhat	2011; CMC L FRI	Introduction of Objective Structured Practical Examination in Anatomy for undergraduate medical students
3.	Dr. Pushpalatha K	2012; PSG FRI	Cross Age Peer Mentoring for first year MBBS students by Involving postgraduate Students
4.	Dr. Kiran H S	2014; PSG FRI	Enhancing Clinical Reasoning Skills of Internal Medicine Post-graduate students using medical non-fiction & non-medical fiction books
5.	Dr. Praveen Kulkarni	2016 ; PSG FRI	Empowering Medical Students Communication Skills through Workshop based Intervention
6.	Dr. Madhu B	2017; PSG FRI	Develop and Implement Competency Based Structured Bio-statistics training module for medical undergraduates.
7.	Dr. Arun M	2019. PSG FRI	Development and Evaluation of Case Based Discussion Modules on Legal Procedures using Moot Court Approach among Medical Students.
8.	Dr. Archana S	2022; MAHE, FIILPE	The impact of Interprofessional simulation education on end-of-life care for health professional students

### Members with Advance Course in Medical Education (ACME)

SI No	Name	ACME	Project Title
1	Dr.Arun M	2015 B	Perception of II MBBS students towards learning basic autopsy dissection skills during Undergraduate Medical Curriculum
2	Dr.Pushpalatha K	2015 A	Qualitative analysis of first year MBBS university question papers; as a tool for Assessing the Cognitive Skills
3	Dr.Prashanth Vishwanat	2016	Modified Problem Based Learning in the Context of Indian Medical School
4	Dr.Deepa Bhat	2015 A	Study of Faculty Viewpoints on Challenges and Factors Influencing Curriculum Development/Revision
5	Dr.Madhu B	2017	Awareness and practice of blue printing among pre-paraclinical faculty for written examinations and Impact of test blueprinting on written internal assessment in community medicine for MBBS undergraduates
6	Dr. Praveen Kulkarni	2016 A	Effectiveness of blender lecture as a revision tool for Community Medicine
7	Dr. Vijaya Vageesh	2019 B	Perception of pre clinical faculty on early clinical exposure
8	Dr. Pushpa V H	2017 B	Computer Assisted Learning versus Conventional Teaching Method: Tool for learning Experimental Pharmacology among II year medical students
9	Dr. Manthappa M	2018 B	Comparison of test scores and student perception of integrated teaching and case based learning
10	Dr. Soumya H V	2018 B	Evaluation of surgical skills in ophthalmology residents using ICO-OSCAR for Small Incision Cataract Surgeries: An assessment, feedback and much more

**PhD Projects**

Sl no	Faculty	Title of Thesis
1	Dr.Praveen Kulkarni	Design and Implementation of curriculum on Medical Humanities for undergraduate students
2	Dr. Pushpalatha K	Bench Marking of Assessment in Competency Based Medical Education

### List of Programs Conducted

<b>Sl No</b>	<b>Name of the Programme</b>	<b>Date</b>	<b>Total number of participants</b>
1	Orientation Programme for Interns of 2018-19 Batch	19/03/2018	154
2	Orientation Programme for I Year Postgraduates of 2018-19 Batch	07/06/2018	128
3	Induction Programme for I Year MBBS Students of 2018-19 Batch	16/08/2018	200
4	Foundation course for I Year MBBS Students of 2018-19 Batch	3/09/2018 to 4/9/2018	200
5	Workshop on Scientific Writing' for I Year Postgraduates (2018-19 Batch)	11/09/2018	140
6	Workshop on 'Dissertation Writing' for Final Year Postgraduates of MD/MS/DM/MCh/MPhil/ MSc/MPH.	18/09/2018	155
7	ASCLEPIUS 2018- JSS National Undergraduate Medical UG Conference held on	9 <sup>th</sup> , 10 <sup>th</sup> & 11 <sup>th</sup> OCTOBER 2018	
8	Orientation Programme for Interns of 2019-20 Batch	19/03/2019	145
9	Orientation Programme for I Year Postgraduates of 2019-20 Batch	16/05/2019	122
10	CISP (Curriculum Implementation Support Programme) for teaching Faculty Under MCI Observer from Nodal Center	24th to 26th June 2019)	30
11	CISP (Curriculum Implementation Support Programme; In-House) for Heads of the Departments and Members of UG BoS	25.07.2019 and 26.07.2019	30
12	Induction Programme for MBBS Batch of 2019-2020	01.08.2019	200

13	Foundation Course for MBBS Batch of 2019-2020	02.08.2019 to 31.08.2019	200
14	White Coat Ceremony for MBBS Batch of 2019-2020	30.08.2019	200
15	Hands-on workshop on Scientific Writing for I year postgraduates (2019-20 Batch)	21st , 22nd and 27th , 28th August and 4th , 5th September 2019.	131
16	Orientation Programme for Interns	05.03.2020	155
17	Medical Humanities	09.03.2020 to 10.03.2020	34
18	Orientation Programme for Postgraduates	03.09.2020	141
19	CISP (Curriculum Implementation Support Programme)	23.09.2020 to 24.09.2020	30
20	Orientation Programme for Interns (Odd Batch)	20.10.2020	49
21	Scientific Writing Workshop (Online) for 1 year Postgraduates	06/11/2020	141
22	Scientific Writing Workshop; Group activities and synopsis presentation for I Postgraduates of 2020-21 Batch	12th , 13th , 18th and 19th of November 2020	141
23	virtual Induction Program for MBBS Students of 2020-21 batch	07.01.2021	200
24	Virtual Foundation Course	8 <sup>th</sup> January to 22 <sup>nd</sup> January 2021	200
25	White Coat Ceremony	01.02.2021	200

**2018-19**

## **Orientation Programme for Interns of 2018-19 Batch**

The Medical Education Unit conducted a one day Orientation Programme for the Interns of 2018-19 Batch on 19<sup>th</sup> March 2018 from 10.00 AM TO 04.00 PM at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total 120 Interns attended the programme.

Dr.Arun, Convenor of Medical Education Unit, welcomed the dignitaries to the dais. The programme began with a formal inauguration by Dr.B.Manjunatha, Registrar, JSS Academy of Higher Education and Research, who addressed the gathering and advised the fresh interns to make best use of the resources available at the Hospital for their academic activities. Dr. (Col) M Dayananda, Director, JSS Hospital, spoke about the rules and regulations of JSS Hospital. Dr.M.Guruswamy, Medical Superintendent, JSS Hospital spoke on the occasion and stressed about the medical ethics to be inculcated by the interns. Dr.G.V.Manjunath, Vice Principal (Clinicals), JSS Medical College was present. Dr.Vijaya Vageesh, Member of Medical Education Unit, proposed the vote of thanks. In the morning session, Dr.Kiran H.S., Dr.Deepthi T, Dr.Chinmayi Y. and Dr.Madhu B spoke about 'Duties and responsibilities of interns', 'Case sheet and prescription writing', 'Handling medicolegal cases' and 'Introduction to Community Medicine Postings', respectively. This was followed by a Lunch Break. The post lunch session had three topics, namely, 'Blood Bank', 'Hospital Infection Control Programme' and 'Interpersonal relationships and communication skills', held respectively by Dr.Pallavi, Dr.Rashmi and Dr.Praveen Kulkarni, respectively. The concluding session was held by the first year Postgraduate students, Dr. Ipsita Konar and Dr. Smrithi Bhagirath, on 'How to make best use of Internship?'

The interns gave their feedback at the end, where they conveyed that the Orientation Programme was highly beneficial for their Internship programme and the topics covered had a real value of application. A total of 120 postgraduates availed the benefit of the programme.

## **Report on Orientation Programme for I Year Postgraduates of 2018-19 Batch**

The Medical Education Unit conducted a one day Orientation Programme for the I Year Postgraduates (2018-19 Batch) on 7<sup>th</sup> June 2018 from 10.00 AM TO 04.00 PM at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total 120 Postgraduates attended the programme.

The day started with registration at 09.30 AM, Dr. Arun, Convenor of Medical Education Unit, welcomed the dignitaries to the dais and delivered the welcome note. The programme began with a formal inauguration by Dr. P.A Kushalappa, Director (Academics), JSS Academy of Higher Education and Research, Mysuru. In his keynote address, he advised the postgraduate students to put their maximum efforts and commitments towards the specialty they have been enrolled for. He also suggested to the fresh postgraduates to make best use of the resources available at the Hospital for their academic activities. Dr. H. Basavanagowdappa, Principal, JSS Medical College, spoke about the rules and regulations of the Institution. Dr.M.Guruswamy, Medical Superintendent, JSS Hospital, spoke on the occasion and stressed about the medical ethics to be inculcated by the postgraduates. Dr.G.V.Manjunath, Vice Principal (Clinicals), JSS Medical College gave a brief overview of the JSS Medical College and Hospital from its inception till date. This was followed by a session on 'Introduction of Heads of the Departments' by Dr.Pushpa V.H, Member of Medical Education Unit, Heads from all departments of the Institution were present. This session was aimed to familiarize all the Postgraduates with various departments of the Institution. This was followed by a Tea Break. In the next succeeding session, there was 'Self Introduction' by all Postgraduates. Dr. Sudheendra Bhat, Controller of Examinations, JSS Academy of Higher Education and Research, gave a narrative overview about the JSSAHER and its constituent colleges. This was followed by a session on 'Interpersonal relationships and communication skills' by Dr. Kishor M, faculty of Psychiatry. After the lunch break, Dr.Sowmya H.V, Dr.Vikram Patil, Dr.Pratibha Periera, Dr. Sumana and Dr.Manthappa M,

spoke about 'Duties and responsibilities of postgraduates', 'Selection of topic for dissertation', 'Role of postgraduates for NABH', 'Hand hygiene' and 'How to write a log book?', respectively.

The postgraduates gave their feedback at the end, where they conveyed that the Orientation Programme was highly beneficial for their residency programme and the topics covered had a real value of application. A total of 128 postgraduates availed the benefit of the programme.

### **Induction Programme for I Year MBBS Students of 2018-19 Batch**

The Medical Education Unit conducted a One day Induction Programme for the I Year MBBS Students of 2018-19 Batch on 16/08/18, from 10.30 AM TO 04.00 PM at Sri Rajendra Auditorium, JSS Medical College, Mysuru. 150 students, along with their parents, making a total of 600 members, attended the programme.

The programme began with an invocation rendered by Ms. Arya Peethambaram and Ms. Misbah. Dr.H.Basavana Gowdappa, Principal, JSS Medical College, welcomed the gathering. He congratulated the newly admitted students and appreciated their hard work for having achieved their dream of getting into one of the prestigious medical schools of the country. He advised the new students to make best use of the resources available at the College and Hospital for their academic activities. It was followed by lighting of the lamp by the dignitaries on the dais. The chief guest for the event, Dr. K.P. Puthuraya, former Director of Research and Development, Rajiv Gandhi University of Health Sciences, Bengaluru, delivered the inaugural address. In his address he highlighted about the role of students and parents in the journey of medical education. He also stressed the need to be a good human along with being a successful doctor. Dr. (Col) M Dayananda, Director JSS Hospital Mysore spoke about need for good communication with patients and also keeping update about the fast changing medical field. Dr.Prashanth Vishwanath, Director, IQAC, JSS AHE&R, administered the Oath of solemn affirmation to the students. In his Presidential address, Dr.

P.A. Kushalappa, Director (Academics), applauded the efforts of new entrants for having made it up to medical profession. He advised them to maintain the honor and decorum of the profession and bring laurels to their alma mater. He advised the students to take up short term research projects which will be supported by the university. Dr. G.V. Manjunath, Vice Principal, highlighted the evolution of JSS Medical College and Hospital from its inception till date spanning over three decades. Dr. Sudheendra Bhat, Controller of Examinations, gave a detailed description of the JSSAHER. Dr. Renuka M, Deputy Controller of Examinations, briefed about the Scheme of Examinations. All the teaching faculties of the Departments of Anatomy, Physiology and Biochemistry were introduced to the audience, by the heads of the respective Departments. This was followed by vote of thanks by Dr. Rajalakshmi R, Professor and Head of Physiology. After the lunch break, the afternoon session began with a narrative presentation by Dr. Chandrakanth H.V, Professor & Head of Forensic Medicine and Toxicology, on Anti-ragging, prevention of gender harassment and other related offences. The availability of various support systems to the students to combat such situations was outlined. The succeeding session was on Mentorship Programme, by Dr. Pushpalatha. K, Professor and Head of Anatomy. She brought out the unique system of Mentorship in the institution which provides an extended opportunity to students to interact with the assigned teacher, for academic and non-academic issues. The concluding session of the day was Traffic Rules and Regulations by Mr. Jaya Kumar, Police Inspector, N.R. Traffic Zone, Mysuru.

The students and the parents gave their feedback at the end, conveying that the Induction Programme was highly beneficial and the topics covered were relevant.

## Foundation course- 2018-19 batch

Sl No	Topic	Speaker	Time
<b>03.09.2018: Day 1</b>			
1	Coping with medical stress & Stress Management	Dr.Kishor Associate Professor Dept of Psychiatry	9.30AM-10.30AM
2	Communication Skills & Professionalism	Dr.M D Ravi Professor, Dept of Paediatrics JSS Medical College	10.30AM-11.30 AM
<b>Tea Break</b>			
3	Time management	Dr H Basavana Gowdappa Principal Professor of Medicine, JSS Medical College	11.45AM-12.45 PM
<b>Lunch</b>			
4	How to study?	Dr. Kiran HS Associate Professor Department of Medicine JSSMC	2PM - 3PM
5	JSSU online and Involvement of students as stakeholders in Quality Assurance	Dr. Prashanth V, Professor Department of Biochemistry JSS Medical College	3PM-4PM
<b>04.09.2018: Day 2</b>			
6	Humanities in Medical Profession	Dr Arun M Professor Dept. of Forensic Medicine JSS Medical College	9.30 AM-10.30 AM
7	Research for undergraduates	Dr Praveen Kulkarni Assistant Professor Dept of Comm. Medicine JSS Medical College	10.30AM-11.30 AM
8	Ethics in Medical Profession	Dr PratibhaPeriera Professor Dept of Medicine JSS Medical College Hospital	11.45AM-12.45 PM
9	Guidance and experience of senior students		2 PM-3.30 PM
10	Feedback		3.30PM- 4PM

### **Workshop on Scientific Writing' for I Year Postgraduates – 2018-19 Batch**

The Medical Education Unit conducted a One day Workshop on 'Scientific Writing' for the I Year Postgraduates (2018-19 Batch) on 11<sup>th</sup> September 2018 from 10.00 AM TO 04.00 PM at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total 140 Postgraduates attended the programme.

The day started with registration at 09.30 AM, Dr. Arun, Convenor of Medical Education Unit, welcomed the dignitaries to the dais and delivered the welcome note. Dr. H. Basavanagowdappa, Principal, JSS Medical College, addressed the students and emphasized about the need for writing a good dissertation and also called upon the students to take an active role in medical research and publications. Dr. Col. Dayananda, Director, JSS Hospital, in his address spoke about the eventual need of doing research during residency programme. Dr. M Guruswamy, Medical Superintendent, JSS Hospital, spoke on the occasion and stressed about the ethics to be followed in medical research. Dr. GV Manjunath, Vice Principal (Clinicals), JSS Medical College was present. The first session was held by Dr. Pushpa VH, Member of Medical Education Unit and faculty of Pharmacology, on 'Information search'. She explained about various avenues available to search information for writing Scientific communications. The following session was on 'Review of literature' conducted by Dr. Madhu B, Member of Medical Education Unit and faculty of Community Medicine. She gave an overview on searching literature and citing references. This was followed by a Tea Break. This was followed by session on 'Study Designs, Materials and Methods' engaged by Dr. Shwethasri, faculty of Community Medicine, where she introduced the participants to different study methods and their applications. After the lunch break, Dr. Deepa Bhat, faculty of Anatomy and member of Medical Education Unit, took a session on 'How to write the synopsis in the format?'. The participants were instructed to adhere to the format while they write their synopsis for further submission to JSS AHER. The next session was conducted by Dr. Arun M, faculty of Forensic Medicine and Convener of Medical Education unit, on 'How to do seminars and Journal Clubs?' He gave a narrative description

on ground rules for preparing and presenting seminars and journal clubs. The concluding session of the day was on 'Ethical Committee requirements', done by Dr. Suresha RN, faculty of Pharmacology and Member Secretary of Institutional Ethical Committee of JSS Medical College. He presented the ethical and legal requirements to be fulfilled for synopsis submission.

The postgraduates gave their feedback at the end, where they conveyed that the topics covered in the workshop had a real value of application and was highly beneficial for writing their synopsis as well as other scientific communications. A total of 140 postgraduates availed the benefit of the programme.

### **Workshop on 'Dissertation Writing' for Final Year Postgraduates**

The Medical Education Unit conducted a One day Workshop on 'Dissertation Writing' for Final Year Postgraduates of MD/MS/DM/MCh/MPhil/MSc/MPH on 18<sup>th</sup> September 2018, from 10.00 AM TO 04.00 PM at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total 160 Postgraduates attended the programme.

The day started with registration at 09.30 AM, Dr. Arun. M, Convenor of Medical Education Unit, welcomed the dignitaries to the dais and delivered the welcome note. Dr. H. Basavanagowdappa, Principal, JSS Medical College, addressed the students and emphasized about the need for writing a good dissertation and also called upon the students to take an active role in medical research and publications. Dr. C.P. Madhu, Professor and Head, Dept of Surgery spoke on the occasion.

The first session was held by Dr. Vijaya Vageesh, faculty of Physiology and member of the Medical Education Unit, on 'Writing Literature Review in Dissertation'. She explained about the format of writing literature review and citing of references in dissertation. This was followed by a Tea Break. The next session was on 'Statistical analysis of the data',

conducted by Dr. Arun Gopi, faculty of Community Medicine, where he narrated different study methods and their application. Succeeding session was about 'Writing discussion part in Dissertation'. This session was conducted by Dr. Deepti T, faculty of Pediatrics and member of Medical Education Unit. The concluding session for the day, was by Dr. Vikram Patil, faculty of Radiology and member of Medical Education Unit, on 'Publications from Dissertation'. The importance of bringing quality research papers from the dissertation was emphasized.

The postgraduates gave their feedback at the end, where they conveyed that the topics covered in the workshop had enabled them to make a quick revision of the dissertation work before the final submission to the JSSAHER.

A total of 160 postgraduates availed the benefit of the programme.

### **ASCLEPIUS 2018- JSS National Undergraduate Medical UG Conference**

JSS Medical College had organized National Undergraduate Conference -Asclepius 2018 on 9<sup>th</sup>, 10<sup>th</sup> & 11<sup>th</sup> of October 2018 with the support of Quiz Society, Student Research Cell, Medical Education Unit and Literary Committee.

The conference started with the Inauguration ceremony on 9<sup>th</sup> October 2018. Mr. Rakshith N.R, organizing secretary welcomed the gathering which was followed by formal inauguration of the conference by lighting the holy lamp by dignitaries. Dr B Manjunatha, Registrar, JSS Academy of Higher Education & Research in his remarks as chief guest, congratulated the students and faculty who took the initiative to organize this conference. He said that the scientific sessions designed for the conference will definitely help to improve the knowledge and skills of medical students. Addressing the gathering the guest of honor Col. Dr Dayanand, Director, JSS hospital emphasized on developing professional networking among the students from undergraduate days. Delivering the presidential address, Dr H Basavanagowdappa, Principal, JSS Medical College described the

importance of research in under graduation. He congratulated the student research cell for working towards preparing the students for conducting meaningful research in the medical college. He also emphasized on the research facilities and the avenues for funding for undergraduate research in JSS Medical College and JSS Academy of Higher Education and Research. The students who demonstrated extraordinary performance in academics during the period 2017-18 were facilitated with Datti Pratibha Puraskaara and the certificates of appreciation were distributed to the students and mentors who have completed their ICMR – Short Term Studentship in the year 2017. The programme ended with formal vote of thanks by Mr. Pranay P and the national anthem.

The scientific programmes in the conference consisted of Medical QUIZ “OCCAMS RAZOR”, workshops on

1. Crime scene investigation
2. Research methodology
3. Ultrasound in emergency
4. ECG, Heart and Lung sounds

On day 2, there was a panel discussion on Implementation of new MCI curriculum for MBBS. Dr Vinutha Shankar, Professor and Head, Department of Physiology, Sri Devraj Urs Medical College, Kolar, Dr G V Manjunath, Vice Principal, JSS Medical College, Mysuru, Dr Pushpalatha K, Professor and Head, Department of Anatomy, JSS Medical College, Dr Jagadish Kumar K, Professor and Head, Department of Pediatrics, JSS Medical College, Dr Mohammad Saud, Alumni of JSS Medical College and Mr. Ramaswamy, MBBS student in 5<sup>th</sup> term participated as panelists. Dr Praveen Kulkarni, Assistant Professor, Department of Community Medicine, moderated the panel discussion.

Dr Sanjiv Lewin Director of Medical Services, St John’s Medical College, Bengaluru delivered a guest lecture on “Career prospects for medical students”.

The participation in the Scientific session was overwhelming and there were a total of 15 posters, 27 clinical case and 12 research posters presented by students and judged by distinct faculty of the respective subject.

The medical quiz was remarkable and was organized by the SPQR: Quiz Society of JSSMC, under the guidance of Dr Suchita S, Department of Pathology and Dr Nithin K B, Department of Surgery. Quiz had participation of 42 participants in 13 teams and was very thought provoking and up to the mark with the current quizzing trend in India.

The conference saw a overall participation of 227 participants from various colleges in Mysore and from other parts of Karnataka. Students participated from medical institutes from Mangalore, Bengaluru, Mysore, Mandya, Belluru, and Davangere.

Overall, ASCLEPIUS 2018 was a successful event, widely appreciated and applauded by the participants as well as the Principal and management of JSSMC and JSSAHER.

## 2019 -20

### Orientation Programme for Interns of 2019-20 Batch (19/03/19)

The Medical Education Unit conducted a One day Orientation Programme for the Interns of 2019-20 Batch on 19<sup>th</sup> March 2019 from 10.00 AM TO 03.00 PM at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total 150 Interns attended the programme.

Dr. Arun, Convenor of Medical Education Unit, welcomed the dignitaries to the dais. The programme began with address by Dr. H. Basavanagowdappa, Principal, JSS Medical College. He advised the fresh interns to make best use of the resources available at the Hospital for their academic activities. Dr. (Col) M Dayananda, Director, JSS Hospital, spoke about the rules and regulations of JSS Hospital. Dr. M Guruswamy, Medical Superintendent.

JSS Hospital, spoke on the occasion and stressed about the medical ethics to be inculcated by the interns. Dr. GV Manjunath, Vice Principal (Clinicals), JSS Medical College was present. Dr. Vijaya Vageesh, Member of Medical Education Unit, proposed the vote of thanks. In the morning session, Dr. Manjunath VG, Dr. Ashwinin PK, Dr. Smitha Rani Dr. Prakash B and Dr. Pallavi, spoke about 'Duties and responsibilities of interns', 'Case sheet and prescription writing', 'Handling medicolegal cases', 'Introduction to Community Medicine Postings', 'Blood Bank' and 'Hospital Infection Control Programme', respectively. This was followed by a Lunch Break. The post lunch session had 'Interpersonal relationships and communication skills', held by Dr. Praveen Kulkarni, The concluding session was held by the first year Postgraduate student of Surgery, Dr. Sivambika, on 'How to make best use of Internship?'

The interns gave their feedback at the end, where they conveyed that the Orientation Programme was highly beneficial for their Internship programme and the topics covered had a real value of application. A total of 150 postgraduates availed the benefit of the programme.

### **Orientation Programme for postgraduates of 2019-20 Batch (16/05/19)**

The Medical Education Unit conducted a One day Orientation Programme for the postgraduates of 2019-20 Batch on 16<sup>th</sup> May 2019 at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total of 122 postgraduates attended the programme.

Dr. Arun, Convenor of Medical Education Unit, welcomed the dignitaries to the dais. The programme began with key note address by Dr. B. Manjunatha, Registrar, JSS Academy of Higher Education and Research, Mysuru. In his address he gave a glimpse of JSS Mahavidyapeetha from its stage of inception to its present form of evolution. He called upon the new postgraduates to inculcate good practices in academic and social values. This was followed with address by Dr. H. Basavana Gowdappa, Principal, JSS Medical College. He

advised the fresh postgraduates to make best use of the resources available at the Medical College and Hospital for their academic activities. Dr.M.Guruswamy, Medical Superintendent, JSS Hospital, spoke about the rules and regulations of JSS Hospital. Later on postgraduates introduced themselves. Dr. Vijaya Vageesh introduced all Heads of the Departments to the audience. Dr.P.A.Kushalappa, Director (Academics), spoke about the JSS Academy of Higher Education and Research, highlighting the various facilities available for the post graduates to excel in the fields of research and innovations. Dr.G.V. Manjunath, Vice Principal (Clinicals), JSS Medical College spoke on the occasion and stressed about the medical ethics to be inculcated by the postgraduate doctors in their day to day activities. Dr.M.D.Ravi spoke on 'Duties and responsibilities of postgraduates'. After the lunch break, Dr.Praveen Kulkarni, Dr.Vikram Patil and Dr.Deepthi T, held sessions on 'Interpersonal relationships and communication skills', 'Selection of topic for dissertation' and 'How to write Log book', respectively.

The programme concluded with feedback from the participants and valedictory function.

In their feedback, the postgraduates conveyed that the Orientation Programme was highly beneficial for their residency programme and the topics covered had an immense value of application. A total of 122 postgraduates availed the benefit of the programme.

### **Curriculum Implementation Support Programme (CISP)**

The Medical Education Unit conducted three days Curriculum Implementation Support Programme (CISP) under the aegis of St. John's Medical College, MCI Nodal Center for Faculty Development from 24th to 26th June 2019, at the Medical Education Unit, JSS Medical College, Mysuru. This programme was conducted as per the MCI guidelines and it was held under guidance and supervision of the MCI Observer deputed from the Nodal Center, St. John's Medical College, Bengaluru, Dr. Vandana Bharadwaj.

#### **Day One (24<sup>th</sup> June 2019):**

The programme began with inauguration by Dr. B. Manjunatha, Registrar, JSS Academy of Higher Education and Research. He called upon the participants and stressed the need of

getting trained in curricular related issues to implement Competence Based Medical Education (CBME) from the current academic year of 2019. The activities began with ice breaking session and it was conducted by all resource faculty of the Curriculum Committee comprising of Dr. Arun M, Dr. Suma KB, Dr. Manthappa M, Dr. Pushpa VH and Dr. Praveen Kulkarni. All participants were made to pick some object and were asked to relate it to their own personality trait. All participants were made to answer pre-test questionnaire.

This was followed by introduction to CBME, by Dr. Praveen Kulkarni. He spoke about definition of Competence Based Medical Education, differences between competency, objectives & outcomes with examples along with salient differences CBME from conventional model. The next session was on 'IMG: Goals, roles & Competencies' conducted by Dr. Arun. He narrated on How to link national health needs to competencies and objectives and on demonstration of linking of competency with domains of learning using the competency sheet. Dr. Pushpa VH spoke on Linking competency objectives to Teaching Learning Methods (TLM). The participants were made to work in groups and interactive sessions were held along with appropriate guidance and inputs from the MCI Observer Dr. Vandana Bharadwaj.

In the post-lunch session, Dr. Suma K.B spoke on proposed changes in Graduate Medical Education Regulations (GMER) 2019. She emphasized on Time frame, training methods, integration, assessment, new additions like Foundation Course, formative feedback. Dr. Manthappa spoke on Electives and concepts of electives in UG curriculum with examples. It was followed by a session on Foundation course and Concept, components, timeframe & examples held by Dr. Praveen Kulkarni. The concluding session of the day was on AETCOM Modules by Dr. Arun. He explained Purpose, mission and objectives & booklet review of AETCOM.

Day one ended with taking feedback from the participants and suggestions to the resource faculty from MCI Observer, Dr. Vandana Bharadwaj.

**Day two (25<sup>th</sup> June 2019):**

Day two began with recapturing the events of day one. After this, a role play was presented by all five resource faculty to make the participants understand the relevance of early

clinical exposure. Following this, Dr. Pushpa VH presented the Concepts and framework of Early Clinical Exposure. It also had group activity. The next session was on Concept and framework of Integration by using examples from competency table. This session was managed by Dr. Praveen Kulkarni. The post lunch had session on Aligning & integrating competencies and Designing time table by Dr. Praveen Kulkarni. The concluding session of the day was by Dr. Manthappa. He spoke on Competency acquisition, and Skills lab. This was followed by a group activity.

Day two concluded with taking feedback from the participants and suggestions to the resource faculty from MCI Observer, Dr. Vandana Bharadwaj.

**Day three (26<sup>th</sup> June 2019):**

Day three began with recapturing the events of day two. The first session was by Dr. Pushpa VH. She spoke on Assessments in CBME. She highlighted on the Principles as relevant to CBME and assessment methods. It was followed by Aligning assessment to competency objectives & TLM. Both sessions had group activities from the participants. Dr. Suma spoke on Learning Resource Materials and Curricular Governance. Post lunch, Dr. Arun explained the road ahead. He highlighted all those steps taken already by the Institution to implement the new curriculum. Feedback from the participants was taken on Program evaluation and feedback on implementation. All participants felt that the three days workshop was beneficial for them to implement the new curriculum.

At the end of day three, a post test questionnaire was given to the participants. On analysis of pre and post test results, it was well evident that the participants have got immense benefit from the programme.

The valedictory was attended by the MCI Observer, Dr. Vandana Bharadwaj and all resource faculty and participants. The MCI observer lauded the efforts of the Medical Education Unit for conducting an exemplary programme. She also distributed certificates of attendance to the participants and resource faculty.

## **Curriculum Implementation Support Program (CISP) for the UG BOS members and Heads of the Departments.**

This programme was planned to orient the members of the UG BOS and Heads of all departments of JSSMC for the better implementation of CBME. The contents of the programme were of concise form of the CISP proposed by the MCI document of GMER 2019. The programme was inaugurated by Dr. PA Kushalappa, Director (Academics), JSSAHER and Dr. H. Basavanagowdappa, Principal, JSSMC.

The programme covered the topics of 'introduction to CBME', 'deriving Specific Learning Objectives from the competencies and aligning them with Teaching Learning Methods, concepts of Foundation Course, Electives, Early Clinical Exposure and AETCOM modules. The workshop also addressed on Alignment and Integration, skills training and assessment methods. The resource faculty were from the team of Medical Education Unit and was managed by Dr. Arun, Dr. Praveen Kulkarni, Dr. Manthappa, Dr. Suma KB, Dr. Pushpa VH and Dr. Soumya HV. A total of 30 participants attended the programme.

### **Induction Programme for MBBS Batch of 2019-2020**

Induction Program was held on 01/08/2019 for the MBBS students of the batch 2019-2020 at Sri Rajendra auditorium, JSS Medical College, Mysuru. The event began at 9.30 am and was graced by the Chief guest, Dr Alexander Thomas, President of National Board of Accredited Institutions, Dr Manjunatha B, Registrar, JSS Academy of Higher Education and Research, Mysuru; Dr Kushalappa P A, Director (Academics), JSS Academy of Higher Education and Research, Mysuru; Dr Sudhindra Bhat, Controller of Examination, JSS Academy of Higher Education and Research, Mysuru; Dr Suma M N, Vice Principal (Pre and Para Clinical), JSS Medical College, Mysuru; Dr Manjunath GV, Vice Principal (clinical), JSS Medical College, Mysuru; Dr Arun M, Professor, Department of Forensic Medicine and Convenor – Medical Education Unit, JSS Medical College, Mysuru; Parents, MBBS students of the batch 2019-2020 and the teaching and the non-teaching staff of JSS Medical College were present.

Dr Suma M N, Vice Principal (Pre and Para Clinical), JSSMC welcomed the gathering. Followed by this, the dignitaries inaugurated the event by lighting the lamp and Dr Manjunatha B, Registrar, JSS AHER released the academic calendar for the year 2019-2020. Dr Smitha M C, Assistant Professor, Department of Community Medicine introduced the Chief guest- Dr Alexander Thomas following which, he delivered an insightful inaugural address, where he stressed on the aspects that the undergraduate students have to focus during their career. Dr Alexander Thomas was given the token of gratitude by the Registrar, Dr Manjunatha B. Following this, JSS Academy of Higher Education and Research and JSS Medical College was introduced to the parents and the students by Dr Kushalappa P A, Director Academics, JSS AHER and Dr Manjunath G V, Vice Principal (Clinical), JSSMC, respectively. Dr Sudhindra Bhat, COE, JSS AHER appraised the audience on the rules and regulations of JSS AHER examination. Subsequently Dr Suresh K S, Chief Executive, JSS Law College, Mysuru addressed the gathering on Anti-ragging and prevention of sexual harassment in which He provided an insight on 'what amounts to ragging and sexual

harassment and the punishments for the same. This was followed by the Presidential address by Dr Manjunatha B, Registrar, JSS AHER in which He stressed that 'focus on work is the basis for success in career' and then the morning session was concluded by vote of thanks by Dr Rajalakshmi R, Professor and Head, Department of Physiology, JSS MC. Later on, the Heads of the preclinical departments (Anatomy, Physiology, Biochemistry), introduced their respective faculties. Dr Pushpalatha K, Professor and Head, Department of Anatomy, JSSMC provided an overview on Competency Based Medical Education. There was an interactive session between the parents and the teachers and feedback was taken from the parents on the induction program. The parents were very happy about the program conducted and 'exclaimed that their children were in safe hands.'

### **Foundation Course for MBBS Batch of 2019-2020 2<sup>nd</sup> August to 31<sup>st</sup> August 2019**

The Foundation Course was conducted from 02<sup>nd</sup> August 2019 to 31<sup>st</sup> August 2019, as per the MCI directives. The content for the Foundation course has been suggested by the MCI in its Competence Based Medical Education Curriculum. The overall objective of foundation course would be to sensitize the learners with essential knowledge and skills which will lay a sound foundation for their pursuit of learning across the subjects in MBBS course and later on a career in medicine. Accordingly, the Foundation Course delivered by various resource faculty from across different disciplines of Medicine, Law, Language, computer skills, life skills, yoga and sports and extracurricular activities. The students were also taken to Hospital and community visits. Sessions were also held on 'Alternate health systems,' by Dr. Rajesh Udupudi, Principal, JSS Ayurveda College, Mysuru. Adequate exposure was provided in 'Communication Skills and Interpersonal relationships,' as envisaged in GMER 2019 Document. The other relevant topics covered in the Foundation Course were 'professionalism, ethics and attitude', 'First Aid and BLS', 'immunization of Health care professionals', 'Concept of biosafety, handling bio waste/biomaterial management', 'leadership skills', 'Medical humanities' and 'professional etiquette'

## White Coat Ceremony for MBBS Batch of 2019-2020 30<sup>th</sup> August 2019

A White Coat Ceremony was held on 30/08/19 along with Cultural Programme by the students. During this programme the fresh graduates were administered with White Coat Oath and were made aware of the importance of dignity and solemnity of medical profession.

### **Hands-on workshop on Scientific Writing for I year postgraduates (2019-20 Batch)**

**21<sup>st</sup>, 22<sup>nd</sup> and 27<sup>th</sup>, 28<sup>th</sup> August and 4<sup>th</sup>, 5<sup>th</sup> September 2019.**

Three sets of workshops of two days each were conducted for I year Postgraduates of JSSMC on 21<sup>st</sup>, 22<sup>nd</sup> and 27<sup>th</sup>, 28<sup>th</sup> August/and 4<sup>th</sup>, 5<sup>th</sup> September 2019. During the workshops, the Postgraduates were trained by the faculty of Medical Education Unit on ‘Research Methodology’, Literature Search for dissertation’, writing research objectives’, ‘study designs’, ‘tools for data collection’, ‘statistical analysis’ and ‘citing references’.

The two day workshop was planned with group activities, where all Postgraduates were made to present their dissertation as a part of ‘Protocol development’ on day two. The resource faculty gave their inputs on the presentations to make it more acceptable from academic perspectives. The workshop was attended by 120 Postgraduates and facilitated by Dr. Arun, Dr. Pushpalatha, Dr. Praveen Kulkarni, Dr. Madhu B, Dr. Ashwini PK, Dr. Manthappa, Dr. Soumya and Dr. Pushpa, Dr. Smitha MC, Dr. Arun Gopi and Dr. Shwethasri.

### **Orientation Programme for Interns of 2020-21 Batch (05/03/20)**

The Medical Education Unit conducted One day Orientation Programme for the Interns of 2020-21 Batch on 05<sup>th</sup> March 2020 from 10.00 AM TO 03.00 PM at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total 143 Interns attended and availed the benefits of this programme.

Dr. Arun, Convenor of Medical Education Unit, welcomed the dignitaries to the dais. The programme began with address by Dr. H. Basavana Gowdappa, Principal, JSS Medical College. He advised the fresh interns to make best use of the resources available at the Hospital for their academic activities. Dr. (Col) M Dayananda, Director, JSS Hospital, spoke

on the occasion and stressed about the medical ethics to be inculcated by the interns. Dr. MGuruswamy, Medical Superintendent, JSS Hospital, spoke about the rules and regulations of JSS Hospital. Dr. GV Manjunath, Vice Principal (Clinicals), JSS Medical College was present. Dr. Vijaya Vageesh, Member of Medical Education Unit, proposed the vote of thanks. In the forenoon session, Dr. Madhu Srinivasarangan, Dr. Nithin KB, Dr. Vinay J and Dr. Sunil Kumar D, spoke about 'Duties and responsibilities of interns', 'Case sheet and prescription writing', 'Handling medicolegal cases', 'Introduction to Community Medicine Postings', respectively. In the afternoon session, Dr. Soumya GS and Dr. Shivanand Manohar spoke on 'Hospital Infection Control Programme' and 'Interpersonal relationships', respectively. This was followed by a Lunch Break. The post lunch session was held by Dr. Prithvik, Postgraduate student of Surgery, JSS Medical College and Dr. Chandan, Postgraduate student of Surgery, MMCRI, Mysuru. The Postgraduates narrated their own experience on 'How to make best use of Internship?'

The interns gave their feedback at the end, where they conveyed that the Orientation Programme was highly beneficial for their Internship programme and the topics covered had an immense value of application.

### **WORKSHOP ON MEDICAL HUMANITIES (9<sup>th</sup> and 10<sup>th</sup> of March 2020)**

Medical Education Unit of JSS Medical College under the aegis of Centre for Continuous and Lifelong learning for Professional Excellence, JSS Academy of Higher Education & Research, Mysuru have organized two days workshop on Medical Humanities for undergraduate medical students on 9<sup>th</sup> and 10<sup>th</sup> of March 2020.

#### **Inauguration**

Dr Arun M, Convener of Medical Education Unit welcomed the participants and dignitaries for the workshop. Inaugurating the workshop Dr B Manjunatha, Registrar, JSSAHER

congratulated the Medical Education Unit for organizing this event of significant importance. He also deliberated on importance of imparting training on core attributes of humanities among students during MBBS training programme. Dr Suma M N, Vice Principal (Pre and Para clinical), JSS Medical College, deliberated on importance of communication skills, interpersonal relationships, empathy and leadership skills among doctors. She urged the medical students to get maximum benefit from the workshop. Dr Prashant Vishwanath, Coordinator, CCLPE and IQAC, JSSAHER, urged medical students to understand and practice the core humane values in medicine. Dr Ravishankar P, chief resource person of the workshop shared his experiences as trainer of humanities to the students at various colleges and thanks JSS AHER and JSS Medical College for organizing this event. Dr Pushpalatha K, Coordinator of Medical Education Unit proposed the vote of thanks.

### **The Workshop**

Dr Ravishankar P and Dr Praveen Kulkarni, Associate Professor, Department of Community Medicine facilitated the workshop. The workshop began with pre test followed by introduction of participants. This was followed by a session on introduction to medical humanities, where the meaning, principles, elements and contents of medical humanities were discussed. This was followed by a series of sessions on what does it mean to be sick? What does it mean to be a patient? Doctor-patient relationship, life as a medical student and a role of medical student in the society. All the sessions were interactively conducted through role plays, image perceptions, story telling, fine arts etc.

### **Valedictory session**

Dr Arun M, shared his remarks on the workshop along with welcome address for the valedictory session. This was followed by distribution of certificates for the participants and coordinators. Participants gave their feedback on their learning and thanked the organizers for conducting the workshop. Dr Ravishankar described the importance of taking the learnings from this workshop for future. Dr Pushpalatha K and Dr Praveen Kulkarni were

present on this occasion. A total of 34 medical students from JSS Medical College, Mysuru and Adichunchanagiri Institute of Medical Sciences, Bellur have participated in the workshop.

## 2020-21

### **Orientation Programme for Postgraduates of 2020-21 Batch (03/09/2020)**

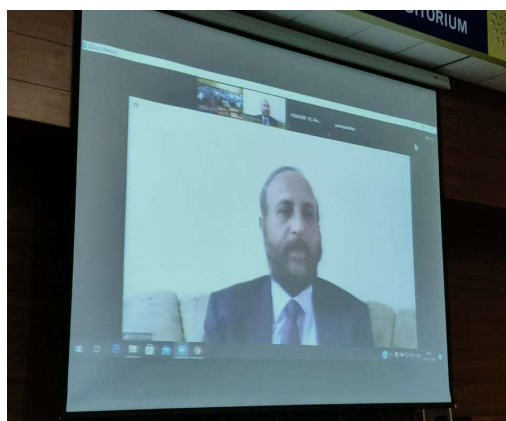

The Medical Education Unit conducted Orientation Programme for the Postgraduates of 2020-21 Batch on 03<sup>rd</sup> September 2020 at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total 141 Postgraduates attended the programme.

Dr. Arun, Convenor of Medical Education Unit, delivered the welcome address. The programme began with ONLINE delivery of Keynote Address by Dr. Surinder Singh, Hon Vice-Chancellor, JSS Academy of Higher Education and Research. In his address, he urged the postgraduates to develop good attributes of professionalism and become knowledgeable, skillful and compassionate specialist doctors in their chosen branches of specialty. He also ensured that the value-added training in JSS Medical College during their residency programme would help them reach better heights in their professional career. He also expressed his hope that the current Pandemic of Covid 19 will subside soon and enable the learning process to continue with acquiring the clinical skills. This was followed by address by Dr. H. Basavana Gowdappa, Principal, JSS Medical College. He advised the new resident doctors to make best use of the resources available at the Hospital for their academic activities. Dr. (Col) M Dayananda, Director, JSS Hospital, spoke on the occasion and stressed about the medical ethics to be inculcated by the interns. Dr. M Guruswamy, Medical Superintendent, JSS Hospital, spoke about the rules and regulations of JSS Hospital. This was followed by ONLINE address about JSS Academy of Higher Education and Research, by Dr. Prashant Vishwanath, Convener of CCLPE and Coordinator of IQAC, JSS Academy of Higher Education and Research. He gave an overview of the JSSAHER from its inception till date along with the accolades and achievements of the Academy. Dr. Suma MN, Vice-Principal, (Pre and Para Clinicals), JSS Medical College, spoke about JSS Medical College and Hospital.

After the Tea Break, Dr. Deepti T, Member of MEU Introduced the HODs and teaching faculty of all Departments of JSS Medical College through a PowerPoint presentation. Dr. Shivanand J, Member of MEU spoke on Interpersonal relationships and Communication Skills, Dr.

Ashwini PK spoke on Selection of topic for Dissertation and Dr. Sowmya HV spoke on How to write a log book?. Dr. Madhukesh, Member of the MEU moderated the Programme.

The postgraduates gave their feedback at the end, where they conveyed that the Orientation Programme was highly beneficial for their residency programme and the topics covered had an immense value of application. A total of 141 postgraduates availed the benefit of the programme.

## **Curriculum Implementation Support Programme 2 (CISP 2)**

The Medical Education Unit conducted two days Curriculum Implementation Support Programme 2 (CISP 2) under the aegis of St. John's Medical College, MCI Nodal Center for Faculty Development on 23<sup>rd</sup> and 24<sup>th</sup> September 2020, at Sri Rajendra Auditorium, JSS Medical College, Mysuru. The programme was conducted as per prevailing guidelines by the MCI with regards to COVID 19 Pandemic. Accordingly, 30 teaching faculty attended physically and it was guided and supervised ONLINE by MCI Observer deputed from the Nodal Center, St. John's Medical College, Bengaluru, Dr. Farah Fathima.

### **Day One (23<sup>rd</sup> September 2020):**

The programme began with ONLINE inauguration by Dr. B. Manjunatha, Registrar, JSS Academy of Higher Education and Research. He called upon the participants and stressed the need of getting trained in curricular related issues to implement Competency Based Medical Education (CBME). The activities began with ice breaking session and it was conducted by all resource faculty of the Curriculum Committee comprising of Dr. Arun M, Dr. Suma KB, Dr. Manthappa M, Dr. Pushpa VH and Dr. Praveen Kulkarni. All participants were made to select an object displayed on the screen and were asked to relate it to their own personality trait. All participants were made to answer pre-test questionnaire.

This was followed by introduction to CBME, its objectives & outcomes with examples by Dr. Pushpalatha. She also highlighted the salient differences between CBME from conventional model. The next session was on 'IMG: Goals, roles & Competencies' conducted by Dr. Arun. He narrated on How to link national health needs to competencies and objectives and on demonstration of linking of competency with domains of learning using the competency sheet. Dr. Pushpa VH spoke on Linking competency objectives to Teaching Learning Methods (TLM). The participants were made to work in groups and interactive sessions were held along with appropriate guidance and inputs from the MCI Observer Dr. Farah Fathima on Virtual platform.

In the post-lunch session, Dr.Suma KB spoke on proposed changes in Graduate Medical Education Regulations (GMER) 2019. She emphasized on Time frame, training methods, integration, assessment, new additions like Foundation Course, formative feedback. Dr.Manthappa spoke on Electives and concepts of electives in UG curriculum with examples. It was followed by a session on Foundation course and Early Clinical Exposure, the Concept, components, timeframe & examples held by Dr.Pushpalatha K. The concluding session of the day was on AETCOM Modules by Dr.Arun. He explained Purpose, mission and objectives & booklet review of AETCOM.

Day one ended with taking feedback from the participants and suggestions to the resource faculty from MCI Observer, Dr.Farah Fathima.

**Day two (24<sup>th</sup> September 2020):**

Day two began with recapturing the events of day one. After this, Dr. Manthappa held a session on ‘Student Doctor- Clinical Teaching’ with its concept and frame work. Following this, Dr. Praveen Kulkarni presented the Concepts and framework of Alignment and Integration. It also had group activity on Concept and framework of Integration by using examples from competency table. The next session was on ‘Skills Training’ by Dr. Suma KB and Dr. Manthappa. They spoke on Competency acquisition, and Skills lab. This was followed by a group activity.

The post lunch session was by Dr. Pushpa VH. She spoke on Assessments in CBME. She highlighted on the Principles as relevant to CBME and assessment methods. It was followed by Aligning assessment to competency objectives & TLM. Both sessions had group activities from the participants. Dr. Ashwini PK spoke on Log Book design and presentation. Dr. Suma KB, in the concluding session, spoke on Learning Resource Materials and Curricular Governance. All participants felt that the two days workshop was beneficial for them to implement the new curriculum.

At the end of day two, a post test questionnaire was given to the participants. On analysis of pre and post test results, it was well evident that the participants have got immense benefit from the programme.

The valedictory programme was attended ONLINE by the MCI Observer, Dr. Farah Fathima, the Principal, Dr. H. Basavana Gowdappa and all resource faculty with participants. The MCI observer lauded the efforts of the Medical Education Unit for conducting an exemplary programme.

---

## **Orientation Programme for Interns of Supplementary Batch Of 2020-21**

---

The Medical Education Unit conducted Orientation Programme for the Interns of Supplementary Batch of 2020-21 on 20/10/2020, at Lecture Hall No. 1, Ground Floor, JSS Hospital, Mysuru. A total 49 Interns attended the programme.

Dr. Shivanand Manohar J, Member of Medical Education Unit, delivered the welcome address. The programme began with opening remarks by Dr. Basavana Gowdappa, Principal, JSS Medical College. In his address, the Principal urged the Interns to be punctual and interest in learning as every case in the ward is like a different chapter. Dr. (Col) M. Dayananda, Director, JSS Hospital, advised the interns to make best use of the resources available at the Hospital for their academic activities. Dr. M Guruswamy, Medical Superintendent, JSS Hospital, spoke about the rules and regulations of JSS Hospital. This was followed by address by Dr. GV Manjunath, Vice Principal (Clinicals), JSS Medical College.

Dr. MD Ravi, Professor of Pediatrics spoke on 'Duties and responsibilities of the Interns'. Dr. Smitha MC, Department of Community Medicine gave an overview of Community Medicine Postings and Dr. Chethak, Department of Pediatrics spoke on 'Precautions to be adopted during COVID 19 Pandemic'.

The interns gave their feedback at the end, where they conveyed that the Orientation Programme was useful their internship programme. A total of 49 interns attended the programme.

Dr. Praveen Kulkarni, Vice Principal (Paraclinical) described the etiquettes of white coat and professional tips. This was followed by formal ceremony where the students were made to wear the white coat by senior faculty of JSS Medical College. Dr. Manthappa M, Vice Principal (Clinical) administered white coat oath to the students. Dr.Vijaya Vageesh, Associate Professor, Dept of Physiology and coordinator of white coat ceremony proposed the vote of thanks.

## REVISED BASIC COURSE WORKSHOP 14<sup>th</sup> TO 16<sup>th</sup> DECEMBER 2022

### Observations:

The three days workshop was held from 14<sup>th</sup> to 16<sup>th</sup> December 2022 under NMC Nodal Centre Observer, Dr. Sreenivas, P, Coordinator of MEU< MMCRI, Mysuru. The sessions were held as per the prescribed format provided by the NMC Nodal Centre, CMC, Vellore. All sessions were made interactive to the maximum possible extent. All sessions were evaluated at the end of the respective days with the NMC Nodal Centre Observer and his suggestions were followed.

### Comments:

Participants from the cadre of Assistant Professors constituted 77% and Associate Professors constituted 23% of the total strength and were found actively involving themselves in all sessions. There were no representations from the Professors cadre. All resource persons shared their presentations with the participants and also a compilation of all topics were made into a booklet and was submitted to the NMC Nodal Centre Observer in soft and hard copies.

### Suggestions:

Many senior Professors have approached the Office of MEU and expressing

their wish to be enrolled and trained in RBCW. Since Nodal Centre has communicated through their e- mail, not to include Professors, they had to be excluded. A humble suggestion from the MEU to permit even Professors who are wishing to upgrade themselves by enrolling for RBCW. Micro-teaching sessions may be re-introduced as it used to be there in Basic MET schedule of initial days.

## **Report on Orientation Programme for Postgraduates of 2022-23Batch (04/01/2023)**

The Medical Education Unit conducted Orientation Programme for Postgraduates of 2022-23 Batch on 4<sup>th</sup> January 2023 from 09.30 AM to 01.00 PM at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total 140 Postgraduates attended the programme.

Dr.Arun M, Co-ordinator of Medical Education Unit, welcomed the dignitaries and the participants. Dr.H.Basavana Gowdappa, Principal, JSS Medical College in his address advised the new resident doctors to make best use of the resources available at the Hospital for their academic activities. Dr C.P Madhu, Medical Superintendent, JSS Hospital stressed about the medical ethics. Dr. Praveen Kulkarni, Vice Principal (Para Clinicals), JSS Medical College spoke about JSS Medical College and Hospital.

All Heads of the Departments were introduced by Dr. Deepti. After self introduction of Postgraduates, Dr. Arun M talked about the Course Schedule and CBME in the PG Curriculum. Dr. Ashwini P K talked about the selection of the topic for the dissertation. Dr. Madhu B spoke on Research opportunities at JSSAHER.

Two Senior Postgraduates spoke on 'How to make best use of residency programme?'. The participants gave their feedback at the end, where they conveyed that the Orientation Programme was highly beneficial Programmes.

## **Report on Three-day Workshop on Revised Basic Course Workshop in Medical Education Technologies for Senior Residents 2023 (28<sup>th</sup> to 30<sup>th</sup> Mar.2023)**

The Medical Education Unit (MEU) organized a three-day workshop from 28th to 30th March 2023 at the MEU, II Floor, JSS Medical College for the Senior Residents. The workshop aimed to train Senior Residents across all Basic Medical Education Technologies Departments. The workshop intended to enable SRs to handle the teaching assignments of the

Competency-Based Medical Education (CBME) Curriculum for MBBS efficiently. 32 Senior Residents across all the Departments attended the workshop.

On 28th March 2023, a three-day workshop for senior residents commenced at JSS Medical College. The inaugural session began with the keynote address by Dr.Manjunatha B. Dr H. Basavanagowdappa, Principal of the college, highlighted the unique initiative by JSSMC MEU for this workshop for senior residents. Dr Suma M N, the Vice Principal, spoke and wished the participants. Dr Praveen Kulkarni, Vice Principal (para clinical) & Dr Manthappa M, Vice Principal (Clinical), extended their best wishes for the workshop.

Dr.Arun M, the MEU Coordinator, delivered the welcome speech and explained why this workshop was conducted specifically for senior residents. He emphasized that senior residents are not considered under the NMC MEU training, and this workshop would be a valuable opportunity for them to upgrade their knowledge and skills.

The Member Secretary of the MEU, Dr.Pushpalatha K, delivered the vote of thanks and highlighted the importance of such workshops in enhancing the professional development of the participants. The inaugural session provided an excellent start to the three-day workshop and set the tone for the rest of the event.

The first day of the workshop focused on introducing the revised basic course workshop in medical education technologies followed by ice-breaking session, and group dynamics by Dr Praveen and Dr Pushpalata K. The course focused on understanding the principles of adult learning, competency-based medical education, and the goals, roles, and competencies of CBME, developing objectives from competencies, and linking learning and assessment with competencies. The microteaching session was also dealt. Dr Kiran H S and Dr Archana S led the clinical teaching session.

The second day started with a recap of day 1, followed by an introduction to assessment principles. The session continued with theory and practical assessments, including workplace-based assessments. Dr. Deepa Bhat led the practical assessment session. There was session on demonstration of OSPE/OSCE, introduction to AETCOM and feedback. The SDL session was introduced, followed by a session on reflective practice.

Third day workshop covered teaching-learning methods, assessment methods, and curriculum design. The workshop also provided an opportunity for participants to interact with each other and exchange ideas. Following this, the participants took part in an open house and a microteaching demonstration. To ensure the effectiveness of the microteaching session, the students and MEU members as moderators assessed the presentations. Workshop was concluded with valedictory ceremony by distributing the certificates & obtaining feedback by the participants.

## **Orientation Programme for Interns of 2023 Batch (01/04/2023)**

The Medical Education Unit conducted one day Orientation Programme for the Interns of 2023 Batch on 01/04/2023 from 10.00 AM TO 04.30 PM at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total 123 Interns attended the programme.

Dr.Arun M, Convenor of Medical Education Unit, welcomed the dignitaries and the participants. The programme began with address by Dr.H.Basavana Gowdappa, Principal, JSS Medical College. He first congratulated the interns and advised the young doctors to work with commitment and dedication. Dr.C.P.Madhu, Medical Superintendent, JSS Hospital, spoke on the occasion and stressed about the importance of proper communication and punctuality in the profession. Dr.Manthappa M, Vice Principal (Clinicals), JSS Medical College addressed the interns regarding the functioning and workflow in hospital and emphasized on professional behavior with coworkers and seniors. The Programme was also presided by Dr.Manjunath G V, Deputy director, diagnostics, JSS Hospital and Dr.Praveen Kulkarni, Vice Principal (Para Clinicals), JSS Medical College.

Dr.Madhu Srinivasarangan, Associate Professor, Department of Emergency Medicine emphasized on 'Duties and Responsibilities of interns' followed by an talk by Dr.Nithin K.B., Assistant Professor, Department of General Surgery on Writing of Case sheet and Prescription.

This was followed by briefing on Medical Commission (Compulsory Rotating Medical Internship) Regulations, 2021 by Dr.Pushpalatha K, Professor, Department of Anatomy and Introduction to Community Medicine postings by Dr.D.Shwethashree M, Assistant Professor, Department of Community Medicine. Dr.Chethak K.B., Associate Professor, Department of Paediatrics spoke on Precautions to be adopted during COVID Pandemic. Dr.Deepashree Assistant Professor, Department of Microbiology oriented interns on Hospital Infection Control Practices. Dr.Smitha Rani, Associate Professor, Department of Forensic Medicine and Toxicology delivered her talk on Handling Medicolegal Cases and this session was

followed by Orientation on National TB Elimination Programme by Dr.Nayana Shabadi, Assistant Professor, Department of Community Medicine. This was followed by the views of Dr.Ullas Gowda, post graduate, Department of Orthopaedics and Dr.Saloni Gupta, post graduate, Department of Surgery on how to make best use of Internship. Following this, Dr.Praveen Kulkarni, Professor, Department of Community Medicine handled a session on Communication skills. The last session was on Power of Breath by Mr. Parveen Kumar from Art of living.

The interns gave their feedback at the end, where they expressed that the Orientation Programme was smoothly conducted, highly beneficial for their Internship programme. They thanked all the resource faculty for covering the topics which had an immense value of application. A total of 123 Interns availed the benefit of the programme. The Programme ended with concluding remarks from Dr. Arun M, Convenor of Medical Education Unit.

## **Report on Workshop on Scientific Writing for 1<sup>st</sup> year Postgraduates of 2022-23 Batch (11/04/2023)**

The Medical Education Unit conducted Workshop on Scientific Writing for 1<sup>st</sup> year Postgraduates of 2022-23 Batch on 11<sup>th</sup> April 2023 from 10.00 AM to 04.30 PM at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru. A total of 139 Postgraduates attended the programme.

Dr.Manjunath V.G., Professor of Paediatrics, welcomed the dignitaries and the participants. This was followed by an address by Dr.H.Basavana Gowdappa, Principal, JSS Medical College and Dr.C.P.Madhu, Medical Superintendent, JSS Hospital spoke to the Postgraduates.

Dr.Pushpa V.H. spoke on writing meaningful introduction. Dr.Deepthi T. spoke on Literature Search, writing review of literature and citing references. Dr.Smitha M.C. spoke on writing research question and objectives. Dr.Mythily M.R. spoke on Materials and Methods (Study designs). Mr.Arun Gopi spoke on Materials and Methods (Sample size estimation). Dr.Shwethashree M spoke on sampling techniques, Tools for data collection and statistical analysis. Dr.Ashwini P.K. spoke on Format of synopsis writing. Dr.Shilpa C spoke on Plagiarism in Scientific Writing. Dr.Prathima spoke on Institutional Ethical Committee. The participants gave their feedback at the end, where they conveyed that the Scientific Writing Workshop was highly beneficial Programmes.

### **Scientific Writing Workshop; Group activities and synopsis presentation (25<sup>th</sup> to 28<sup>th</sup> April 2023)**
